FOREWORD

The Kentucky Constitution requires each chamber of the General Assembly to keep a journal as a public accounting of daily legislative activity. The journal is the official record of action.

The Kentucky Revised Statutes require the Legislative Research Commission to compile, edit, correct, and publish the journals of each chamber. This is the House Journal for the Regular Session of the 2003 General Assembly.

Texts of bills, joint resolutions, and concurrent resolutions appear in the journal on the day of their first reading. Texts of simple resolutions appear on the day of either their first reading or adoption. Texts of committee amendments appear when they are reported out of committee and floor amendments are inserted at the end of the day on which they were filed. The appendices include a table of actions on bills and resolutions, a list of elected representatives, roll call votes, and a sponsor and subject index.

JoAnn Paulin, Rhonda Carter, and Shelly Purvis prepared the *House Journal* for the 2003 Regular Session. The edited copy and appendices in this volume reflect the cooperative efforts of the LRC Staff.

The House of Representatives of the Commonwealth of Kentucky hereby recognizes and honors Patricia J. Cooksey upon being named one of the nine 2002 inductees into the Kentucky Athletic Hall of Fame. The all-time leading female jockey at Churchill Downs; one of only two female jockeys with more than 2,000 victories; the first woman to ride in the Preakness and the second to ride in the Kentucky Derby; P.J. Cooksey has truly reached a superior level of achievement within the sport of horseracing; has paved the way for other female jockeys by creating opportunities based on her successful runs and by demonstrating the tenacity of the female in this sport; and now joins an elite group whose contributions to athletic excellence have earned their inclusion into this prestigious society. Additionally, in November, 2002, this remarkable woman was named the recipient of the Vincent T. Lombardi Symbol of Courage Award which is presented annually by the Lombardi Cancer Center of Georgetown University in Washington, D.C. to a person in the sports world who has faced cancer and who possesses those same enduring qualities that made Coach Lombardi and past recipients such as Lance Armstrong and Scott Hamilton an inspiration to all people: dependability, courage, discipline and honor. Diagnosed with breast cancer in August, 2001, she returned to the track, winning second place in the fourth race at Churchill Downs on a four-year old filly named Gold Empress in June of 2002. The members of this august body are honored to join Representative Susan Westrom in commending Patti Cooksey, who has additionally served as a girl scout leader and home room mother at the Christian Academy in Louisville, on this most notable occasion and in paying tribute to this strong and accomplished woman of great faith for the recognition she has brought to her family, including her cherished husband, John Neal and daughter, Chelsea Neal; her community; and the Commonwealth of Kentucky. Done in Frankfort, Kentucky, this eighth day of January, in the year two thousand and three.

The Chief Doorkeeper announced the arrival of the Governor of the Commonwealth of Kentucky, The Honorable Paul E. Patton.

Governor Paul E. Patton addressed the Joint Session of the General Assembly as follows:

STATE OF THE COMMONWEALTH
BY GOVERNOR PAUL E. PATTON
THURSDAY, JANUARY 9, 2003 - 7:00 p.m.

President Williams, Speaker Richards, and members of the General Assembly, Justice Lambert and members of the Judiciary, Governor Henry and other constitutional officers, my fellow Kentuckians.

For the sixth and last time, I appear before you as governor to report on the state of the Commonwealth. And in many ways, the state of the Commonwealth is good; but, as always, there are still things we need to do as a society.

You're not assembled here to address the things which are going well in Kentucky; you're here to make changes where things could be better.

But as we talk about the challenges facing the Commonwealth, we shouldn't forget about what's right in Kentucky; and that's where I want to start tonight.

I begin by thanking the members of the Kentucky General Assembly for your many, many kindnesses, courtesies, words of encouragement, helpful advice, constructive criticisms and personal friendships you've shared with me since I've been governor and even before.

As we embark upon the most difficult session that will occur in my terms as governor, I pledge to you to be understanding as I articulate my position on issues. I pledge to be open, honest, dedicated and cooperative as we work together to decide Kentucky's course for the next year and a half and, in fact, for the next generation.

I'm extremely proud of what we've accomplished working with you these last seven years. We've made major change; fundamental change, in Kentucky society. I believe that we've achieved the goal that I set for our administration seven years ago; that is "to set us on a path to raise the quality of life and standard of living in Kentucky above the national average in 20 years."

And so let us review what I believe are the successes of the past seven years that we've made possible together.

Our first major initiative was to strengthen the efficiency and operation of state government. That's been an ongoing process and should never terminate.

The foundation of this effort is the EMPOWER Kentucky initiative authorized by the General Assembly in the 1996 session.

EMPOWER Kentucky is quite simply the most innovative, effective, and successful restructuring of state government business processes in the United States.

The administrative technology of state government is vastly improved. Our employees are better trained. Our people have more and better access to their government. And the results show.

EMPOWER Kentucky has improved the efficiency of government in Kentucky by almost 600 million dollars so far, and has institutionalized over 100 million dollars a year in increased efficiencies.

One of these efficiencies is fewer employees doing more work. Results? 1,166 fewer total employees today than were on the state payroll when I assumed office on December 12, 1995. I want to repeat that statement! 1,166 fewer total employees on the state payroll today than when I took office. And we're committed to further reduce the state payroll by another 1,000 by attrition before I leave office.

Yes, we've asked our employees to do more. We improved their technology so they're more productive. We improved their physical environment so they're working in safer, more efficient surroundings.

We've straightened out the state's pay grade scale and instituted a program to keep it current.

We've achieved the state's goal of a workforce which reflects the diversity of our population. For eight consecutive six-month reporting periods we've achieved our EEO employment goals and no previous administration has met that goal for even two consecutive six-month reporting periods!!!

We've improved financial management, revenue forecasting and purchasing procedures. We've managed our way through $872 million in revenue shortfalls over the last two years without the draconian measures to cut services other states have taken.

It's easy to pick out things about state government to criticize, but the fact is we've administered state government very efficiently!!!

We've made Kentucky safer from those who would violate our laws. Some may have forgotten our omnibus criminal justice reform proposal you enacted in 1998. While it increased the penalties for serious crimes, eliminating parole for most violent offenders and sex offenders who refuse treatment, it also contained alternatives to incarceration for less serious crimes.

Our tough stance on crime includes support for Megan's Law, the .08 DUI law and expanded DNA testing.

Our laws are to be enforced without regard to race, ethnic origin or gender. That's why I directed the Justice Cabinet to develop training and a model policy prohibiting racial profiling and to collect statistics on law enforcement stops.

We've developed the Unified Criminal Justice Information System and enhanced our public defender system as we strengthened our Commonwealth Attorneys' abilities to prosecute crime. Our local police officers are better trained, our state police better equipped, our penalties for hate crimes enhanced.

We've cracked down on prescription drug abuse, improved our programs for drug abusers, strengthened homeland security, and transformed our worst-in-the-nation juvenile justice system into a best-in-the-nation model, many states are trying to emulate.

And the results of this work show. From 1995 to 1999, the crime rate decreased 10 percent. Kentuckians are safer today because of your actions of the past seven years!!!

As impressive as our accomplishments are, they're threatened by our inability to pay for the incarceration of all the criminals who should be behind bars.

I must acknowledge that much of the work in criminal justice was led by a valued member of our cabinet who passed away this past year, a man who I believe was the greatest statesman of the 20th century in Kentucky, former Chief Justice and Secretary of the Justice Cabinet, the late Robert F. Stephens!!!

Through the work that Judi has spearheaded, we've made significant reforms to improve the protection of women and children.

You've supported her efforts by passing over 20 separate pieces of legislation on these issues alone.

We implemented the nation's first victim notification system. We substantially increased funding to spouse abuse centers and rape crisis centers. We created a new network of 15 innovative Children's Advocacy Centers.

And Judi has been a strong advocate for your efforts to establish family courts. Just this past year, she worked with UK President Lee Todd to create a first-of-its-kind Center for Research on Violence Against Women at the university.

Women and children are safer in Kentucky because of Judi's work!!!

And in spite of today's depressed economy, we've had successes in the battle to create jobs. Legislatively we've improved our workers' compensation system, revised our ten-year old economic development programs and added new ones like the highly successful Tourism Development Act, the Skills Training Tax Credit Act, the venture capital fund programs, coal industry development incentives, the economic opportunity zones programs, and the Military Affairs Commission.

We've addressed regional problems with the coal fields business park development program in east and west Kentucky as well as helping to establish major business parks in Warren, Hardin and Graves counties and several other places in Kentucky.

We have the most ambitious agricultural development initiative in the country and our statewide program of community infrastructure improvements will serve generations to come. And we've looked to the future with our New Economy initiative.

All in all we've done better growing our economy than many other states. We've been ranked 8th for capital investment, 7th for new jobs created and 2nd for business expansions. Our gross state product, average wages and per capita income are increasing faster than the national average. Our business climate is ranked better than any of our 7 bordering states. Our poverty rate has had the 12th best decrease in the nation and the percentage of Kentuckians unemployed is 15 percent below the national unemployment rate. We're growing Kentucky's economy!!!

Kentucky has had a social services program for all of my life and before. It has, for the most part, been focused on temporary relief of the symptoms of the failures of our society. Our objective has been to provide long-term solutions through a comprehensive family services approach to build on the strengths of our families. Our goal has been building self-sustaining families, not administering government handouts and we have reduced those on the welfare rolls by 52 percent!

Protecting our children and vulnerable adults from abuse and neglect and ensuring their well being has been a priority of this administration. We've increased the number of social workers, reduced caseloads and substantially increased salaries. Our Cabinet for Families and Children has gone beyond the call of duty by becoming the first voluntarily accredited state social services agency in the nation!!!

We've been among the most successful states to implement the children's health insurance program. Over 51,000 children in Kentucky have health insurance coverage today because of our work!!!

We've established an office of women's health, an office of child abuse and domestic violence prevention, improved our child protective services programs and doubled our rate of adoptions for state-committed children. Our Family Resource and Youth Services Centers are nationally recognized for their success and we've expanded them to every county in the state with a total of 775 centers.

We're reducing teenage smoking and teenage pregnancies, improving mental health services, strengthening our local health departments and we've done more to improve housing for our low-income citizens than at any other time in our history, receiving national recognition for the work of the Kentucky Housing Corporation!!!

In many ways, quality of life can't be measured in terms of dollars but you can see the difference all over Kentucky.

Our Renaissance Kentucky program is a national model for small town revitalization. Our historic preservation program, with the use of TEA-21 transportation funds, received a top award from the National Trust for Historic Preservation. Our 2020 water and wastewater initiative will ensure a healthier Kentucky for all of our people. Our efforts to save Black Mountain, the Pine Mountain Trail and Blanton Forest and a lot of the Bluegrass will give future Kentuckians opportunities that were almost lost forever.

Our efforts to reduce the adverse effects of non-coal mining, large animal feeding operations, illegal dumps, straight-pipe sewage disposal, solid waste disposal abuses, and roadside litter will forever result in a cleaner, healthier, more aesthetically pleasing Kentucky and will forever be a monument to another deceased hero of our cabinet, the former Secretary of Natural Resources and Environmental Protection, Jim Bickford!!!

And I pause to note the loss of another friend, a valued member of our administration and long-time colleague of yours, Commissioner of Parks, Kenny Rapier!!!

And I truly hope that our efforts to take a long-term strategic approach to the way we grow in Kentucky will take hold and cause us to become a state which minimizes the problems of the future by smart decisions rather than a state which can never catch up because it's consumed cleaning up the messes caused by short-sighted decisions of the past.

Yes, I'm convinced that Kentuckians will be better off in the future because of the actions we've jointly taken to address the less tangible aspects of our quality of life.

As essential as the elements of state government I've already discussed are to our long-term success as a society, our future depends on education. And from day one, I've strived to be an education governor. And from day one, you, the Kentucky General Assembly, have been by my side every step of the way.

My vision, my dedication, my determination, my inspiration to be an education governor has its origins in the courageous acts of the 1990 General Assembly and then governor of Kentucky, Wallace Wilkinson. The impending crisis in education in Kentucky in 1990 coincided with my gradual realization that although economic development in the short run can be promoted by business parks and tax incentives, in the long run it is totally dependent upon education.

I watched with admiration from the sidelines as you debated and decided upon the very future of Kentucky with KERA. I've said it before and I'll say it again, the Kentucky Education Reform Act is the greatest display of statesmanship and confidence in the people of Kentucky that I've seen in my lifetime. Your example has guided me every day that I've been governor. I applaud those still in this body who crafted, voted for and led to passage this historic legacy!!!

While I can claim no fathership of KERA, I do claim guardianship during these past seven years. Taking office just as the reaction to the unprecedented changes required was reaching its crescendo, our administration and bipartisan leadership in each chamber staved off the reactionaries, made the necessary adjustments, and secured KERA as the nation's most comprehensive and most successful reform of elementary and secondary education. Turning around such a fundamental societal foundation as education is, at best, slow; but at last, after twelve tumultuous years, the results are undeniable.

By every gauge available, Kentucky schools are better, much better, than they were; and they're getting better every day. We were the first in the nation to complete our schoolroom technology program. Our first-in-the-nation Virtual High School and our statewide Virtual Library are just two examples of how technology has improved Kentucky schools. Our after-school and summer school extended services tutoring program is making every effort to leave no child behind. Our school standards are the highest and our accountability program copied by state after state. Our school safety program is leading edge and our high school completion rate is now above the national average!

Our students are now performing above the national average in math, science, and language arts; who would have ever thought that that turn-around could happen here in Kentucky, the state that twelve years ago could only say "thank God for Mississippi." The people of Kentucky will be forever indebted to those of you who made it happen.

While I was a bystander when the KERA decision was made, I was watching and learning. As I studied ways to create jobs, I realized that in this day and age, a K-12 education was just a foundation upon which a more detailed and focused educational experience must be built for an individual to be prepared for success in our terribly complex, information-based economy of today.

And so I determined, long before I took the oath of office, that I would be the champion of postsecondary education. And there again, the members of the Kentucky General Assembly were my allies. As we debated and refined and improved our proposal, many of you were the driving force. And even after you passed it, there was lots of work to do to get it implemented; and again you've been there.

My time as the chief shepherd of postsecondary education is drawing to a close. New leadership of the Council on Postsecondary Education is on the way. Most every university as well as KCTCS has new leadership. This legislature must assume the role of guardian of postsecondary education as the inevitable reaction to change manifests itself.

Having had less time to produce results than KERA, our efforts are none-the-less receiving similar national acclaim and have produced stunning results. Among them are: enrollment in our public colleges and universities is up 20%; 46% in our Community and Technical Colleges.

Bucks for Brains has increased our endowed faculty by 400 percent and has attracted some of the nation's brightest minds. Research is up 41 percent and our Virtual University is bringing education to 10,000 students in every part of the Commonwealth. Our Kentucky Virtual Library is providing access to library services statewide, at an average of 1,100 searches every hour of every day of the week.

Again, these results are the legacy of bipartisan cooperation between both chambers of the General Assembly and our administration.

As K-16 education began to flourish in the land of the Bluegrass, I and other leaders began to realize that we'd started in the middle and that there was important work that needed to be done on each end of the life-long learning continuum.

And so in the 2000 session we addressed early childhood development and adult education, here again, making leading edge innovations that are already producing results.

155,000 women receiving help in pre- and post-natal child care, universal newborn hearing screenings, 17,000 more children immunized, universal eye examinations, better child care, scholarships for child care providers, 6,000 families receiving parenting assistance; just some of the accomplishments of our early childhood development program which is rated one of the best in the nation.

The same goes for adult education. Enrollment is up 69 percent and we've seen a 57 percent increase in the number of GEDs awarded; almost 21,000 Kentucky adults getting a high school credential.

Family literacy enrollment doubled and is now available in all 120 counties. And our Kentucky Virtual Adult Education website is the first of its kind, allowing adults to learn any place, any time, at their convenience. Again, the product of bipartisan cooperation between the executive and legislative branches of government!!!

Yes, I'm proud of what we've done and I hope that you are too because it was truly a joint venture in which we all participated and we all caused it to happen.

In spite of problems and setbacks, it's been a good seven years for Kentucky and a good seven years for me. But you're not assembled here to dwell on past successes. You're here to address today's challenges and tomorrow's promises. There are many issues that you'll address before the end of the March but there's one issue that'll dominate this session; and that's the budget.

I respect the independence and equality of the executive and legislative branches of government, as well as the judicial.

I fully understand that you have the authority to determine public policy and I have the responsibility to execute it. I also recognize our responsibility to work together to solve problems. I'm ready to do my part.

Our present fiscal crisis calls into question our continued ability to execute our existing public policy, because, to be very plain about it, we don't have enough money. We're not alone; 49 other states have severe revenue problems, most are in worse shape than Kentucky. Thirty-two (32) states have raised taxes. This is the worst fiscal crisis in Kentucky since World War II. The same is true for most of the states.

Some may say the state's current budget problem is the result of overspending. Well, let's look at why spending has increased. We have, since I've been in office, increased spending on criminal justice by 75 percent, the most of any area of government; and we still don't have enough money to house all the prisoners the courts are sending to prison.

We've increased Medicaid spending 64 percent; and the Medicaid budget is still $450 million short. We've increased spending on education 28 percent, and we still aren't fully funding the increased enrollment in K-12 or postsecondary education.

The increased spending for all the rest of government has been just 14 percent, in the face of inflationary increases of 19 percent.

We're going to find it awfully difficult to cut more out of our budget without substantially affecting service delivery.

I'll also remind you that we've implemented 26 tax cuts which will reduce taxes almost $500 million in FY 04. And over the past 7 years these tax cuts have saved Kentucky taxpayers 2 billion dollars!

Our administration has done all we know to do during these last two years of national economic slowdown to keep the commitments we've made through past legislative actions; and until December 18th, the day we began to release prisoners, we'd been able to live within existing resources without making any meaningful cuts to essential government services that you'd mandated us to provide.

We can no longer do that. We as a people must make a fundamental decision within the next three months. Will we increase revenue to fund our existing commitments or will we reduce our commitments to things like education, public safety, social welfare, public regulation, public infrastructure and cultural enrichment to a level that can be sustained by current revenue. We must look at the long-term effects of either of those courses of action, or a combination of the two.

For my part, I presented to you one year ago the minimum budget that I thought we should have if we don't want to go backwards. That budget had no new programs and no expansions of existing programs. You thought we needed to do more and added over $100 million to that budget.

I must remind you that that budget reflected our cuts of 2 percent to Medicaid and Higher Education. It reflected a 5 percent cut to all the rest of state government except K-12 education. It was my goal then and it is still my goal tonight to not make any cuts in our education programs!!!

And tonight we know that our revenue is $500 million short of what it takes to fund that budget. But as I review that budget, even if it were fully funded, it wouldn't fund today's estimate of the cost of our needs in Medicaid or prisons. In fact, it doesn't fully fund the Basic SEEK per-pupil-in-average-daily-attendance appropriation that it authorizes; and it doesn't fully fund the increased enrollments at our colleges and universities.

Now I know things have changed. But that budget proposal must be the starting point. With your help, I'll propose modifications that the changed situation necessitates. Perhaps we can agree on more places to cut. We may have to consider more revenue. I solicit your input.

This must be a joint exercise. It must be bipartisan. Each chamber must be involved. Each political caucus of each chamber must be involved. I encourage you to begin joint hearings of your Appropriations and Revenue committees to inform the public of the effects of the potential cuts, which will have to be made, to live with existing revenue.

We need an equally public debate of potential new sources of revenue. We need a thorough public discussion of both sides of the issue.

I'm prepared to lead. I ask for advice from the General Assembly.

In every major initiative of our administration, including every budget proposal I've presented to you, I've had extensive, bipartisan input from the legislature before it was introduced. I need the same cooperation now.

I'll do what I can, but ultimately the responsibility lies with you. In 11 months, I'll be gone. You'll still be here. The new governor shouldn't have to deal with an under funded budget or no budget at all. This crisis must be solved before then.

I'm going to reserve final judgement until I hear all the voices of Kentucky. I urge you and the people to do likewise; because this is a difficult dilemma we find ourselves in. There is no easy answer. The political perils are on both sides of this crisis.

I have but one responsibility for the next eleven months; that is to be the best governor I can be. For the next three months, I offer to work with you to give you and the people of Kentucky the best advice I can offer.

We must commit ourselves to transferring to the next governor a government that has a budget which can fund the commitments that that government has made, whether those commitments are the commitments we have today, or the reduced commitments which will be necessary if we're to live with current revenue.

This should not be the problem of the next governor. It is our problem. It arose on my watch; and it should be solved on my watch. With your help, and the guidance of the people of Kentucky, we will solve it. We must solve it. Our people deserve no less!!!

As I close this, my last State of the Commonwealth Address, I again thank all the members of the General Assembly, current and past, who've strengthened me, challenged me, supported me, and made me a better governor. I've been enriched beyond measure by the experience of working with you.

And to the people of Kentucky, I'll be forever grateful for the confidence you have three times shown in me. Please know this: as your children and grandchildren take their place in the Commonwealth – going to school, entering college, going to work, raising a family – our work has been for them. Our legacy is what we tried to build on their behalf. And it is to them that I dedicate the entirety of my two administrations as governor.

Good night, God bless you, and God bless America.

The House of Representatives of the Commonwealth of Kentucky does hereby adjourn this legislative day in memory and honor of Dr. Margaret Lewis and joins with Representative Gregory D. Stumbo in expressing deepest sympathy to the Lewis Family and all who share in the loss on the passing of this fine and esteemed citizen who was serving as director of the Morehead State University at Prestonsburg center. Having come to Kentucky in July 1992 from North Lake College in Irving, Texas, to administer MSU's largest regional campus, this talented administrator held a doctorate in adult and higher education from the University of North Carolina at Chapel Hill. Recognized by her peers as an educator who was exceptionally devoted to improving the resources for the students whose educational opportunities she was dedicated to improving and facilitating, she is credited with being instrumental in getting a $6.6 million regional post secondary education center built on the Prestonsburg Community College campus. The community and this great Commonwealth have suffered a profound loss with her passing. Dr. Margaret Lewis will long be remembered for her outstanding contributions to Morehead State University's Prestonsburg center and for her generous and compassionate interactions with the students she served with such skill and vision. Done in Frankfort, Kentucky, this fourth day of February, in the year two thousand and three.

HR 58, A RESOLUTION adopting Rules of Procedure to govern the 2003 Regular Session of the House of Representatives.

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the following Rules of Procedure are adopted to govern the 2003 Regular Session of the House of Representatives:

Rule 1.Hours of Meeting. The House shall meet at times set by the Committee on Committees.

Rule 2.Quorum. A majority of the members elected to the House shall constitute a quorum. If a quorum is not present at the time fixed for a meeting of the House, five members may adjourn or recess from day to day or from time to time and fifteen members may order a call of the House and send for absent members.

Rule 3.Call of the House. Upon a call of the House, the Clerk shall call the roll. Absentees are then only noted, but no excuses shall be made until the full roll is called. The Clerk shall then call the absentees again. Excuses will be heard at this time. The doors of the House Chamber shall then be closed and the absentees not excused by the House may be sent for and arrested by the Sergeant-at-Arms and the House shall determine upon what conditions they shall be discharged from arrest. Members who voluntarily appear shall be immediately admitted to the floor of the House and names returned upon the Journal as present unless the House otherwise directs. Excuses for leaves of absence must receive a consent approval of two-thirds of the members elected.

ORDER OF BUSINESS

Rule 4.Order of Business. The order of business shall be as follows:

1. Invocation.
2. Pledge of Allegiance.
3. Roll Call.
4. Reading and Approval of the Journal.
5. Introduction and Reading of New Bills and Resolutions Introduced by Title and Sponsor.
6. Report of Reference of Bills to Committees.
7. Report of Committees.
8. First Reading of Bills.
9. Second Reading of Bills.
10. Orders of the Day.
11. Motions, Petitions and Communications.
12. Announcements.
13. Adjournment.

No more than 30 minutes shall be allotted to Motions, Petitions and Communications.

Rule 5.Unfinished Business. Unfinished business which was being considered upon adjournment shall have precedence in the class of business to which it properly belongs upon the next succeeding legislative day.

MOTIONS

Rule 6.Reading of Motions. When a motion has been made and seconded, it shall be stated by the Speaker, or, being in written form, it shall be read by the Clerk before debate, amendment or motion concerning it shall be in order.

Rule 7.Withdrawal of Motions. Every oral motion after it has been stated by the Speaker, and every written motion, bill, resolution or other paper, after it has been read by the Clerk, shall be the property and in the possession of the House and shall not be withdrawn without consent of the House. Every written motion, report or measure may be committed or recommitted at the pleasure of the House.

Rule 8.Order of Questions. All questions, whether in Committee of the Whole or in the House, when not privileged questions, shall be propounded in the order in which they were moved, except that in filling blanks the smallest sum and the most remote date shall be put first.

Rule 9.Precedence of Motions. When a question is under consideration, no motion shall be in order except:

1. To call the House when there is no quorum present.
2. To fix the time to which the House shall adjourn.
3. To adjourn.
4. To take recess.
5. To lay on the table.
6. For the previous question.
7. To limit or extend limits of debate.
8. To postpone to a fixed time.
9. To lay on the Clerk's desk.
10. To refer or commit.
11. To amend.
12. To postpone indefinitely.

The above several motions shall have precedence in the order in which they are arranged and the first seven of them shall not be debatable.

A second motion to adjourn, to take a recess, to lay on the table, for the previous question, to limit or extend limits of debate, to postpone to a time certain, to lay on the Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the same day, upon the same question, and at the same status unless other business intervenes; provided, however, that amendments may be made to the time to which it is proposed to adjourn, to take a recess or to postpone to a fixed time.

Rule 10. Motion to Adjourn. A motion to adjourn, to take a recess, or a motion to adjourn to a time certain, shall always be in order, except when a member is speaking, while a vote is being taken or when the Committee on Committees is reporting; subject, however, to the limitations set out in Rule 9. A motion to adjourn or a motion to adjourn to a time certain shall be taken by roll call vote, unless the motion is made after the House has reached adjournment in the order of business under Rule 4, in which case adjournment shall be by voice vote unless a roll call is ordered by a majority of the members.

Rule 11. Motion to Table. The adoption of the motion to table, under these rules, defeats the subject matter under consideration. The reconsideration of the motion to table shall require approval of a majority of the members elected.

Rule 12. Previous Question. The previous question may be ordered by a majority of the members elected. On the call of the roll, no member shall be allowed to speak more than three minutes to explain a vote and shall not speak at all if the question is not a debatable question. The effect of the previous question shall be to put an end to debate on any pending amendment; to prevent the offering of additional amendments and to bring the House to an immediate vote upon any amendment that has been called and is in order. Once the previous question has been ordered, and any pending amendment has been voted upon, the opponents of the measure shall have ten minutes, and proponents of the measure shall have ten minutes, before the vote upon the main question.

Rule 13. Motion to Set the Limits on Debate. A motion to set a time limit for debate on a measure, in excess of that permitted under Rule 12, shall be in order unless the previous question shall have been ordered on the measure. The time limit set for debate under this rule shall be allotted by the Speaker evenly between the opponents of the measure and the proponents of the measure. Adoption of a motion under this rule does not prevent the offering of additional amendments.

Rule 14. Motion to Reconsider. A motion to reconsider a vote shall not be in order unless made by a member who voted upon the prevailing side of the question, nor shall that motion be in order unless made within two legislative days in which the House is in session next after the date the vote was taken and the bill or resolution is in the possession of the House; however, the motion to reconsider when coupled with the additional motion to lay that motion upon the table may be made by any member. For purposes of this rule, a member who is recorded as "not voting" on a proposition which failed is considered to have voted on the prevailing side. Procedural motions, such as a motion to lay on the table or lay on the clerk's desk, shall not be subject to a motion to reconsider.

Rule 15. Motion to Lay on Clerk's Desk. The effect of the adoption of a motion to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending question and everything adhering to it. A motion laid on the Clerk's desk may be taken from the desk and proceeded with at any time in the same order as when laid on the Clerk's desk.

Rule 16. Motion to Strike Out Enacting Clause. A motion to amend by striking out the enacting words of a bill or resolution shall have precedence over a motion to amend; and, if adopted, shall have the same effect as though the bill or resolution were regularly voted upon and rejected.

Rule 17. Motion to Separate Part of a Measure. A motion to commit, recommit, or postpone a part of a measure so as to separate that part of the measure from the remainder shall not be in order.

Rule 18. Postponement of Measure. When a measure shall have been postponed indefinitely it shall not be in order again during the session.

Rule 19. Reading of Pending Papers. Any pending bill, resolution, motion or report shall be read upon the request of any member, with the concurrence of a majority of the members elected to the House, but it shall not again be read on the same day unless so ordered by the House.

Rule 20. Nominations. In all elections a previous nomination shall be made.

MEMBERS

Rule 21. Attendance of Members. No member shall *be* absent ~~[himself]~~from a session of the House without leave from the House.~~[Written request for leave of absence may be obtained from the Clerk of the House and shall be submitted to the Speaker. The request shall state thereon the member's excuse for obtaining the leave. No excuse for leave of absence shall be heard from the floor.]~~

Rule 22. Decorum of Members. No member shall designate another member by name.

Rule 22A. Point of Personal Privilege. To be in order, a point of personal privilege must relate to allegations regarding the rights, reputation, or conduct of a member personally, in the member's capacity as a representative, that, if true, would incapacitate them for membership. Members who have the floor after claiming a point of personal privilege shall confine themselves to defending their own rights, reputations, or conduct, and not those of other members. Members wishing to make general comments about pending legislation, media coverage, or other matters that would be out of order if raised as a point of personal privilege shall use Motions, Petitions, and Communications.

Rule 23. Call to Order. If any member, in speech or otherwise, transgresses the rules of order or decorum, the member shall immediately be called to order by the chair and shall be seated. The Clerk shall reduce the objectionable words to writing and read them to the House. After hearing a short explanation from the member called to order, or upon the withdrawal of the objectionable language, the Speaker may permit the member to proceed, or may compel silence upon the member until the matter is disposed of. The ruling of the chair shall be subject to an appeal to the House. A member offending the House shall be liable to censure.

Rule 24. Debate. No member may speak more than once to the same subject until all members desiring to be heard have spoken, but nothing in this rule shall do away with the previous question if then in effect, nor permit debate on an undebatable motion.

No member shall speak more than thirty minutes in the aggregate on any question or measure, at the end of which period, or any portion thereof, the floor shall be returned to the Speaker.

Rule 25. Members Shall Vote at Seats. A member shall vote only when at the member's seat or visibly approaching it.

OFFICERS AND EMPLOYEES

Rule 26. Duties of Speaker. The Speaker shall take the chair every day precisely at the hour fixed for the meeting of the House and on the appearance of a quorum, shall cause the Journal of the preceding day to be read, unless the reading of the same is dispensed with by the House.

The Speaker shall preserve decorum and order and, in the event of any disorder in the gallery or in the House Chamber, may cause the same to be cleared of any persons creating disturbances or disorders.

All writs, warrants, subpoenas or other processes shall be signed by the officer who may be presiding over the House when the paper is issued; and the presiding officer's signature shall be attested by the Clerk, when ordered by a majority of the members.

Rule 27. Appeal from Decision of Chair. The Speaker while presiding may speak to points of order in preference to members. The Speaker shall decide points of order and manner of procedure. If two or more members arise from their respective seats and address the chair, the Speaker shall determine who was first and recognize that member.

Any decision made by the Speaker shall be subject to appeal to the House. Every appeal shall be in writing and signed by at least two members. During the pendency of an appeal to the House from a decision of the chair, the Speaker shall vacate the chair and call the Speaker Pro Tempore to preside. When the Speaker Pro Tempore is presiding on an appeal to the House from a decision of the Chair, no motion or business shall be in order except the motion on appeal from the decision of the Chair, and that motion shall not be debatable.

Rule 28. Speaker Pro Tempore. The House shall elect a Speaker Pro Tempore. The Speaker Pro Tempore shall perform the duties of the Speaker when the Speaker is absent from the House or when empowered by the Speaker to perform the duties of the Chair.

Rule 29. Duties of Legislative Research Commission. The Legislative Research Commission shall have charge of all clerical, technical and procedural matters which relate to legislation including but not limited to: notification of committees of their appointment and business referred to them; keeping a calendar showing such bills as are entitled to their second reading each day, distinguishing between House and Senate bills; superintend the engrossing and enrolling of bills; and such other matters as are assigned by the Committee on Committees.

The Clerk shall read to the House papers ordered to be read; call the roll and note the answers of members when a question is taken by yeas and nays; assist the Speaker in taking the count when any vote of the House is taken; attest all writs, warrants and subpoenas issued by order of the House; certify to the passage of all bills and to the adoption of all joint and concurrent resolutions by the General Assembly; and make all reports to the Senate. The Clerk shall perform such other duties as are assigned by the Committee on Committees.

The Commission staff shall note upon the Journal all questions of order, together with the disposition of same, and the dates upon which all bills and resolutions were sent to committee and returned to the House. The House may correct errors in the Journal the day the Journal containing errors is presented to the House. No record which is in the hands of the Commission staff and is required by law to be entered upon the Journal of the House shall be copied by any person until same shall have been entered upon the Journal and that Journal shall have been approved.

Half an hour before the time fixed for the meeting of the House each day, the Commission staff shall be present at the Clerk's desk with the Journal of the preceding session for inspection of any member of the House.

The Journal for each day, as soon as it has been approved by the House, shall be delivered by the Commission staff to the public printer. The Commission staff shall proofread and index the Journal upon return from the printer and make necessary typographical corrections.

Rule 31. Custody of Papers. The Legislative Research Commission shall have custody of all records, minutes, reports, and documents pertaining to legislation, and shall not allow them to be taken from its possession without the leave of the House, unless to be delivered to the chair of a committee to which they have been referred. The Legislative Research Commission shall cause to be enclosed on bills and papers brief notes of proceedings had thereon by the House and preserve the same in convenient files for reference. ***The Director of the Legislative Research Commission shall implement a policy to provide for the maintenance and distribution of the records, papers, and bills of the legislative branch.***

Rule 32. Accounts of Expenditures. The Legislative Research Commission shall keep the accounts for pay and mileage of members, officers and attaches, and for printing and other contingent expenses of the House and Senate.

Rule 33. Printing of House Papers. The Legislative Research Commission shall have supervision and charge of all printing done for the House as certified by the Clerk and the public printer shall print only such documents and other matter as the Legislative Research Commission authorizes. The Clerk shall report to the Speaker every failure to execute printing work correctly and promptly.

Rule 34. Duties of the Sergeant-at-Arms. It shall be the duty of the Sergeant-at-Arms and the Doorkeeper to exclude or remove all persons not entitled to the floor of the House. One hour before convening of the House each day the Sergeant-at-Arms shall announce in a loud, distinct voice: "All persons not entitled to the floor of the House under the rules thereof will now vacate the House Chamber." The Sergeant-at-Arms shall then compel all persons who are not entitled to remain therein to leave the House Chambers and shall prohibit their entry until one hour after the House has adjourned.

The Rules Committee may refer any bill or resolution before it back to a standing committee. If a bill which includes incarceration as a possible penalty has been received by the Rules Committee from a standing committee other than the Committee on Judiciary, the bill shall be referred to the Committee on Judiciary. No bill or resolution shall be referred back by the Rules Committee on more than one occasion. All meetings of the Rules Committee shall be open to members of the House and to members of the media only. No electronic devices of any nature, including cameras and recording devices, shall be allowed in the committee room or to be used therein by any person while the Rules Committee is in session. The Majority Floor Leader shall while the Rules Committee is in session call bills and resolutions[~~ and shall call the same~~] for consideration by the Rules Committee. A bill or resolution may be placed for consideration in the first order of business at the next regular Rules Committee meeting by a majority of the membership voting for such consideration.

Each member shall be given an opportunity upon request to appear before the Rules Committee when a bill of which the member is a sponsor or co-sponsor is under consideration including the subsequent vote thereon. No measure shall be posted in the Orders of the Day for final passage except by order of the Rules Committee unless otherwise ordered posted for the next succeeding legislative day by a majority of the members voting. The Rules Committee shall arrange the Orders of the Day so that all measures shall appear thereon for the consideration of the House, but the Rules Committee may not place in the Orders of the Day any bill or other measure in the possession of a standing or special committee of the House. The Rules Committee, prior to each day's session, shall post a notice in a regular place in the House Chamber listing the bills to be considered that day in the Orders of the Day. Should the House not complete any day's Orders of the Day, the bills and resolutions remaining unconsidered shall go to the top of the Orders of the Day on the next day that Orders of the Day are considered.

The Speaker of the House shall ***be the***[~~ act as~~] Chair of the Rules Committee. The Majority Floor Leader of the House shall act for the Rules Committee in calling from the Orders of the Day any bills or resolutions in the order the Majority Floor Leader deems proper and shall be recognized by the Speaker for that purpose during all times that the Rules Committee is in charge of posting the Orders of the Day. The Speaker Pro Tempore shall act as chair in the absence of the Speaker.

Rule 42. Liaison Subcommittees: The Committee on Appropriations and Revenue shall be divided into the following six standing subcommittees of seven members each:

On the remaining two subcommittees, either three or four members shall be appointed by the Committee on Committees from the membership of one or more of the remaining standing committees of the House, and the remaining members shall be members of the Committee on Appropriations and Revenue designated by the chair of that committee. A member of the Committee on Appropriations and Revenue may, however, serve on no more than one standing subcommittee. The chair of each standing subcommittee shall be appointed by the chair of the Committee on Appropriations and Revenue from the membership of that committee on the particular standing subcommittee.

The liaison subcommittee members of a standing subcommittee shall have full voting authority in all matters before a standing subcommittee.

The Committee on Committees may assign the chair of a standing committee as an ex officio non-voting member of a standing subcommittee.

Rule 42A. Budget Review. The standing budget review subcommittees shall notify the membership of the standing substantive committees whose jurisdictional area will be affected by their action of any meetings or hearings and the members of the standing committees may participate as non-voting members.

When the budget review subcommittees have concluded their hearings and formulated their recommendations they shall communicate their recommendations to the affected standing committee or committees who may thereafter file a written response to the recommendations, which response shall be transmitted to the full Committee on Appropriations and Revenue with the subcommittee recommendations.

When the full Committee on Appropriations and Revenue has reported the final budget bill or bills to the floor, it shall notify the affected standing committees of the content of the budget relating to their areas of jurisdiction.

Any budget bill reported out of the Committee on Appropriations and Revenue shall be accompanied by a detailed explanation of modifications of the original budget. The Rules Committee shall not post for passage any budget bill less than five days after the bill has been finally reported out of committee.

Rule 43. Enrollment Committee. The Committee on Committees shall appoint an Enrollment Committee of not more than seven members. The Enrollment Committee shall be responsible for the engrossment and enrollment of bills and resolutions~~[under the Rules of this House]~~.

Rule 44. Conference Committees. When a House bill has been amended in the Senate and the House refuses to concur in the amendment, or when a Senate bill has been amended in the House and the Senate refuses to concur in the amendment and when neither will recede from that action, the Committee on Committees shall appoint a Conference Committee to meet a like committee from the Senate. The Conference Committee shall confer with the Senate Committee and report back to the House within a reasonable time, in the same manner as reports are made for House bills. The conference report shall make no recommendation other than agreement upon or rejection of the matter or matters in controversy, and shall be voted upon, and, if adopted the bill shall immediately be put upon its final passage.

Should a conference committee report its inability to submit a report, or if either house refuses to adopt its report, each house may appoint a free conference committee, consisting of three or more members. A free conference committee shall propose no new appropriation or any appropriation above the level originally designed by either chamber. The free conference report shall be voted on, and if adopted, the bill shall immediately be put upon its final passage.

A conference committee or free conference committee report shall be signed by a majority from each house or it shall not be in order.

Where both majority and minority conference or free conference reports are submitted, a motion to adopt the majority report shall first be considered and a motion to adopt a minority report shall not be in order unless a motion to adopt the majority report fails. Once the majority or minority report is adopted, the bill shall immediately be put upon its final passage.

Except for report of disagreement, the question of consideration of the report of a conference committee or a free conference committee shall not be in order on the same legislative day as distribution of copies of the report together with a staff analysis of the report to the members of the House.

Rule 44A. Majority and Minority Caucuses. The Majority Caucus of the House of Representatives shall consist of all House members of majority party affiliation. The Minority Caucus of the House of Representatives shall consist of all House members of minority party affiliation. The majority and minority caucuses of the House of Representatives shall be committees, other than standing committees, of the House of Representatives and General Assembly.

Rule 45. Meetings of Committees. No committee except the Committee on Committees, the Enrollment Committee and a Conference Committee between the House and the Senate shall sit while the House is in session, unless by consent of the House. The Committee on Committees and Enrollment Committee may report at any time except during roll call or while a vote is being taken.

The Committee on Committees, in conference with committee chairs, shall schedule a definite time and place for the regular weekly meetings of each committee, and that schedule shall be posted in the House Chamber and published in the Legislative Record. A committee shall meet at the regular weekly scheduled time and place so long as business is pending before the committee. The Chair or a majority of any committee may call a special meeting in addition to those regularly scheduled.

The Chair shall keep a record of the attendance of members at meetings, which record shall be filed with the Clerk.

The Director of the Legislative Research Commission, under the direction of the Committee on Committees, shall assign a secretary to each committee and provide any professional, clerical or other employees required by any committee.

The Committee on Committees shall meet on call of the Speaker or on call of a majority of the members of the Committee on Committees.

Rule 46. Committee Reports. No bill or resolution shall be considered by the House except on report of committee. A standing committee may report a bill or resolution in the following manner:

"With the expression of opinion that the same should pass," or

"With the expression of opinion that the same should pass, with the committee amendment attached thereto," or

"With the expression of opinion that the same should pass, with the committee substitute attached thereto," or

"With the expression of opinion that the same should not pass."

Rule 47. Standing and Special Committee Reports. It shall require a majority of the committee membership to report a bill or resolution. The chair shall keep a record of the vote of each member on the disposition of each bill, and shall report the total vote on each side to the House. The chair may sign reports on behalf of a majority of the committee members. The chair's signature shall attest to the action of a majority, but shall not be construed as the chair's personal approval or disapproval of the bill.

A committee report may be accompanied by a minority report, signed by those members who have dissented from the committee's report, and it shall be in order to move the adoption of the minority report as a substitute for the committee's report when the committee offers its report. It shall require a majority of the members elected to adopt the minority report. The committee's report shall always be read before the minority report is read. Where both majority and minority reports are submitted, a motion to adopt the majority report shall first be considered, and a motion to adopt a minority report shall not be in order unless a motion to adopt the majority report fails.

Rule 48. Discharge Petition. Whenever a committee fails or refuses to report within a reasonable time a bill submitted to it, a member may sponsor and file with the Clerk a written request, signed by twenty-five or more members, to call the same up for consideration on the next succeeding legislative day after the filing of the request. The effect of this petition shall be to bring before the House the question of whether the committee to which the bill has been assigned has held the bill for an unreasonable time. Upon the motion of the member sponsoring the request, and if a majority of the members elected to the House concur that the bill has been held an unreasonable time, the bill shall be considered as though it had been regularly reported, and sent to the Rules Committee.

Rule 49. Procedure in Committee. The rules of procedure in the House shall be observed in committee insofar as the same are applicable. The committee chair, or the committee by majority vote in a regularly called meeting, shall post at least three calendar days prior to their consideration the bills and resolutions to be considered by the committee at its next meeting, provided that no bill or resolution shall be posted by the chair or the committee by a majority vote unless and until a request for posting form has been filed with the committee chair or secretary and approved by the committee chair as containing satisfactory information. No measure shall be considered except those posted, unless the measure is one which has been recommitted to the same committee from which it was previously reported with a favorable expression. A list of the measures to be considered shall be filed with the Clerk at least three calendar days prior to the meeting. In the case of prefiled bills receiving a favorable expression from the interim joint committee to which they were assigned, posting by the chair or the committee shall occur during the first week of the session, and those bills may be considered by the appropriate committee during the first three weeks of the session. No posting request shall be required for those prefiled bills.

Rule 50. Form of Bills. All bills introduced shall be printed on the computerized bill preparation system of the Legislative Research Commission, and none otherwise prepared shall be accepted for introduction. Bills shall be offered as seven distinctly legible copies. Identical bills for introduction in the other chamber may be exact reproductions of original bill provided one copy is authenticated by the Director of the Legislative Research Commission as the original to be introduced in the other chamber. The original shall be the official bill, and shall be retained by the Legislative Research Commission staff for the use of the House until engrossed and sent to the Senate. A replacement original of a bill, generated pursuant to these Rules, shall thereafter be considered the original and official bill. One copy shall be used by committees; three copies shall be for the use of the media and shall be given to a person designated by the media; and one copy shall be retained by the Legislative Research Commission for its work file. Each copy shall be backed with a protective cover, as provided for this purpose by the Legislative Research Commission. The title of the bill, or a portion thereof, and the signature of the member introducing the bill shall be placed on each cover.

In all bills, as introduced and as printed, any new matter contained therein shall be underscored; and when an amendment proposes the[~~ omission or~~] elimination of matter in an existing law, that[~~ omission or~~] elimination shall be indicated on the bill by placing the material proposed to be eliminated in brackets, and by striking through the words to be [~~omitted or~~]eliminated with a single line so as not to render those words illegible. In any bill seeking to repeal existing sections of the Kentucky Revised Statutes, the sections sought to be repealed shall be identified by way of inclusion of the headnotes applied to each section as it appears in the Kentucky Revised Statutes. All bills recommending or reauthorizing a study by an interim committee, task force, or special committee of the Legislative Research Commission shall include the following language: "Provisions of this statute to the contrary notwithstanding, the Legislative Research Commission shall have the authority to alternatively assign the issues identified herein to an interim joint committee or subcommittee thereof, and to designate a study completion date." The Legislative Research Commission staff shall see that all bills introduced have been prepared through the computerized bill preparation system of the Legislative Research Commission.

Rule 51. Introduction of Bills. A member may introduce bills and resolutions by filing them with the House Clerk on the floor or in the Clerk's office at any time the office is open. The member filing the bill or resolution shall be the primary sponsor of the bill or resolution, and with the sponsor's permission, one member may sign the bill as primary co-sponsor. Other members may co-sponsor the bill or resolution only with the sponsor's permission and by filing the proper papers with the Clerk. A co-sponsor may withdraw co-sponsorship of the bill or resolution with or without the sponsor's permission by filing the proper papers with the Clerk. Bills and resolutions filed after the House has concluded the Introduction and Reading of New Bills, in Rule 4, Order of Business, shall be considered as having been introduced the next succeeding legislative day. The House Clerk shall number bills in the order received and transmit a copy immediately after introduction on the House floor to the Committee on Committees for reference to committee.

In a regular session in an even-numbered year, no bill or resolution having the force of law shall be introduced after the thirty-eighth legislative day of the session. In a regular session in an odd-numbered year, no bill or resolution having the force of law shall be introduced after the fourteenth legislative day of the session.

The last two legislative days preceding the veto recess shall be reserved by the House exclusively for the business of concurring in amended House bills.

Rule 52. **Fiscal Statement.** A sponsor of a bill which, if enacted, would affect the revenues or expenditures of state government generally, may at any time by request cause the staff of the Legislative Research Commission to analyze and prepare a fiscal statement for the measure. The staff of the Legislative Research Commission shall analyze and prepare a fiscal statement for any bill which, if enacted, would fiscally affect local governments through the imposition of a local mandate; constitute a mandated health benefit; ***change the financial liability of any public retirement system administered by an agency of state government;*** or fiscally affect state or local corrections services in a significant manner, including any bill which would modify or create a criminal penalty or otherwise affect the population of a correctional system or facility.

The chair of the committee to which a bill has been referred may require that a fiscal statement be attached to the bill prior to posting. The chair or a majority of the committee to which a bill has been referred may require that a fiscal statement be attached to the bill, or amendment thereof, prior to final committee action.

Members may require, by majority vote, that a fiscal statement be attached to any bill or amendment on the Orders of the Day relating to fiscal matters herein described. In that instance, the fiscal statement shall be attached to the bill, or amendment thereof, prior to final consideration of the bill on the floor of the House.

Rule 53. ***Fiscal Statements for Amendments.*** Any member proposing an amendment which relates to fiscal matters [~~herein~~]described ***in Rule 52*** may cause a fiscal statement to be prepared. A fiscal statement shall be considered a public document upon introduction of the bill or amendment for which it was prepared.[~~**Analysis of Administrative Regulation Promulgation Authority**. The sponsor of a bill which contains the authority for any agency, board, or political subdivision of state government to promulgate administrative regulations may at any time by request cause the staff of the Legislative Research Commission to prepare an analysis of the administrative regulation promulgation authority. The analysis shall include a summary of the measure, identification of governmental entities authorized to promulgate administrative regulations, and identification of subject matter for which administrative regulations may be promulgated. Any member proposing an amendment which relates to administrative regulation promulgation authority herein described may cause an analysis to be prepared. An analysis shall be considered a public document upon introduction of the bill or amendment for which it was prepared. The chairman of the committee to which a bill has been referred may require that the analysis be attached to the bill prior to posting. The chairman or a majority of the committee to which a bill has been referred may require that the analysis be attached to the bill, or amendment thereof, prior to final committee action. Members may require, by majority vote, that an analysis be attached to any bill or amendment on the Orders of the Day relating to administrative regulation promulgation authority herein described. In that instance, the analysis shall be attached to the bill, or amendment thereof, prior to final consideration of the bill on the floor of the House.~~]

Rule 54. **Reference of Bills.** The Committee on Committees shall refer all bills to the proper standing committee not later than the second day in which the House is in session after the date of introduction. When a House bill has been amended in the Senate and has been returned to the House for concurrence in the amendment, it shall be referred to the Rules Committee. In these instances, the Clerk shall distribute copies of the bill and its proposed amendment to each member of the Rules Committee. The Rules Committee may post these bills to the Orders of the Day for consideration of the amendment, and final passage, giving precedence to these bills over all other matters posted. When bills with amendments for concurrence are reached in the Orders of the Day, the Speaker shall first put the question of concurrence in the amendment, whereupon if that is favorable, the bill shall be put immediately upon its final passage. Bills originating in and passed by the Senate when reported to the House shall be referred to the Committee on Committees and shall take the same course as other bills.

[~~**Retention of Administrative Regulation Promulgation Authority Analyses.** The Director of the Legislative Research Commission shall cause analyses prepared pursuant to Rule 53 to be filed for informational purposes with the Administrative Regulations Compiler of the Legislative Research Commission.~~]

Rule 55. **Printing of Bills.** Upon receipt of a bill, the Legislative Research Commission shall examine the form of the bill to ensure that it is free from errors of form or typography and has been assigned the proper KRS section or chapter numbers. If a formal change is necessary the Commission shall request the sponsor of the bill to sign a form approving the specified changes. If a bill is found to be correct, or corrections have been approved, the Commission shall authorize its printing.

The Legislative Research Commission shall have printed at least 200 copies of each bill or resolution carrying the force and effect of law introduced in the House and of each bill or resolution carrying the force and effect of law acted on by the Senate and reported to the House. Bills shall be printed in the order in which they are introduced and shall be distributed to members immediately upon receipt from the printer.

Rule 56. **Readings of Bills.** If a bill be reported with the expression of opinion that it should not pass, a vote may then be taken on whether it shall be read at length and be placed on the Calendar, if a majority of the members elected to the House shall concur therein. When reported favorably by the committee, the bill shall then be given its first reading at length and shall be placed by the Commission staff upon the Calendar to be kept by the staff, and shall then be entitled to its second reading the next succeeding legislative day.

Every bill shall be read at length on three different legislative days; but the second and third readings thereof at length may be dispensed with by a majority of all the members elected to the House and the bill read by its title.

Rule 57. Calendar; Consent Calendar. (1) In order to reduce the time required for final passage of bills posted in the Orders of the Day, a consent procedure for the consideration of uncontested bills shall be established and designated as follows:

(a) The Commission staff shall keep a Regular Calendar and a Consent Calendar for each legislative day showing the bills receiving their second reading.

(b) The Commission staff shall also keep a Regular Orders and a Consent Orders showing bills posted for final passage by the Rules Committee.

(2) Bills reported by a Standing Committee with a regular "should pass" or "should pass with committee amendment/substitute attached" recommendation shall be shown in the Regular Calendar on the day on which they are entitled to a second reading.

(3) A Standing Committee may at the time of favorably reporting any House or Senate Bill, recommend that it be placed in the Consent Calendar provided:

(a) The primary sponsor has so requested when it is a House Bill, and

(b) The bill receives a "should pass" or "should pass with committee amendment/substitute attached" recommendation from the committee by a unanimous vote of the members present.

Any House or Senate Bill thus reported shall be first placed in the Consent Calendar on the day on which it is entitled to a second reading and shall continue to be shown in that Calendar until taken therefrom by the Rules Committee and posted in the Consent Orders. Bills receiving a second reading should be so designated to distinguish them from bills which have already received their second reading.

(4) A certificate shall be attached to each bill recommended for the Consent Calendar showing the request of the sponsor of any House Bill, and the unanimous recommendation of the members present signed by the Chair.

(5) After a sufficient number of bills have accumulated in the Consent Calendar, the Rules Committee may post any or all of those bills to the Consent Orders for a day certain. On that day, the Consent Orders shall be called before the Regular Orders.

(6) Upon the call of the Consent Orders each bill in those Orders shall be given a third reading by title only. The Speaker shall then allow a reasonable time for questions from the floor and any explanation necessary by the sponsor or committee chair. Consent Order bills may not be amended from the floor.

(7) The Commission staff shall attach a roll call to each bill in the Consent Calendar and any member may at any time prior to passage of the Consent Orders record with the Commission staff a "nay" or "pass" vote on any bill within the Consent Calendar or Consent Orders.

(8) Upon the call for the question on the Consent Orders, the Speaker shall instruct the Commission staff to announce the "nay" and "pass" votes previously filed on each bill in the Consent Orders. All other members present in the chamber on the day and at the time the Consent Orders are called shall be considered as having voted "aye" and the roll call attached to each bill shall so reflect as the final vote.

(9) Upon the written petition of any five members objecting to the placement or retention of any bill in the Consent Calendar or Consent Orders, the bill shall cease to be so considered and shall be placed in the Regular Calendar or Regular Orders as provided in these rules.

Rule 58. Orders of the Day. When a bill has had its second reading it shall be placed in the Orders of the Day, or be recommitted, and when next reached in the House it shall be ready for recommitment, or to be read a third time and placed upon its passage, and the Speaker shall so announce to the House.

A bill may be recommitted or amended in accordance with these rules at any time before its passage. Bills shall be placed in the Orders of the Day in the order in which they have been given their first reading, and shall be taken therefrom in accordance with Rule 41. When a House bill is in the Orders of the Day, it shall be in order on motion of the author to substitute for it an identical Senate bill which is in the Calendar of the House.

No bill shall be taken from the Orders of the Day unless it shall have been printed and previously distributed to members.

Rule 59. Final Passage. When a House bill has been amended in the Senate and the House has concurred in the amendment, or a Senate bill has been amended in the House, but the Senate refuses to concur, and the House recedes from its amendment, the bill shall immediately be placed upon its passage.

Rule 60. Amendments to Bills. All amendments offered shall be on sheets with a proper heading printed in black, furnished by the Commission staff, and shall bear the signature of the members offering the same. An amendment prepared for one member but signed by another shall be considered the amendment of the member signing the amendment. All amendments shall give the proper page and line of the printed bill. An original and six copies of each amendment shall be introduced. No amendment shall be in order that is not germane to the matter under consideration and unless it shall have been printed and previously distributed by the Clerk to members at least one legislative day prior to consideration of the bill or resolution; and the Speaker, when the question is raised, shall rule as to the admissibility of the proposed amendment, subject to appeal to the House.

Any amendment to a bill under consideration containing the substantial text of the language of any other bill introduced during the session shall require for its consideration the affirmative vote of a majority of the members of the House. The commission staff shall cause those amendments to be identified when the bill proposed to be amended thereby is posted on the Orders of the Day. When a question is raised as to the identity of the proposed amendment containing the substantial text of any other bill introduced during the session, the Speaker shall rule thereon, subject to appeal to the House.

A committee substitute, upon its adoption, shall be considered as the original bill for purposes relating to the permissible degree of further amendment of the bill.

A proposal to amend the title of a bill shall be by separate title amendment. The question of adoption of an offered title amendment for a bill shall be presented to the body immediately after adoption of the bill.

A proposal to amend the Constitution of Kentucky shall be introduced as a bill, and no such proposal shall be in order if it is offered as an amendment to any bill.

If a proposed floor amendment to a branch budget bill will result, if adopted, in a loss of revenues or an increase in expenditures for a budget unit, the amendment shall specify by budget unit the amount and source of funds that will offset the loss of revenues or specify the budget unit or other source of funds that will support the increased expenditures. If a budget unit or other source of funds is specified, the amendment shall include all necessary language to effect the changes. It shall be out of order for a floor amendment to a branch budget bill to: (a) specify in general language that funds to support the change shall come from broadly defined sources, such as the budget of a particular cabinet, branch of government, or multiple unrelated budget units, unless the effect on each of these is specifically defined by program and amount; (b) require or permit any other branch or unit of government to determine which specific programs would be affected; or (c) reduce the Budget Reserve Trust Fund.

Rule 61. Engrossment of Bills. Every House bill and joint resolution, together with the amendments thereto, which has been passed by the House and not subject to further amendment or motion, shall be engrossed by the Commission staff. The Clerk shall endorse thereon the day of passage or adoption. The bill shall be delivered to the Senate in open session by the Clerk or someone designated by the Clerk, and Senate concurrence asked therein. A like procedure shall be observed toward Senate bills.

When engrossing a bill, the Commission staff may incorporate amendments by means of typing or by generating a replacement original of the bill through computerized process.

Rule 62. Enrollment of Bills. All House bills and resolutions which have passed both the Senate and the House shall be delivered by the Commission staff to the Enrolling Clerk, taking a receipt therefor, in the order in which passed. The Commission staff shall keep the number and title of all bills and joint and concurrent resolutions carrying the force and effect of law, passed by the House of Representatives and the Senate in a suitable record book attesting the fact and date of passage.

If a bill which originates in the House is amended by the Senate and the House concurs in the amendments proposed and adopted by the Senate, the Commission staff shall engross those amendments in the original copy of the bill by typing or may generate a replacement original copy of the House bill through computerized process, before delivering the bill to the Enrolling Clerk of the House.

In cases of extreme emergency and during the last three days prior to sine die adjournment, where no correct printed copy can be produced, the Enrolling Clerk may enroll the bill or resolution by typing the same.

The original bill or resolution or replacement therefor, if applicable, and an enrolled copy shall be delivered to the Committee on Enrollment. The Enrolling Clerk shall certify that each is in the exact form as finally passed prior to their delivery. The Committee on Enrollment and the Enrolling Clerk shall jointly compare the original bill with the enrolled copy, and if the enrollment is ascertained to be correctly done, the Committee shall report the same to the House. If any bill or resolution is found not correctly enrolled, it shall be returned to the Enrolling Clerk to be properly enrolled and delivered to the Committee on Enrollment as is first provided herein.

Rule 63. Signing of Bills. Each citation shall be prepared in single copy on an artistically designed form, suitable for framing, shall bear the signature of the sponsor and the name of the person or event cited, and upon adoption shall be spread at length upon the Journal. Any time these rules require a roll-call vote, or a yea and a nay vote of the members, that vote may be taken by either a voice roll call or the electrical voting system, as ordered by the Speaker.

The Speaker, before each roll-call vote is taken, shall instruct the Clerk to sound the warning chimes installed in that part of the Capitol assigned to the use of the House.

During a roll call any one member, with a second, may request and be afforded a delay of two minutes prior to the closing of the roll. Only one such motion shall be observed during any one roll call.

The Speaker shall recognize any member who rises for the purpose of explaining a vote. No member shall be allowed to speak more than three minutes to explain a vote, and shall not speak at all if the question is not a debatable question.

When sufficient time has been allowed the members to vote and to explain their vote, the Speaker shall announce: "Have all voted?" "Does anyone desire to change their vote?" And after sufficient pause shall lock the roll call system and instruct the Clerk to record the vote. It shall be the responsibility of each member to determine the accuracy of the member's individual vote as registered opposite the member's name on the electrical roll call board and advise the Speaker of any desired change before the roll call system is locked.

The Clerk shall immediately start the recording equipment, and when completely recorded, shall present the result to the Speaker who shall announce same to the House. The Clerk shall enter upon the Journal the result in the manner provided by the rules of the House.

At the same time the vote is recorded by the electric recording equipment an original and five duplicate roll call sheets shall be made showing the vote, two of which duplicates shall be for use of the press, and one copy shall be furnished to the Legislative Research Commission.

Rule 68. Voting for Others Prohibited. No member shall vote for another member, nor shall any person not a member cast a vote for a member. In addition to any penalties as may be prescribed by law, any member who shall vote or attempt to vote for another member may be punished in a manner as the House may determine. If a person not a member shall vote or attempt to vote for any member, that person shall be barred from the floor of the House for the remainder of the session and may be further punished in any manner as the House may deem proper, in addition to the punishment as may be prescribed by law.

This rule shall not be construed to prohibit the use of the corridors or passages in going to and from the House gallery by any person.

This material shall not be distributed unless the party interested in the distribution of the material is clearly and physically identified on the material to be distributed. All this material shall conform to accepted public taste, shall contain no matter appealing to prurient interest or without redeeming social value, and shall uphold the dignity of the legislative process. Material originating from the general public shall be delivered to the administrative offices of the Legislative Research Commission or the Clerk of the House and shall upon direction of the Clerk, after inspection, be placed on the members' desk in the Capitol Annex provided the following conditions are met:

(2) If several pages or items are to be provided to each member, they should be securely fastened or placed together in an envelope; and

(3) Sufficient copies of all material should be provided; staff shall not make additional copies of material.

Material that may be distributed by the Clerk in the House Chamber is restricted to official communications relating to pending legislation or the operation of the House, material sent by a member clearly identified on the face of the material or its attachments to any other member, or other material as designated by the Speaker's Office. The Sergeant-at-Arms shall be charged with the duty of ensuring that no individual other than employees of the House under the direction of the Clerk or House members shall cause materials of any nature to be distributed in the House Chamber. Questions as to the propriety of materials shall be referred to the Committee on Committees for resolution. Any material distributed by unauthorized individuals shall be collected from the members' desks and treated as litter, and any material submitted but not distributed that is unclaimed after one week shall be discarded. Material which is received via e-mail or received on diskette with a request for distribution electronically by LRC staff shall be refused or returned to the sender. Nothing in this rule restricts the right of any person to communicate directly with any member, either electronically or through the United States mail.

The provisions of any other law notwithstanding:

(1) The head of each of the three (3) branches of government shall include in the branch budget recommendation and in the draft branch budget bill for his branch submitted to each even-numbered-year regular session of the General Assembly pursuant to KRS 48.130, for the biennium period beginning July 1, 1994, and for each biennium thereafter, a recommended state capital projects program and a recommended program for the purchase of major items of equipment.

(2) The recommended capital construction program shall include:

- (a) A complete list and summary description of each specific capital construction project recommended for funding during the biennium; and
- (b) For each project:
  1. The agency and purpose for which it will be used;
  2. The justification for the project;
  3. Its estimated completion date;
  4. The total estimated cost of completing the project;
  5. The estimated cost of the project during the biennium;
  6. The recommended sources of funds for the entire project; and
  7. The dollar amounts recommended for appropriation and the dollar amounts, listed by source, that are anticipated from every other source of funds for the biennium.

  If the recommendation includes a project that is to be constructed over multiple bienniums, the recommendation shall clearly describe the work and associated costs for each biennium. The recommendation shall specify that if future amounts for the project are not provided the amount recommended for the current biennium is sufficient to complete an independently functional project, and shall describe how that project addresses needs of the user agency.

(3) All information required by subsection (2) of this section shall be included in each branch budget recommendation. Each branch budget bill shall contain only a complete list of the specific capital construction projects recommended for funding during the biennium and, for each project, the information specified in subparagraphs 5., 6., and 7. of subsection (2)(b) of this section.

(4) A report which details the effect of recommended new debt on the debt position of the Commonwealth shall be submitted at the same time the recommended capital program is submitted. Information shall be presented separately, and in total, for the general fund, the road fund, and for any affected restricted fund account.

(5) Information in the report shall include, but not be limited to, the following:

- (e) The sum of debt service on existing appropriation-supported debt and debt service on recommended new appropriation-supported debt, as a percent of estimated state total personal income; and
- (f) The sum of existing appropriation-supported debt and recommended new appropriation-supported debt, as a percent of estimated state total personal income.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 148.855 is amended to read as follows:

(1) The secretary of the Tourism Development Cabinet shall establish standards for the making of applications for inducements and the recommendation to the authority of eligible companies and their tourism attraction projects by the promulgation of administrative regulations in accordance with KRS Chapter 13A.

(2) The secretary of the Tourism Development Cabinet shall consult with the authority when establishing standards to ensure that standards established pursuant to subsection (1) of this section and KRS 148.857(1) do not conflict.

(3) With respect to each eligible company making an application to the secretary of the Tourism Development Cabinet for inducements, and with respect to the tourism attraction project described in the application, the secretary of the Tourism Development Cabinet shall make inquiries and request materials of the applicant that shall include, but not be limited to, marketing plans for the project that target individuals who are not residents of the Commonwealth; a description and location of the project; capital and other anticipated expenditures for the project that indicate that the total cost of the project shall exceed one million dollars ($1,000,000) and the anticipated sources of funding therefor; the anticipated employment and wages to be paid at the project; business plans which indicate the average number of days in a year in which the project will be in operation and open to the public; and the anticipated revenues and expenses generated by the project. If the tourism attraction project is an entertainment destination center, the sales tax refund shall be dedicated to a public infrastructure purpose that shall relate to the tourism attraction project and shall be approved by the secretary of the Tourism Development Cabinet. The applicant shall submit the public infrastructure purpose with its application. Based upon a review of these materials, if the secretary of the Tourism Development Cabinet determines that the eligible company and the tourism attraction project may reasonably satisfy the criteria for final approval in subsection (4) of this section, then the secretary of the Tourism Development Cabinet may submit a written request to the authority requesting that the authority consider a preliminary approval of the eligible company and the tourism attraction project.

(4) After receiving a preliminary approval by the authority, the secretary of the Tourism Development Cabinet shall engage the services of a competent consulting firm to analyze the data made available by the eligible company and to collect and analyze additional information necessary to determine that, in the independent judgment of the consultant, the tourism attraction project:

(b) Shall have costs in excess of one million dollars ($1,000,000);

(c) Shall have a significant and positive economic impact on the Commonwealth considering, among other factors, the extent to which the tourism attraction project will compete directly with existing tourism attractions in the Commonwealth and the amount by which increased tax revenues from the tourism attraction project will exceed the credit given to the approved company;

(d) Shall produce sufficient revenues and public demand to be operating and open to the public for a minimum of one hundred (100) days per year; and

(e) Shall not adversely affect existing employment in the Commonwealth.

(5) ***The independent consulting firm shall consult with the authority, the Office of the State Budget Director, the Finance and Administration Cabinet, and the Revenue Cabinet in the development of a report on the proposed tourism attraction project. The Office of the State Budget Director, the Finance and Administration Cabinet, and the Revenue Cabinet shall agree as to the methodology to be used and assumptions to be made by the independent consultant in preparing its report. On the basis of the independent consultant's report and prior to any approval of a project by the authority, the Office of the State Budget Director, the Finance and Administration Cabinet, and the Revenue Cabinet shall certify to the authority whether there is a projected net positive economic impact to the Commonwealth and the expected amount of incremental state revenues from the project. Approval shall not be granted if it is determined that there is no projected net positive economic impact to the Commonwealth.***

(6) The eligible company shall pay for the cost of the consultant's report and shall cooperate with the consultant and provide all of the data that the consultant deems necessary to make its determination under subsection (4) of this section.

(7)[~~(6)~~] After a review of relevant materials, the consultant's report, and completion of other inquiries, the secretary of the Tourism Development Cabinet shall, by written notification to the authority, provide a recommendation to the authority regarding final approval of the tourism attraction project.

of this subsection. In no event shall the completion date be more than six (6) years from the date of final approval. The extension provided for in this paragraph shall be subject to the following conditions:

1. *The approved company shall have spent or have contractually obligated to spend an amount equal to or greater than the amount of approved costs set forth in the initial agreement;*

3. *The scope of the entertainment destination center, as set forth in the initial agreement, shall not be altered to include new or additional entertainment and leisure options*.

Each teacher scholarship shall be evidenced by a promissory note that requires repayment or cancellation pursuant to subsection (6) of this section.

(4) Kentucky residents who are United States citizens and enrolled or accepted for enrollment in an eligible program of study on a full-time basis at a participating institution shall be eligible to apply for and be awarded teacher scholarships. (8) Failure to meet repayment obligations imposed by this section shall be cause for the revocation of a person's teaching certificate, subject to the procedures set forth in KRS 161.120.

(9) All moneys repaid to the authority under this section shall be added to the appropriations made for purposes of this section, and the funds and unobligated appropriations shall not lapse.

If funds are insufficient to make all requested renewal scholarships to eligible applicants, the authority shall reduce all scholarship awards to the extent necessary to provide scholarships to all qualified renewal applicants. If, after awarding all eligible renewal applicants, funds are not depleted, initial applications shall be ranked according to regulatory selection criteria, which may include expected family contribution and application date, and awards shall be made to highly qualified

(4) The Department of State Police shall deny, suspend, or revoke a license to carry a concealed deadly weapon upon written notice by the Cabinet for Families and Children that the person has a child support arrearage which equals or exceeds the cumulative amount which would be owed after one (1) year of nonpayment, or for failure, after receiving appropriate notice, to comply with a subpoena or warrant relating to paternity or child support proceedings.

(5) The application for a permit, or renewal of a permit, to carry a concealed deadly weapon shall be obtained from the office of the sheriff in the county in which the person resides. The completed application and all accompanying material plus an application fee or renewal fee, as appropriate, of sixty dollars ($60) shall be presented to the office of the sheriff of the county in which the applicant resides. A full-time or part-time peace officer who is currently certified as a peace officer by the Kentucky Law Enforcement Council who is authorized by his or her employer or government authority to carry a concealed deadly weapon at all times and all locations within the Commonwealth pursuant to KRS 527.020 or a retired peace officer who is a member of the Kentucky Employees Retirement System, State Police Retirement System, County Employees Retirement System, or other retirement system operated by or for a city, county, or urban-county in Kentucky shall be exempt from paying the application or renewal fees. (c) A statement that the applicant has been furnished a copy of this section and is knowledgeable about its provisions;

(d) A statement that the applicant has been furnished a copy of, has read, and understands KRS Chapter 503 as it pertains to the use of deadly force for self-defense in Kentucky; and

(e) A conspicuous warning that the application is executed under oath and that a materially false answer to any question, or the submission of any materially false document by the applicant, subjects the applicant to criminal prosecution under KRS 523.030.

(6) The applicant, if a resident of the Commonwealth, shall submit to the sheriff of the applicant's county of residence:

(a) A completed application as described in subsection (5) of this section;

(a) Issue the license; or

(b) Deny the application based solely on the grounds that the applicant fails to qualify under the criteria listed in subsection (2) or (3) of this section. If the Department of State Police denies the application, it shall notify the applicant in writing, stating the grounds for denial and informing the applicant of a right to submit, within thirty (30) days, any additional documentation relating to the grounds of denial. Upon receiving any additional documentation, the Department of State Police shall reconsider its decision and inform the applicant within twenty (20) days of the result of the reconsideration. The applicant shall further be informed of the right to seek de novo review of the denial in the District Court of his place of residence within ninety (90) days from the date of the letter advising the applicant of the denial.

(8) The Department of State Police shall maintain an automated listing of licenseholders and pertinent information, and this information shall be available on-line, upon request, at all times to all Kentucky law enforcement agencies. Except as provided in this subsection, information on applications for licenses, names and addresses, or other identifying information relating to license holders shall be confidential and shall not be made available except to law enforcement agencies. Requests for information to be provided to any requester other than a bona fide law enforcement agency which has direct access to the Law Enforcement Information Network of Kentucky shall be made, in writing, directly to the commissioner of the Department of State Police, together with the fee required for the providing of the information. The Department of State Police shall, upon proper application and the payment of the required fee, provide to the requester in hard copy form only, a list of names of all holders in the Commonwealth of a license to carry a concealed deadly weapon. No identifying information other than the name shall be provided, and information for geographic areas or other subdivisions of any type from the list shall not be provided and shall be confidential. The fee to be charged shall be the same as for other public records provided by the Department of State Police. No request for lists of local or statewide permit holders shall be made to any state or local law enforcement agency, peace officer, or other agency of government other than the Department of State Police, and no state or local law enforcement agency, peace officer, or agency of government, other than the Department of State Police, shall provide any information not entitled to it by law. The names of all persons, other than law enforcement agencies and peace officers, requesting information under this section shall be a public record.

(9) Within thirty (30) days after the changing of a permanent address, or within thirty (30) days after the loss or destruction of a license, the licensee shall notify the Department of State Police of the loss or destruction. Failure to notify the Department of State Police shall constitute a noncriminal violation with a penalty of twenty-five dollars ($25) payable to the clerk of the District Court. When a licensee makes application to change his or her residence address or other information on the license, neither the sheriff nor the Department of State Police shall require a surrender of the license until a new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff.

(10) If a license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of fifteen dollars ($15) to the Department of State Police, obtain a duplicate, upon furnishing a notarized statement to the Department of State Police that the license has been lost or destroyed.

(11) A license issued under this section shall be suspended or revoked if the licensee becomes ineligible to be issued a license under the criteria set forth in subsection (2)(a), (c), (d), (e), (f), or (h) of this section. When a domestic violence order or emergency protective order is issued pursuant to the provisions of KRS Chapter 403 against a person holding a license issued under this section, the holder of the permit shall surrender the license to the court or to the officer serving the order. The officer to whom the license is surrendered shall forthwith transmit the license to the court issuing the order. The license shall be suspended until the order is terminated, or until the judge who issued the order terminates the suspension prior to the termination of the underlying domestic violence order or emergency protective order, in writing and by return of the license, upon proper motion by the license holder. Subject to the same conditions as above, a peace officer against whom an emergency protective order or domestic violence order has been issued shall not be permitted to carry a concealed deadly weapon when not on duty, the provisions of KRS 527.020 to the contrary notwithstanding.

(12) Not less than ninety (90) days prior to the expiration date of the license, the Department of State Police shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of State Police. The licensee may renew his license on or before the expiration date by filing with the sheriff of his county of residence the renewal form, a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3) of this section, and the required renewal fee. The license shall be renewed to a qualified applicant upon receipt of the completed renewal application and appropriate payment of fees. When a licensee makes application for a renewal of his or her license, neither the sheriff nor the Department of State Police shall require a surrender of the license until the new license is in the office of the applicable sheriff and available for issuance. Upon the issuance of a new license, the old license shall be destroyed by the sheriff. A licensee who fails to file a renewal application on or before its expiration date may renew his license by paying, in addition to the license fees, a late fee of fifteen dollars ($15). No license shall be renewed six (6) months or more after its expiration date, and the license shall be deemed to be permanently expired six (6) months after its expiration date. A person whose license has permanently expired may reapply for licensure pursuant to subsections (5), (6), and (7) of this section.

(13) ***Except as provided in Section 3 of this Act,*** no license issued pursuant to this section shall authorize any person to carry a concealed firearm into:

(a) Any police station or sheriff's office;

(b) Any detention facility, prison, or jail;

(c) Any courthouse, solely occupied by the Court of Justice courtroom, or court proceeding;

(d) Any meeting of the governing body of a county, municipality, or special district; or any meeting of the General Assembly or a committee of the General Assembly, except that nothing in this section shall preclude a member of the body, holding a concealed deadly weapon license, from carrying a concealed deadly weapon at a meeting of the body of which he is a member;

(e) Any portion of an establishment licensed to dispense beer or alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to that purpose;

(f) Any elementary or secondary school facility without the consent of school authorities as provided in KRS 527.070, any child-caring facility as defined in KRS 199.011, any day-care center as defined in KRS 199.894, or any certified family child-care home as defined in KRS 199.8982, except however, any owner of a certified child-care home may carry a concealed firearm into the owner's residence used as a certified child-care home;

(g) An area of an airport to which access is controlled by the inspection of persons and property; or

(h) Any place where the carrying of firearms is prohibited by federal law.

(14) The owner, business or commercial lessee, or manager of a private business enterprise, day-care center as defined in KRS 199.894 or certified or licensed family child-care home as defined in KRS 199.8982, or a health-care facility licensed under KRS Chapter 216B, except facilities renting or leasing housing, may prohibit persons holding concealed deadly weapon licenses from carrying concealed deadly weapons on the premises and may prohibit employees, not authorized by the employer, holding concealed deadly weapons licenses from carrying concealed deadly weapons on the property of the employer. If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

(a) No concealed deadly weapon instructor trainer shall have his or her certification as a concealed deadly weapon instructor trainer reduced to that of instructor or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

(b) No concealed deadly weapon instructor shall have his or her certification as a concealed deadly weapon instructor license suspended or revoked except after a hearing conducted pursuant to KRS Chapter 13B in which the instructor is found to have committed an act in violation of the applicable statutes or administrative regulations;

(c) Each concealed deadly weapon instructor or instructor trainer shall notify the Department of Criminal Justice Training not less than fourteen (14) days prior to the beginning of concealed deadly weapon applicant or concealed deadly weapon instructor training of the time, date, and location at which the class will be conducted. The department, upon the request of a firearms instructor trainer or certified firearms instructor, may permit a class to begin on less than fourteen (14) days' notice. The notice need not contain the names of the students. The notice may be made by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the application. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(d) Each concealed deadly weapon instructor or instructor trainer who teaches a concealed deadly weapon applicant or concealed deadly weapon instructor class shall supply the Department of Criminal Justice Training with a class roster indicating which students enrolled but did not successfully complete the class, and which students enrolled and successfully completed the class which contains the name and address of each student, within five (5) working days of the completion of the class. The information may be sent by mail, facsimile, e-mail, or other method which will result in the receipt of or production of a hard copy of the information. The postmark, facsimile date, or e-mail date shall be considered as the date on which the notice was sent;

(e) An instructor trainer who assists in the conduct of a concealed deadly weapon instructor class or concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her certification. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon instructor or concealed deadly weapon class;

(f) An instructor who assists in the conduct of a concealed deadly weapon applicant class for more than two (2) hours shall be considered as to have taught a class for the purpose of maintaining his or her license. All class record forms shall include spaces for assistant instructors to sign and certify that they have assisted in the conduct of a concealed deadly weapon class;

(g) If the Department of Criminal Justice Training believes that a firearms instructor trainer or certified firearms instructor has not in fact complied with the requirements for teaching a certified firearms instructor or applicant class by not teaching the class as specified in KRS 237.126, or who has taught an insufficient class as specified in KRS 237.128, the department shall send to each person who has been listed as successfully completing the concealed deadly weapon applicant class or concealed deadly weapon instructor class a verification form on which the time, date, date of range firing if different from the date on which the class was conducted, location, and instructor of the class is listed by the department and which requires the person to answer "yes" or "no" to specific questions regarding the conduct of the training class. The form shall be completed under oath and shall be returned to the Department of Criminal Justice Training not later than thirty (30) days after its receipt. Failure to complete the form, to sign the form, or to return the form to the Department of Criminal Justice Training within the time frame specified in this section or who, as a result of information on the returned form, is determined by the Department of Criminal Justice Training, following a hearing pursuant to KRS Chapter 13B, to not have received the training required by law shall be grounds for the Department of State Police to revoke the person's concealed deadly weapon license, following a hearing conducted pursuant to KRS Chapter 13B, at which hearing the person is found to have violated the provisions of this section or who has been found not to have received the training required by law;

(h) The department shall randomly inspect certified firearms instructor classes being conducted by firearms instructor trainers and shall randomly inspect applicant classes being conducted by firearms instructor trainers or certified firearms instructors to ascertain if the class is being conducted in conformity to the provisions of applicable statutes and administrative regulations and that the paperwork in the class matches the paperwork ultimately submitted by the firearms instructor trainer or certified firearms instructor for that same class. The department shall annually, not later than December 31 of each year, report to the Legislative Research Commission:

1. The number of random inspections;
2. The results of those inspections;
3. The number of deficiencies noted;
4. The nature of the deficiencies noted;
5. If a deficiency was noted, the categories of action taken by the department to either correct the deficiency or discipline the instructor, or a combination thereof;
6. The number of firearms instructor trainers and certified firearms instructors whose certifications were suspended, revoked, denied, or who were otherwise disciplined;
7. The reasons for the imposition of suspensions, revocations, denials, or other discipline; and
8. Suggestions for improvement of the concealed deadly weapon applicant training program and instructor process;

(i) If a concealed deadly weapon license holder is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon license shall be forthwith revoked by the Department of State Police as a matter of law;

(j) If a concealed deadly weapon instructor or instructor trainer is convicted of, pleads guilty to, or enters an Alford plea to a felony offense, then his or her concealed deadly weapon instructor certification or concealed deadly weapon instructor trainer certification shall be revoked by the Department of Criminal Justice Training as a matter of law; and

(k) The provisions of this section shall be deemed to be retroactive to March 1, 2002, and the following shall be in effect:

1. Action to eliminate the firearms instructor trainer program as done by emergency administrative regulation is rescinded, the program shall remain in effect, and no firearms instructor trainer shall have his or her certification reduced to that of certified firearms instructor;
2. The Kentucky State Police may revoke the concealed deadly weapon license of any person who received no firearms training as required by KRS 237.126 and administrative regulations or who received insufficient training as required by KRS 237.128 and administrative regulations, if the person voluntarily admits nonreceipt of training or admits receipt of insufficient training, or if either nonreceipt of training or receipt of insufficient training is proven following a hearing conducted pursuant to KRS Chapter 13B. Any action taken by the Kentucky State Police, other than revoking a permit for voluntary admission of nonreceipt of training or receipt of insufficient training to revoke a concealed deadly weapon license of a person suspected of nonreceipt of training or receipt of insufficient training, between March 1, 2002, and July 15, 2002, is suspended until the conduct of a KRS Chapter 13B hearing after July 15, 2002; and
3. Any person who has received a training affidavit requiring the person to verify training conducted during a firearms instructor course or applicant course from the Department of Criminal Justice Training between March 1, 2002, and July 15, 2002, shall have the time to respond to the training affidavit extended to August 1, 2002. The department shall notify each person who has not, as of July 15, 2002, returned his or her training affidavit of the extension of time to file the affidavit.

(9) Carrying a concealed weapon is a Class A misdemeanor, unless the defendant has been previously convicted of a felony in which a deadly weapon was possessed, used, or displayed, in which case it is a Class D felony.

ARTICLE 2.

JURISDICTION

SECTION 12. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, a court of this state shall have jurisdiction to make an initial child custody determination only if:

(a) 1. This state is the home state of the child on the date of the commencement of the proceeding; or

2. This state was the home state of the child within six (6) months before the commencement of the proceeding, the child is absent from this state, and a parent or person acting as a parent continues to live in this state; or

(b) A court of another state does not have jurisdiction under paragraph (a) of this subsection, or a court of the home state of the child has declined to exercise jurisdiction on the ground that this state is the more appropriate forum under Section 18 or 19 of this Act; and

1. The child and the child's parents, or the child and at least one (1) parent or a person acting as a parent, have a significant connection with this state other than mere physical presence; and

2. Substantial evidence is available in this state concerning the child's care, protection, training, and personal relationships; or

(c) All courts having jurisdiction under paragraph (a) or (b) or this subsection have declined to exercise jurisdiction on the ground that a court of this state is the more appropriate forum to determine the custody of the child under Section 18 or 19 of this Act; or

(d) No court of any other state would have jurisdiction under the criteria specified in paragraph (a), (b), or (c) of this subsection.

(2) Subsection (1) of this section is the exclusive jurisdictional basis for making a child custody determination by a court of this state.

(3) Physical presence of, or personal jurisdiction over, a party or a child is not necessary or sufficient to make a child custody determination.

SECTION 13. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, a court of this state which has made a child custody determination consistent with Section 12 or 14 of this Act has exclusive, continuing jurisdiction over the determination until:

(a) A court of this state determines that the child and the child's parents or the child and any person acting as a parent do not have a significant connection with this state, and that substantial evidence is no longer available in this state concerning the child's care, protection, training, and personal relationships; or

(b) A court of this state or a court of another state determines that the child, the child's parents, and any other person acting as a parent do not presently reside in this state.

(2) A court of this state which has made a child custody determination and does not have exclusive, continuing jurisdiction under this section may modify that determination only if it has jurisdiction to make an initial determination under Section 12.

SECTION 14. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

Except as otherwise provided in Section 15 of this Act, a court of this state shall not modify a child custody determination made by a court of another state unless a court of this state has jurisdiction to make an initial determination under subsection (1)(a) or (1)(b) of Section 12 of this Act and:

(1) The court of the other state determines that it no longer has exclusive, continuing jurisdiction under Section 13 of this Act or that a court of this state would be a more convenient forum under Section 18 of this Act; or

(2) A court of this state or a court of the other state determines that the child, the child's parents, and any person acting as a parent do not presently reside in the other state.

SECTION 15. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state has temporary emergency jurisdiction if:

(a) The child is present in this state and the child has been abandoned; or

(b) It is necessary in an emergency to protect the child, because the child, or a sibling or parent of the child, is subjected to or threatened with mistreatment or abuse.

(2) If there is no previous child custody determination that is entitled to enforcement under Sections 1 to 41 of this Act and a child custody proceeding has not been commenced in a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, a child custody determination made under this section remains in effect until an order is obtained from a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act. If a child custody proceeding has not been or is not commenced in a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, a child custody determination made under this section becomes a final determination if it so provides, and this state becomes the home state of the child.

(3) If there is a previous child custody determination that is entitled to enforcement under Sections 1 to 41 of this Act, or a child custody proceeding has been commenced in a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, any order issued by a court of this state under this section shall specify in the order a period that the court considers adequate to allow the person seeking an order to obtain an order from the state having jurisdiction under Sections 12, 13, and 14 of this Act. The order issued in this state remains in effect until an order is obtained from the other state within the period specified or the period expires.

(4) A court of this state which has been asked to make a child custody determination under this section, upon being informed that a child custody proceeding has been commenced in, or a child custody determination has been made by, a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, shall immediately communicate with the other court. A court of this state which is exercising jurisdiction pursuant to Sections 12, 13, and 14 of this Act, upon being informed that a child custody proceeding has been commenced in, or a child custody determination had been made by, a court of another state under a statute similar to this section shall immediately communicate with the court of that state to resolve the emergency, protect the safety of the parties and the child, and determine a period for the duration of the temporary order.

SECTION 16. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Before a child custody determination is made under Sections 1 to 41 of this Act, notice and an opportunity to be heard in accordance with the standards of Section 7 of this Act shall be given to all persons entitled to notice under the law of this state as in child custody proceedings between residents of this state, any parent whose parental rights have not been previously terminated, and any person having physical custody of the child.

(2) Sections 1 to 41 of this Act do not govern the enforceability of a child custody determination made without notice or an opportunity to be heard.

(3) The obligation to join a party and the right to intervene as a party in a child custody proceeding under Sections 1 to 41 of this Act are governed by the law of this state as in child custody proceedings between residents of this state.

SECTION 17. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, a court of this state shall not exercise jurisdiction under this article if, at the time of the commencement of the proceeding, a proceeding concerning the custody of the child has been commenced in a court of another state having jurisdiction substantially in conformity with Sections 1 to 41 of this Act, unless the proceeding has been terminated or is stayed by the court of the other state because a court of this state is a more convenient forum under Section 18 of this Act.

(2) Except as otherwise provided in Section 15 of this Act, a court of this state, before hearing a child custody proceeding, shall examine the court documents and other information supplied by the parties pursuant to Section 20 of this Act. If the court determines that a child custody proceeding has been commenced in a court in another state having jurisdiction substantially in accordance with Sections 1 to 41 of this Act, the court of this state shall stay its proceeding and communicate with the court of the other state. If the court of the state having jurisdiction substantially in accordance with Sections 1 to 41 of this Act does not determine that the court of this state is a more appropriate forum, the court of this state shall dismiss the proceeding.

(3) In a proceeding to modify a child custody determination, a court of this state shall determine whether a proceeding to enforce the determination has been commenced in another state. If a proceeding to enforce a child custody determination has been commenced in another state, the court may:

- *(a) Stay the proceeding for modification pending the entry of an order of the other state enforcing, staying, denying, or dismissing the proceeding for enforcement;*
- *(b) Enjoin the parties from continuing with the proceeding for enforcement; or*
- *(c) Proceed with the modification under conditions it considers appropriate.*

SECTION 18. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state which has jurisdiction under Sections 1 to 41 of this Act to make a child custody determination may decline to exercise its jurisdiction at any time if it determines that it is an inconvenient forum under the circumstances and that a court of another state is a more appropriate forum. The issue of inconvenient forum may be raised upon motion of a party, the court's own motion, or request of another court.

(2) Before determining whether it is an inconvenient forum, a court of this state shall consider whether it is appropriate for a court of another state to exercise jurisdiction. For this purpose, the court shall allow the parties to submit information and shall consider all relevant factors, including:

- *(a) Whether domestic violence has occurred and is likely to continue in the future and which state could best protect the parties and the child;*
- *(b) The length of time the child has resided outside this state;*
- *(c) The distance between the court in this state and the court in the state that would assume jurisdiction;*
- *(d) The relative financial circumstances of the parties;*
- *(e) Any agreement of the parties as to which state should assume jurisdiction;*
- *(f) The nature and location of the evidence required to resolve the pending litigation, including testimony of the child;*
- *(g) The ability of the court of each state to decide the issue expeditiously and the procedures necessary to present the evidence; and*
- *(h) The familiarity of the court of each state with the facts and issues in the pending litigation.*

(3) If a court of this state determines that it is an inconvenient forum and that a court of another state is a more appropriate forum, it shall stay the proceedings upon condition that a child custody proceeding be promptly commenced in another designated state and may impose any other condition the court considers just and proper.

(4) A court of this state may decline to exercise its jurisdiction under Sections 1 to 41 of this Act if a child custody determination is incidental to an action for divorce or another proceeding while still retaining jurisdiction over the divorce or other proceeding.

SECTION 19. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, or by other law of this state, if a court of this state has jurisdiction under Sections 1 to 41 of this Act because a person seeking to invoke its jurisdiction has engaged in unjustifiable conduct, the court shall decline to exercise its jurisdiction unless:

- *(a) The parents and all persons acting as parents have acquiesced in the exercise of jurisdiction;*
- *(b) A court of the state otherwise having jurisdiction under Sections 12, 13, and 14 of this Act determines that state is a more appropriate forum under Section 18 of this Act; or*
- *(c) No court of any other state would have jurisdiction under the criteria specified in Sections 12, 13, and 14 of this Act.*

(2) If a court of this state declines to exercise its jurisdiction pursuant to subsection (1) of this section, that court may fashion an appropriate remedy to ensure the safety of the child and prevent a repetition of the unjustifiable conduct, including staying the proceeding until a child custody proceeding is commenced in a court having jurisdiction under Sections 12, 13, and 14 of this Act.

(3) If a court dismisses a petition or stays a proceeding because it declines to exercise its jurisdiction pursuant to subsection (1) of this section, that court shall assess against the party seeking to invoke its jurisdiction necessary and reasonable expenses including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and child care during the course of the proceedings, unless the party from whom fees are sought establishes that the assessment would be clearly inappropriate. The court shall not assess fees, costs, or expenses against this state unless authorized by law other than Sections 1 to 41 of this Act.

SECTION 20. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) In a child custody proceeding, each party, in its first pleading or in an attached affidavit, shall give information, if reasonably ascertainable, under oath as to the child's present address or whereabouts, the places where the child has lived during the last five (5) years, and the names and present addresses of the persons with whom the child has lived during that period. The pleading or affidavit shall state whether the party:

- *(a) Has participated as a party, witness, or in any other capacity in any other proceeding concerning the custody of, or visitation with, the child and, if so, identify the court, the case number, and the date of the child custody determination, if any;*
- *(b) Knows of any proceeding that could affect the current proceeding, including proceedings for enforcement and proceedings relating to domestic violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding; and*
- *(c) Knows the names and addresses of any person not a party to the proceeding who has physical custody of the child or claims rights of legal custody or physical custody of, or visitation with, the child and, if so, the names and addresses of those persons.*

(2) If the information required by subsection (1) of this section is not furnished, the court, upon motion of a party or its own motion, may stay the proceeding until the information is furnished.

(3) If the declaration as to any of the items described in subsection (1) of this section is in the affirmative, the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to the details of the information furnished and other matters pertinent to the court's jurisdiction and the disposition of the case.

(4) Each party has a continuing duty to inform the court of any proceeding in this or any other state that could affect the current proceeding.

(5) If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of identifying information, the information shall be sealed and shall not be disclosed to the other party or the public unless the court orders the disclosure to be made after a hearing in which the court takes into consideration the health, safety, or liberty of the party or child and determines that the disclosure is in the interest of justice.

SECTION 21. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) In a child custody proceeding in this state, the court may order a party to the proceeding who is in this state to appear before the court in person with or without the child. The court may order any person who is in this state and who has physical custody or control of the child to appear in person with the child.

(2) If a party to a child custody proceeding whose presence is desired by the court is outside this state, the court may order that a notice given pursuant to Section 7 of this Act include a statement directing the party to appear in person with or without the child and informing the party that failure to appear may result in a decision adverse to the party.

(3) The court may enter any order necessary to ensure the safety of the child and of any person ordered to appear under this section.

(4) If a party to a child custody proceeding who is outside this state is directed to appear under subsection (2) of this section or desires to appear personally before the court with or without the child, the court may require another party to pay reasonable and necessary travel and other expenses of the party so appearing and of the child.

ARTICLE 3.

SECTION 23. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

2. The determination has not been modified in accordance with Sections 1 to 41 of this Act.

(2) A court of this state may utilize any remedy available under other law of this state to enforce a child custody determination made by a court of another state. SECTION 25. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(2) If a court of this state makes an order under subsection (1)(b) of this section, that court shall specify in the order a period that it considers adequate to allow the petitioner to obtain an order from a court having jurisdiction under the criteria specified in Article 2 of this Act. The order shall remain in effect until an order is obtained from the other court or the period expires.

SECTION 26. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(4) A person seeking to contest the validity of a registered order shall request a hearing within twenty (20) days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

2. The child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2 of this Act; or

Sections 1 to 41 of this Act may be cited as the Uniform Child Custody Jurisdiction and Enforcement Act.

Section 42. KRS 403.270 is amended to read as follows:

(1) (a) As used in this chapter and KRS 405.020, unless the context requires otherwise, "de facto custodian" means a person who has been shown by clear and convincing evidence to have been the primary caregiver for, and financial supporter of, a child who has resided with the person for a period of six (6) months or more if the child is under three (3) years of age and for a period of one (1) year or more if the child is three (3) years of age or older or has been placed by the Department for Community Based Services. Any period of time after a legal proceeding has been commenced by a parent seeking to regain custody of the child shall not be included in determining whether the child has resided with the person for the required minimum period.

(b) A person shall not be a de facto custodian until a court determines by clear and convincing evidence that the person meets the definition of de facto custodian established in paragraph (a) of this subsection. Once a court determines that a person meets the definition of de facto custodian, the court shall give the person the same standing in custody matters that is given to each parent under this section and KRS 403.280, 403.340, 403.350, *Section 12 of this Act*~~[403.420]~~, and 405.020.

(2) The court shall determine custody in accordance with the best interests of the child and equal consideration shall be given to each parent and to any de facto custodian. The court shall consider all relevant factors including:

(i) The circumstances under which the child was placed or allowed to remain in the custody of a de facto custodian, including whether the parent now seeking custody was previously prevented from doing so as a result of domestic violence as defined in KRS 403.720 and whether the child was placed with a de facto custodian to allow the parent now seeking custody to seek employment, work, or attend school.

(3) The court shall not consider conduct of a proposed custodian that does not affect his relationship to the child. If domestic violence and abuse is alleged, the court shall determine the extent to which the domestic violence and abuse has affected the child and the child's relationship to both parents.

(4) The abandonment of the family residence by a custodial party shall not be considered where said party was physically harmed or was seriously threatened with physical harm by his or her spouse, when such harm or threat of harm was causally related to the abandonment.

(5) The court may grant joint custody to the child's parents, or to the child's parents and a de facto custodian, if it is in the best interest of the child.

The court may award temporary custody under the standards of KRS 403.270 after a hearing, or, if there is no objection, solely on the basis of the affidavits.

(2) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a custody proceeding and the court finds, after a hearing, that the circumstances of the parents and the best interests of the child require that a custody decree be issued.

(3) If a custody proceeding commenced in the absence of a petition for dissolution of marriage or legal separation under ***subsection (1)(a) or (1)(b) of Section 12 of this Act***[~~KRS 403.420(1)(a) or (b)~~] is dismissed, any temporary custody order is vacated.

Section 44. KRS 403.740 is amended to read as follows:

(1) If, upon review of the petition, as provided for in KRS 403.735, the court determines that the allegations contained therein indicate the presence of an immediate and present danger of domestic violence and abuse, the court shall issue, upon proper motion, ex parte, an emergency protective order:

An emergency protective order shall be reissued for a period not to exceed fourteen (14) days if service has not been made on the adverse party by the fixed court date and time or as the court determines is necessary for the protection of the petitioner.

(5) The adverse party shall be personally served with a copy of the emergency protective order, a copy of the notice setting the

full hearing, and a copy of the petition. Service may be made in the manner and by the persons authorized to serve subpoenas under the provisions of Rule 45.03 of the Rules of Civil Procedure. No service fee shall be assessed to the petitioner.

(h) Enter other orders the court believes will be of assistance in eliminating future acts of domestic violence and abuse.

(2) Any order entered pursuant to this section shall be effective for a period of time, fixed by the court, not to exceed three (3) years and may be reissued upon expiration for an additional period of up to three (3) years. (2) When a person is bound by a child custody determination under subsection (1) of this section, the determination is conclusive as to all decided issues of law and fact except to the extent the determination is modified.

SECTION 6. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

If a question of existence or exercise of jurisdiction under Sections 1 to 41 of this Act is raised in a child custody proceeding, the question, upon request of a party, shall be given priority on the calendar and handled expeditiously.

SECTION 7. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Notice required for the exercise of jurisdiction when a person is outside this state shall be given in a manner prescribed by the law of this state for service of process or by the law of the state in which the service is made. Notice shall be given in a manner reasonably calculated to give actual notice but may be by publication if other means are not effective.

(2) Proof of service shall be made in the manner prescribed by the law of this state or by the law of the state in which the service is made.

(3) Notice shall not be required for the exercise of jurisdiction with respect to a person who submits to the jurisdiction of the court.

SECTION 8. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A party to a child custody proceeding, including a modification proceeding, or a petitioner or respondent in a proceeding to enforce or register a child custody determination, is not subject to personal jurisdiction in this state for another proceeding or purpose solely by reason of having participated, or of having been physically present for the purpose of participating, in the proceeding.

(2) A person who is subject to personal jurisdiction in this state on a basis other than physical presence is not immune from service of process in this state. A party present in this state who is subject to the jurisdiction of another state is not immune from service of process allowable under the laws of that state.

(3) The immunity granted by subsection (1) of this section does not extend to civil litigation based on acts unrelated to the participation in a proceeding under Sections 1 to 41 of this Act committed by an individual while present in this state.

SECTION 9. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state may communicate with a court in another state concerning a proceeding arising under Sections 1 to 41 of this Act.

(2) The court shall allow the parties to participate in the communication. If the parties are not able to participate in the communication, they shall be given an opportunity to present facts and legal arguments before a decision on jurisdiction is made.

(3) Communication between courts on schedules, calendars, court records, and similar matters may occur without informing the parties. A record need not be made of the communication.

(4) Except as otherwise provided in subsection (3) of this section, a record shall be made of a communication under this section. The parties shall be informed promptly of the communication and granted access to the record.

(5) As used in this section, "record" means information that is inscribed on a tangible medium or that is stored in an electronic or other medium and is retrievable in perceivable form.

SECTION 10. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) In addition to other procedures available to a party, a party to a child custody proceeding may offer testimony of a witness located in another state, including testimony of the parties and the child, by deposition or other means allowable in this state for testimony taken in another state. The court on its own motion may order that the testimony of a person be taken in another state and may prescribe the manner in which and the terms upon which the testimony is taken.

(2) A court of this state may permit an individual residing in another state to be deposed or to testify by telephone, audiovisual means, or other electronic means before a designated court or at another location in this state. A court of this state shall cooperate with courts of other states in designating an appropriate location for the deposition or testimony.

(3) Documentary evidence transmitted from another state to a court of this state by technological means that do not produce an original writing shall not be excluded from evidence on an objection based on the means of transmission.

SECTION 11. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state may request the appropriate court of another state to:

  (a) Hold an evidentiary hearing;

  (b) Order a person to produce or give evidence pursuant to procedures of that state;

  (c) Order that an evaluation be made with respect to the custody of a child involved in a pending proceeding;

  (d) Forward to the court of this state a certified copy of the transcript of the record of the hearing, the evidence otherwise presented, and any evaluation prepared in compliance with the request; or

  (e) Order a party to a child custody proceeding or any person having physical custody of the child to appear in the proceeding with or without the child.

(2) Upon request of a court of another state, a court of this state may hold a hearing or enter an order described in subsection (1) of this section.

(3) Travel and other necessary and reasonable expenses incurred under subsections (1) and (2) of this section shall be assessed against the parties according to the law of this state.

(4) A court of this state shall preserve the pleadings, orders, decrees, records of hearings, evaluations, and other pertinent records with respect to a child custody proceeding until the child attains eighteen (18) years of age. Upon appropriate request by a court or law enforcement official of another state, the court shall forward a certified copy of those records.

ARTICLE 2.

JURISDICTION

SECTION 12. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, a court of this state shall have jurisdiction to make an initial child custody determination only if:

  (a) 1. This state is the home state of the child on the date of the commencement of the proceeding; or

    2. This state was the home state of the child within six (6) months before the commencement of the proceeding, the child is absent from this state, and a parent or person acting as a parent continues to live in this state; or

  (b) A court of another state does not have jurisdiction under paragraph (a) of this subsection, or a court of the home state of the child has declined to exercise jurisdiction on the ground that this state is the more appropriate forum under Section 18 or 19 of this Act; and

    1. The child and the child's parents, or the child and at least one (1) parent or a person acting as a parent, have a significant connection with this state other than mere physical presence; and

    2. Substantial evidence is available in this state concerning the child's care, protection, training, and personal relationships; or

  (c) All courts having jurisdiction under paragraph (a) or (b) or this subsection have declined to exercise jurisdiction on the ground that a court of this state is the more appropriate forum to determine the custody of the child under Section 18 or 19 of this Act; or

  (d) No court of any other state would have jurisdiction under the criteria specified in paragraph (a), (b), or (c) of this subsection.

(2) Subsection (1) of this section is the exclusive jurisdictional basis for making a child custody determination by a court of this state.

(3) Physical presence of, or personal jurisdiction over, a party or a child is not necessary or sufficient to make a child custody determination.

SECTION 13. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, a court of this state which has made a child custody determination consistent with Section 12 or 14 of this Act has exclusive, continuing jurisdiction over the determination until:

  (a) A court of this state determines that the child and the child's parents or the child and any person acting as a parent do not have a significant connection with this state, and that substantial evidence is no longer available in this state concerning the child's care, protection, training, and personal relationships; or

  (b) A court of this state or a court of another state determines that the child, the child's parents, and any other person acting as a parent do not presently reside in this state.

(2) A court of this state which has made a child custody determination and does not have exclusive, continuing jurisdiction under this section may modify that determination only if it has jurisdiction to make an initial determination under Section 12.

SECTION 14. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

Except as otherwise provided in Section 15 of this Act, a court of this state shall not modify a child custody determination made by a court of another state unless a court of this state has jurisdiction to make an initial determination under subsection (1)(a) or (1)(b) of Section 12 of this Act and:

(1) The court of the other state determines that it no longer has exclusive, continuing jurisdiction under Section 13 of this Act or that a court of this state would be a more convenient forum under Section 18 of this Act; or

(2) A court of this state or a court of the other state determines that the child, the child's parents, and any person acting as a parent do not presently reside in the other state.

SECTION 15. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state has temporary emergency jurisdiction if:

  (a) The child is present in this state and the child has been abandoned; or

  (b) It is necessary in an emergency to protect the child, because the child, or a sibling or parent of the child, is subjected to or threatened with mistreatment or abuse.

(2) If there is no previous child custody determination that is entitled to enforcement under Sections 1 to 41 of this Act and a child custody proceeding has not been commenced in a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, a child custody determination made under this section remains in effect until an order is obtained from a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act. If a child custody proceeding has not been or is not commenced in a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, a child custody determination made under this section becomes a final determination if it so provides, and this state becomes the home state of the child.

(3) If there is a previous child custody determination that is entitled to enforcement under Sections 1 to 41 of this Act, or a child custody proceeding has been commenced in a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, any order issued by a court of this state under this section shall specify in the order a period that the court considers adequate to allow the person seeking an order to obtain an order from the state having jurisdiction under Sections 12, 13, and 14 of this Act. The order issued in this state remains in effect until an order is obtained from the other state within the period specified or the period expires.

(4) A court of this state which has been asked to make a child custody determination under this section, upon being informed that a child custody proceeding has been commenced in, or a child custody determination has been made by, a court of a state having jurisdiction under Sections 12, 13, and 14 of this Act, shall immediately communicate with the other court. A court of this state which is exercising jurisdiction pursuant to Sections 12, 13, and 14 of this Act, upon being informed that a child custody proceeding has been commenced in, or a child custody determination had been made by, a court of another state under a statute similar to this section shall immediately communicate with the court of that state to resolve the emergency, protect the safety of the parties and the child, and determine a period for the duration of the temporary order.

SECTION 16. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Before a child custody determination is made under Sections 1 to 41 of this Act, notice and an opportunity to be heard in accordance with the standards of Section 7 of this Act shall be given to all persons entitled to notice under the law of this state as in child custody proceedings between residents of this state, any parent whose parental rights have not been previously terminated, and any person having physical custody of the child.

(2) Sections 1 to 41 of this Act do not govern the enforceability of a child custody determination made without notice or an opportunity to be heard.

(3) The obligation to join a party and the right to intervene as a party in a child custody proceeding under Sections 1 to 41 of this Act are governed by the law of this state as in child custody proceedings between residents of this state.

SECTION 17. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, a court of this state shall not exercise jurisdiction under this article if, at the time of the commencement of the proceeding, a proceeding concerning the custody of the child has been commenced in a court of another state having jurisdiction substantially in conformity with Sections 1 to 41 of this Act, unless the proceeding has been terminated or is stayed by the court of the other state because a court of this state is a more convenient forum under Section 18 of this Act.

(2) Except as otherwise provided in Section 15 of this Act, a court of this state, before hearing a child custody proceeding, shall examine the court documents and other information supplied by the parties pursuant to Section 20 of this Act. If the court determines that a child custody proceeding has been commenced in a court in another state having jurisdiction substantially in accordance with Sections 1 to 41 of this Act, the court of this state shall stay its proceeding and communicate with the court of the other state. If the court of the state having jurisdiction substantially in accordance with Sections 1 to 41 of this Act does not determine that the court of this state is a more appropriate forum, the court of this state shall dismiss the proceeding.

(3) In a proceeding to modify a child custody determination, a court of this state shall determine whether a proceeding to enforce the determination has been commenced in another state. If a proceeding to enforce a child custody determination has been commenced in another state, the court may:

  (a) Stay the proceeding for modification pending the entry of an order of the other state enforcing, staying, denying, or dismissing the proceeding for enforcement;

  (b) Enjoin the parties from continuing with the proceeding for enforcement; or

  (c) Proceed with the modification under conditions it considers appropriate.

SECTION 18. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state which has jurisdiction under Sections 1 to 41 of this Act to make a child custody determination may decline to exercise its jurisdiction at any time if it determines that it is an inconvenient forum under the circumstances and that a court of another state is a more appropriate forum. The issue of inconvenient forum may be raised upon motion of a party, the court's own motion, or request of another court.

(2) Before determining whether it is an inconvenient forum, a court of this state shall consider whether it is appropriate for a court of another state to exercise jurisdiction. For this purpose, the court shall allow the parties to submit information and shall consider all relevant factors, including:

  (a) Whether domestic violence has occurred and is likely to continue in the future and which state could best protect the parties and the child;

  (b) The length of time the child has resided outside this state;

  (c) The distance between the court in this state and the court in the state that would assume jurisdiction;

  (d) The relative financial circumstances of the parties;

  (e) Any agreement of the parties as to which state should assume jurisdiction;

  (f) The nature and location of the evidence required to resolve the pending litigation, including testimony of the child;

  (g) The ability of the court of each state to decide the issue expeditiously and the procedures necessary to present the evidence; and

  (h) The familiarity of the court of each state with the facts and issues in the pending litigation.

(3) If a court of this state determines that it is an inconvenient forum and that a court of another state is a more appropriate forum, it shall stay the proceedings upon condition that a child custody proceeding be promptly commenced in another designated state and may impose any other condition the court considers just and proper.

(4) A court of this state may decline to exercise its jurisdiction under Sections 1 to 41 of this Act if a child custody determination is incidental to an action for divorce or another proceeding while still retaining jurisdiction over the divorce or other proceeding.

SECTION 19. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Except as otherwise provided in Section 15 of this Act, or by other law of this state, if a court of this state has jurisdiction under Sections 1 to 41 of this Act because a person seeking to invoke its jurisdiction has engaged in unjustifiable conduct, the court shall decline to exercise its jurisdiction unless:

  (a) The parents and all persons acting as parents have acquiesced in the exercise of jurisdiction;

  (b) A court of the state otherwise having jurisdiction under Sections 12, 13, and 14 of this Act determines that state is a more appropriate forum under Section 18 of this Act; or

  (c) No court of any other state would have jurisdiction under the criteria specified in Sections 12, 13, and 14 of this Act.

(2) If a court of this state declines to exercise its jurisdiction pursuant to subsection (1) of this section, that court may fashion an appropriate remedy to ensure the safety of the child and prevent a repetition of the unjustifiable conduct, including staying the proceeding until a child custody proceeding is commenced in a court having jurisdiction under Sections 12, 13, and 14 of this Act.

(3) If a court dismisses a petition or stays a proceeding because it declines to exercise its jurisdiction pursuant to subsection (1) of this section, that court shall assess against the party seeking to invoke its jurisdiction necessary and reasonable expenses including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and child care during the course of the proceedings, unless the party from whom fees are sought establishes that the assessment would be clearly inappropriate. The court shall not assess fees, costs, or expenses against this state unless authorized by law other than Sections 1 to 41 of this Act.

SECTION 20. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) In a child custody proceeding, each party, in its first pleading or in an attached affidavit, shall give information, if reasonably ascertainable, under oath as to the child's present address or whereabouts, the places where the child has lived during the last five (5) years, and the names and present addresses of the persons with whom the child has lived during that period. The pleading or affidavit shall state whether the party:

(a) Has participated as a party, witness, or in any other capacity in any other proceeding concerning the custody of, or visitation with, the child and, if so, identify the court, the case number, and the date of the child custody determination, if any;

(b) Knows of any proceeding that could affect the current proceeding, including proceedings for enforcement and proceedings relating to domestic violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding; and

(c) Knows the names and addresses of any person not a party to the proceeding who has physical custody of the child or claims rights of legal custody or physical custody of, or visitation with, the child and, if so, the names and addresses of those persons.

(2) If the information required by subsection (1) of this section is not furnished, the court, upon motion of a party or its own motion, may stay the proceeding until the information is furnished.

(3) If the declaration as to any of the items described in subsection (1) of this section is in the affirmative, the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to the details of the information furnished and other matters pertinent to the court's jurisdiction and the disposition of the case.

(4) Each party has a continuing duty to inform the court of any proceeding in this or any other state that could affect the current proceeding.

(5) If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of identifying information, the information shall be sealed and shall not be disclosed to the other party or the public unless the court orders the disclosure to be made after a hearing in which the court takes into consideration the health, safety, or liberty of the party or child and determines that the disclosure is in the interest of justice.

SECTION 21. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) In a child custody proceeding in this state, the court may order a party to the proceeding who is in this state to appear before the court in person with or without the child. The court may order any person who is in this state and who has physical custody or control of the child to appear in person with the child.

(2) If a party to a child custody proceeding whose presence is desired by the court is outside this state, the court may order that a notice given pursuant to Section 7 of this Act include a statement directing the party to appear in person with or without the child and informing the party that failure to appear may result in a decision adverse to the party.

(3) The court may enter any order necessary to ensure the safety of the child and of any person ordered to appear under this section.

(4) If a party to a child custody proceeding who is outside this state is directed to appear under subsection (2) of this section or desires to appear personally before the court with or without the child, the court may require another party to pay reasonable and necessary travel and other expenses of the party so appearing and of the child.

ARTICLE 3.

ENFORCEMENT

SECTION 22. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

As used in this article, unless the context otherwise requires:

(1) "Petitioner" means a person who seeks enforcement of an order for return of a child under the Hague Convention on the Civil Aspects of International Child Abduction or enforcement of a child custody determination; and

(2) "Respondent" means a person against whom a proceeding has been commenced for enforcement of an order for return of a child under the Hague Convention on the Civil Aspects of International Child Abduction or enforcement of

a child custody determination.

SECTION 23. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

Under this article, a court of this state may enforce an order for the return of the child made under the Hague Convention on the Civil Aspects of International Child Abduction as if it were a child custody determination.

SECTION 24. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state shall recognize and enforce a child custody determination of a court of another state if:

(a) The latter court exercised jurisdiction in substantial conformity with Sections 1 to 41 of this Act; or

(b) 1. The determination was made under factual circumstances meeting the jurisdictional standards of Sections 1 to 41 of this Act; and

2. The determination has not been modified in accordance with Sections 1 to 41 of this Act.

(2) A court of this state may utilize any remedy available under other law of this state to enforce a child custody determination made by a court of another state. The remedies provided in this article are cumulative and do not affect the availability of other remedies to enforce a child custody determination.

SECTION 25. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state which does not have jurisdiction to modify a child custody determination may issue a temporary order enforcing:

(a) A visitation schedule made by a court of another state; or

(b) The visitation provisions of a child custody determination of another state that does not provide for a specific visitation schedule.

(2) If a court of this state makes an order under subsection (1)(b) of this section, that court shall specify in the order a period that it considers adequate to allow the petitioner to obtain an order from a court having jurisdiction under the criteria specified in Article 2 of this Act. The order shall remain in effect until an order is obtained from the other court or the period expires.

SECTION 26. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A child custody determination issued by a court of another state may be registered in this state, with or without a simultaneous request for enforcement, by sending to a court with jurisdiction in this state:

(a) A letter or other document requesting registration;

(b) Two (2) copies, including one (1) certified copy, of the determination sought to be registered, and a statement under penalty of perjury that to the best of the knowledge and belief of the person seeking registration the order has not been modified; and

(c) Except as otherwise provided in Section 20 of this Act, the name and address of the person seeking registration and any parent or person acting as a parent who has been awarded custody or visitation in the child custody determination sought to be registered.

(2) On receipt of the documents required by subsection (1) of this section, the registering court shall:

(a) Cause the determination to be filed as a foreign judgment, together with one (1) copy of any accompanying documents and information, regardless of their form; and

(b) Serve notice upon the persons named pursuant to subsection (1)(c) of this section and provide them with an opportunity to contest the registration in accordance with this section.

(3) The notice required by subsection (2)(b) of this section shall state that:

(a) A registered determination is enforceable as of the date of the registration in the same manner as a determination issued by a court of this state;

(b) A hearing to contest the validity of the registered determination shall be requested within twenty (20) days after service of notice; and

(c) Failure to contest the registration shall result in confirmation of the child custody determination and preclude further contest of that determination with respect to any matter that could have been asserted.

(4) A person seeking to contest the validity of a registered order shall request a hearing within twenty (20) days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

(a) The issuing court did not have jurisdiction under Article 2 of this Act;

(b) The child custody determination sought to be registered has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2 of this Act; or

(c) The person contesting registration was entitled to notice, but notice was not given in accordance with the standards of Section 7 of this Act in the proceedings before the court that issued the order for which registration is sought.

(5) If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law, and the person requesting registration and all persons served shall be notified of the confirmation.

(6) Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

SECTION 27. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A court of this state may grant any relief normally available under the law of this state to enforce a registered child custody determination made by a court of another state.

(2) A court of this state shall recognize and enforce, but shall not modify, except in accordance with Article 2 of this Act, a registered child custody determination of a court of another state.

SECTION 28. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

If a proceeding for enforcement under this article is commenced in a court of this state and that court determines that a proceeding to modify the determination is pending in a court of another state having jurisdiction to modify the determination under Article 2 of this Act, the enforcing court shall immediately communicate with the modifying court. The proceeding for enforcement continues unless the enforcing court, after consultation with the modifying court, stays or dismisses the proceeding.

SECTION 29. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) A petition under this article shall be verified. Certified copies of all orders sought to be enforced and of any order confirming registration shall be attached to the petition. A copy of a certified copy of an order may be attached instead of the original.

(2) A petition for enforcement of a child custody determination shall state:

- *(a) Whether the court that issued the determination identified the jurisdictional basis it relied upon in exercising jurisdiction and, if so, what the basis was;*
- *(b) Whether the determination for which enforcement is sought has been vacated, stayed, or modified by a court whose decision shall be enforced under Sections 1 to 41 of this Act and if so, identify the court, the case number, and the nature of the proceeding;*
- *(c) Whether any proceeding has been commenced that could affect the current proceeding, including proceedings relating to domestic violence, protective orders, termination of parental rights, or adoptions and, if so, identify the court, the case number, and the nature of the proceeding;*
- *(d) The present physical address of the child and the respondent, if known;*
- *(e) Whether relief in addition to the immediate physical custody of the child and attorney's fees is sought, including a request for assistance from law enforcement officials and if so, the relief sought; and*
- *(f) If the child custody determination has been registered and confirmed under Section 26 of this Act, the date and place of registration.*

(3) Upon the filing of a petition, the court shall issue an order directing the respondent to appear in person with or without the child at a hearing and may enter any order necessary to ensure the safety of the parties and the child. The hearing shall be held on the next judicial day after service of the order unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The court may extend the date of hearing at the request of the petitioner.

(4) An order issued under subsection (3) of this section shall state the time and place of the hearing and advise the respondent that at the hearing: the court will order that the petitioner may take immediate physical custody of the child; the court may order the payment of all or a portion of the fees, costs, and expenses under Section 33 of this Act; and the court may schedule a hearing to determine whether further relief is appropriate, unless the respondent appears and establishes that:

- *(a) The child custody determination has not been registered and confirmed under Section 26 of this Act and that:*
  - *1. The issuing court did not have jurisdiction under Article 2 of this Act;*
  - *2. The child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court having jurisdiction to do so under Article 2 of this Act; or*
  - *3. The respondent was entitled to notice, but notice was not given in accordance with the standards of Section 7 of this Act, in the proceedings before the court that issued the order for which enforcement is sought; or*
- *(b) The child custody determination for which enforcement is sought was registered and confirmed under Section 26 of this Act but has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under Article 2 of this Act.*

SECTION 30. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

Except as otherwise provided in Section 32 of this Act, the petition and order shall be served by any method authorized by the law of this state upon respondent and any person who has physical custody of the child.

SECTION 31. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Unless the court issues a temporary emergency order pursuant to Section 15 of this Act, upon a finding that a petitioner is entitled to immediate physical custody of the child, the court shall order that the petitioner may take immediate physical custody of the child unless the respondent establishes that:

(a) The child custody determination has not been registered and confirmed under Section 26 of this Act and that:

1. The issuing court did not have jurisdiction under Article 2 of this Act;

2. The child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under Article 2 of this Act; or

3. The respondent was entitled to notice, but notice was not given in accordance with the standards of Section 7 of this Act, in the proceedings before the court that issued the order for which enforcement is sought; or

(b) The child custody determination for which enforcement is sought was registered and confirmed under Section 26 of this Act but has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under Article 2 of this Act.

(2) The court may award all or a portion of the fees, costs, and expenses authorized under Section 33 of this Act and may grant additional relief, including a request for the assistance of law enforcement officials, and set a further hearing to determine whether additional relief is appropriate.

SECTION 32. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

(1) Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of a warrant to take physical custody of the child if the child is immediately likely to suffer serious physical harm or be removed from this state.

(2) If the court, upon the testimony of the petitioner or other witness, finds by clear and convincing evidence that the child is imminently likely to suffer serious physical harm or be removed from this state, the court may issue a warrant to take physical custody of the child. The petition shall be heard on the next judicial day after the warrant is executed unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The application for the warrant shall include the statements required by subsection (2) of Section 29 of this Act.

(3) A warrant to take physical custody of a child shall:

(a) Recite the facts upon which a conclusion of imminent serious physical harm or removal from the jurisdiction is based;

(b) Direct law enforcement officers to take physical custody of the child immediately; and

(c) Provide for the placement of the child pending final relief.

(4) The respondent shall be served with the petition, warrant, and order immediately after the child is taken into physical custody.

(5) A warrant to take physical custody of a child is enforceable throughout this state. If the court finds, on the basis of the testimony of the petitioner or other witness, that a less intrusive remedy is not effective, it may authorize law enforcement officers to enter private property to take physical custody of the child. If required by exigent circumstances of the case, that court may authorize law enforcement officers to make a forcible entry at any hour.

(6) The court may impose conditions on the placement of a child to ensure the appearance of the child and the child's custodian.

SECTION 35. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

A party may move for an expedited appeal from a final order in a proceeding under this article. Unless the court enters a temporary emergency order under Section 15 of this Act, the enforcing court shall not stay an order enforcing a child custody determination pending appeal.

(a) An existing child custody determination;

(b) A request to do so from a court in a pending child custody proceeding;

(c) A reasonable belief that a criminal statute has been violated; or

(d) A reasonable belief that the child has been wrongfully removed or retained in violation of the Hague Convention on the Civil Aspects of International Child Abduction.

(2) A county attorney or other appropriate public official acting under this section acts on behalf of the court and shall not represent any party.

SECTION 37. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

At the request of a county attorney or the court acting under Section 36 of this Act, a peace officer may take any lawful action reasonably necessary to locate a child or a party and assist a county attorney or other appropriate public official with responsibilities under Section 36 of this Act.

SECTION 38. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

MISCELLANEOUS PROVISIONS

SECTION 39. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

In applying and construing Sections 1 to 41 of this Act, the Uniform Child Custody Jurisdiction and Enforcement Act, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

SECTION 40. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

A motion or other request for relief made in a child custody proceeding or to enforce a child custody determination which was commenced before the effective date of Sections 1 to 41 of this Act is governed by the law in effect at the time the motion or other request was made.

SECTION 41. A NEW SECTION OF KRS CHAPTER 403 IS CREATED TO READ AS FOLLOWS:

Sections 1 to 41 of this Act may be cited as the Uniform Child Custody Jurisdiction and Enforcement Act.

Section 42. KRS 403.270 is amended to read as follows:

(1) (a) As used in this chapter and KRS 405.020, unless the context requires otherwise, "de facto custodian" means a person who has been shown by clear and convincing evidence to have been the primary caregiver for, and financial supporter of, a child who has resided with the person for a period of six (6) months or more if the child is under three (3) years of age and for a period of one (1) year or more if the child is three (3) years of age or older or has been placed by the Department for Community Based Services. Any period of time after a legal proceeding has been commenced by a parent seeking to regain custody of the child shall not be included in determining whether the child has resided with the person for the required minimum period.

(b) A person shall not be a de facto custodian until a court determines by clear and convincing evidence that the person meets the definition of de facto custodian established in paragraph (a) of this subsection. Once a court determines that a person meets the definition of de facto custodian, the court shall give the person the same standing in custody matters that is given to each parent under this section and KRS 403.280, 403.340, 403.350, *Section 12 of this Act*~~[403.420]~~, and 405.020.

(2) The court shall determine custody in accordance with the best interests of the child and equal consideration shall be given to each parent and to any de facto custodian. The court shall consider all relevant factors including:

(a) The wishes of the child's parent or parents, and any de facto custodian, as to his custody;

(b) The wishes of the child as to his custodian;

(c) The interaction and interrelationship of the child with his parent or parents, his siblings, and any other person who may significantly affect the child's best interests;

(d) The child's adjustment to his home, school, and community;

(e) The mental and physical health of all individuals involved;

(f) Information, records, and evidence of domestic violence as defined in KRS 403.720;

(g) The extent to which the child has been cared for, nurtured, and supported by any de facto custodian;

(h) The intent of the parent or parents in placing the child with a de facto custodian; and

(i) The circumstances under which the child was placed or allowed to remain in the custody of a de facto custodian, including whether the parent now seeking custody was previously prevented from doing so as a result of domestic violence as defined in KRS 403.720 and whether the child was placed with a de facto custodian to allow the parent now seeking custody to seek employment, work, or attend school.

(3) The court shall not consider conduct of a proposed custodian that does not affect his relationship to the child. If domestic violence and abuse is alleged, the court shall determine the extent to which the domestic violence and abuse has affected the child and the child's relationship to both parents.

(4) The abandonment of the family residence by a custodial party shall not be considered where said party was physically harmed or was seriously threatened with physical harm by his or her spouse, when such harm or threat of harm was causally related to the abandonment.

(5) The court may grant joint custody to the child's parents, or to the child's parents and a de facto custodian, if it is in the best interest of the child.

(6) If the court grants custody to a de facto custodian, the de facto custodian shall have legal custody under the laws of the Commonwealth.

Section 43. KRS 403.280 is amended to read as follows:

(1) A party to a custody proceeding may move for a temporary custody order. The motion must be supported by an affidavit as provided in KRS 403.350. The court may award temporary custody under the standards of KRS 403.270 after a hearing, or, if there is no objection, solely on the basis of the affidavits.

(2) If a proceeding for dissolution of marriage or legal separation is dismissed, any temporary custody order is vacated unless a parent or the child's custodian moves that the proceeding continue as a custody proceeding and the court finds, after a hearing, that the circumstances of the parents and the best interests of the child require that a custody decree be issued.

(3) If a custody proceeding commenced in the absence of a petition for dissolution of marriage or legal separation under ***subsection (1)(a) or (1)(b) of Section 12 of this Act***[~~KRS 403.420(1)(a) or (b)~~] is dismissed, any temporary custody order is vacated.

(4) If a court determines by clear and convincing evidence that a person is a de facto custodian, the court shall join that person in the action, as a party needed for just adjudication under Rule 19 of the Kentucky Rules of Civil Procedure.

Section 44. KRS 403.740 is amended to read as follows:

(1) If, upon review of the petition, as provided for in KRS 403.735, the court determines that the allegations contained therein indicate the presence of an immediate and present danger of domestic violence and abuse, the court shall issue, upon proper motion, ex parte, an emergency protective order:

   (a) Restraining the adverse party from any contact or communication with the petitioner except as directed by the court;

   (b) Restraining the adverse party from committing further acts of domestic violence and abuse;

   (c) Restraining the adverse party from disposing of or damaging any of the property of the parties;

   (d) Directing the adverse party to vacate the residence shared by the parties to the action;

   (e) Utilizing the criteria set forth in KRS 403.270, 403.320, and ***Section 12 of this Act***[~~403.420~~], grant temporary custody; or

   (f) Enter other orders the court believes will be of assistance in eliminating future acts of domestic violence and abuse; or any combination thereof.

(2) Except as provided in KRS 403.036, if the court issues an emergency protective order pursuant to subsection (1) of this section, the court shall not order or refer the parties to mediation for resolution of the issues alleged in the petition filed pursuant to KRS 403.735.

(3) An emergency protective order issued in accordance with this section shall be issued without bond being required of the petitioner.

(4) An emergency protective order issued in accordance with this section shall be effective for a period of time fixed in the order, but not to exceed fourteen (14) days. Upon the issuance of an emergency protective order, a date for a full hearing, as provided for in KRS 403.745, shall be fixed not later than the expiration date of the emergency protective order. An emergency protective order shall be reissued for a period not to exceed fourteen (14) days if service has not been made on the adverse party by the fixed court date and time or as the court determines is necessary for the protection of the petitioner.

(5) The adverse party shall be personally served with a copy of the emergency protective order, a copy of the notice setting the full hearing, and a copy of the petition. Service may be made in the manner and by the persons authorized to serve subpoenas under the provisions of Rule 45.03 of the Rules of Civil Procedure. No service fee shall be assessed to the petitioner.

Section 45. KRS 403.750 is amended to read as follows:

(1) Following the hearing provided for under KRS 403.740 and 403.745, the court, if it finds from a preponderance of the evidence that an act or acts of domestic violence and abuse have occurred and may again occur, may:

(a) Restrain the adverse party from any contact or communication with the petitioner except as directed by the court;

(b) Restrain the adverse party from committing further acts of domestic violence and abuse;

(c) Restrain the adverse party from disposing of or damaging any of the property of the parties;

(d) Direct the adverse party to vacate the residence shared by the parties to the action;

(e) Utilizing the criteria set forth in KRS 403.270, 403.320, and ***Section 12 of this Act***[~~403.420~~], award temporary custody;

(f) Utilizing the criteria set forth in KRS 403.211, 403.212, and 403.213, award temporary support;

(g) Direct that either or both parties receive counseling services available in the community, except that the court shall not order or refer the parties to participate in mediation for resolution of the issues alleged in the petition filed pursuant to KRS 403.715 to 403.785; or

(h) Enter other orders the court believes will be of assistance in eliminating future acts of domestic violence and abuse.

(2) Any order entered pursuant to this section shall be effective for a period of time, fixed by the court, not to exceed three (3) years and may be reissued upon expiration for an additional period of up to three (3) years. The number of times an order may be reissued shall not be limited. With respect to whether an order should be reissued, any party may present to the court testimony relating to the importance of the fact that acts of domestic violence or abuse have not occurred during the pendency of the order.

(3) Upon proper filing of a motion, either party may seek to amend a domestic violence order.

(4) When temporary child support is granted under the provisions of this section, the court shall enter an order detailing how the child support is to be paid and collected. The enforcement procedures for child support orders, entered pursuant to KRS 403.211, 403.212, and 403.213, including but not limited to 403.215, shall be available to temporary child support orders issued under KRS 403.715 to 403.785.

(5) Any order entered pursuant to this section restraining a party or parties to an action shall be issued without bond being required of the petitioner.

The Chief Doorkeeper announced the arrival of the Governor of the Commonwealth of Kentucky, The Honorable Paul E. Patton.

Governor Paul E. Patton addressed the Joint Session of the General Assembly as follows:

President Williams, Speaker Richards, and members of the General Assembly, members of the Judiciary, and other constitutional officers, my fellow Kentuckians. I once again thank the people of Kentucky for selecting me to serve as their governor these past seven years. I thank the members of the Kentucky General Assembly for the privilege of working with you.

I've served in the best of times - and the worst of times. And now is the worst of times.

With the benefit of hindsight, it's now clear that, beginning in about July of 1994, the economy of the nation and Kentucky began to boom. State revenue increased dramatically in fiscal year 1995. In fact, state revenue for six consecutive years was abnormally high. Virtually every other state experienced this same phenomenon.

The boom is now over. Real revenue growth is practically non-existent. Most of our sister states are experiencing the same situation. The states are, as a whole, in the midst of the greatest fiscal crisis since World War II. In Kentucky, for the first time since 1954, revenue actually declined from one year to the next. We're well into our third year of historically slow growth. The prospects for recovery are dismal at best. There is no light at the end of the tunnel.

It is indeed our darkest hour – and it can be the greatest opportunity to gain on our sister states during my administration. My fundamental goal as Governor has been to set Kentucky on a path to achieving a quality of life and a standard of living above the national average by the year 2020. Because some states are allowing this nationwide fiscal crisis to take them backwards, those states which don't cut back on their commitments can make a quantum leap in their effort to gain competitive advantage. Kentucky has that opportunity - if we have the wisdom and the strength.

Yes, we have severe budget problems, but we're not alone. Forty-eight other states are experiencing, or have experienced budget shortfalls. Virginia has a 10 percent budget shortfall; Massachusetts' is 15 percent; California, 20 percent. The average nationwide is ten percent. Ours is about 6 percent.

How we and our sister states handle this crisis will determine where we'll be relative to each other economically and socially twenty years from now.

Some states have taken the easy road and cut education, social services and public protection programs; stopping progress and, in fact, going backwards.

A few states have rejected these cuts and increased taxes to keep their vital services functioning. What will Kentucky do? That's what you're assembled here in Frankfort to decide.

Before I get to our immediate problem, let me review for a moment our past.

While I've been governor, we have moved Kentucky forward. We saved the Kentucky Education Reform Act. We made new commitments to postsecondary education. We addressed adult education and early childhood development.

We improved the environment in the Commonwealth. We cut our welfare rolls in half. We created 180,000 new jobs. We've committed to rebuilding our farm economy and that of the coal-producing regions of the Commonwealth.

We've made Kentucky safer, making dramatic improvements in our juvenile justice system. We have better trained police officers, better-equipped State Police, and 5,401 new jail and prison beds with 900 more on the way.

We've cut the state payroll by over a thousand employees and we've made government more efficient by 572 million dollars through our Empower Kentucky initiative.

We put some of the excess revenue of the boom years into our Budget Reserve Trust Fund, about 280 million dollars and we had over 400 million dollars in reserve in other Dedicated Use funds.

We refunded 287 million dollars of taxes which had been collected and spent by previous administrations under laws which have been declared unconstitutional by the courts. We made 600 million dollars of cash investments in infrastructure that will improve the economy and the quality of life of Kentuckians in the years ahead. And we returned much of this excess revenue to our citizens as tax cuts; 26 different tax cuts. Over 2 billion dollars so far. Almost 500 million dollars in fiscal year 2004.

That's the reason that the percent of personal income Kentuckians are devoting to government has gone down 7 percent since I took office.

I'm proud of the fact that we've reduced the amount of our people's income that they're devoting to government; but I also realized that this is the genesis of our current problem.

Let me frame the fundamental issue of the debate that confronts us. Corporate support for state government is about 350 million dollars below what it should be compared to what it was in 1990.

We in Kentucky have historically had low corporate taxes, generally providing about 10 percent of the General Fund. That's what it was in 1990 when Corporate Kentucky lead the way for education reform.

By 2002 corporate support of the General Fund had decline to 5 percent, 50 percent lower than it was in 1990 – half as much. Individuals are now paying for 21 percent more of the General Fund than we were paying in 1990.

That shift in who's paying the cost of state services is the fundamental issue in this debate. This shift in relative tax burden brings up an even more fundamental question. Should corporations doing business in Kentucky and using the services of state government pay any taxes at all? If so, how much?

The fact is that large national and international businesses operating in Kentucky don't have to pay corporate taxes if they don't want to! All they have to do is to operate in Kentucky as a limited liability business!

Perhaps we should first define the term businesses. There are two fundamental types of business structures. One is businesses owned by one or more individuals who assume all the responsibility of gain or loss of the business and pay Individual Income taxes on the profit.

The other is limited liability businesses; one or more people investing to conduct business on a scale that they are not willing to do as individuals if it means risking all they have. To make these kinds of investments, their liability for losses must in some way be limited. The corporation has historically been the business structure used to achieve these ends. These type businesses have historically paid taxes to the governments that granted them limited liability protection and, of course, their owners also pay taxes on the income they receive as dividends. This issue of double taxation is at the center of the present debate.

There's lately emerged a new business entity, the Limited Liability Company, which is a partnership and isn't required to pay taxes directly. Its income is passed directly to its owners and the owners pay the taxes. This type business entity enjoys the limited liability protection of a corporation but avoids the burden of double taxation.

In 1994 Kentucky authorized limited liability companies. Eight years later, we have over 33,000 of these companies doing business in the Commonwealth. Most major corporations operating in Kentucky are conducting at least some of their business with limited liability companies. Their stockholders live all over the world. Only those stockholders who are legal Kentucky residents, pay Kentucky taxes on the corporate profits they receive as dividends. Typically Kentuckians would own less than 2 percent of a large, national corporation.

Therein lies the essence of the debate about corporate support for state government. Should corporations pay anything for services such as the education of their workforce; the protection of their property; the use of the state's infrastructure? Until recently, in Kentucky and all other states, the answer has been yes. Today, in Kentucky, that answer is, only if they want to.

If all the owners lived in Kentucky and paid Kentucky Individual Income Tax, this probably wouldn't be an issue. But what if the owners live in Tennessee? Or Florida? Or France? Shouldn't they pay something when they profit from our tax money?

The way I see it, unless the current laws are changed, there will be virtually no direct corporate support for state government in the very near future because I don't know too many businesses who are going to continue to pay taxes they don't legally have to pay. We need to decide, once and for all, should corporations operating in Kentucky under any organizational structure pay taxes. We need to make that decision now; in this session.

When making any decision of this nature, we need to look at what our neighbors are doing.

All our close neighbors have higher corporate taxes than Kentucky and some of them are making them even higher as they look for ways to deal with their budget shortfalls.

If we look at our neighbor to the south, we find that Tennessee, according to the United States' Census Bureau, gets 15.3 percent of its tax receipts from Corporate Income and License taxes. They also had an 8.2 percent budget gap and they raised taxes 933 million dollars, including an additional 127 million dollars on corporations, to solve their problem. And now I understand that the new governor of Tennessee is calling for more taxes.

Illinois gets 10.8 percent of its revenue directly from corporations. They also raised taxes 370 million dollars and still have a 592 million dollar budget shortfall.

Indiana gets 7.1 percent of its revenue as Corporate Income and License taxes. They raised taxes a billion dollars even though they're getting a quarter billion dollars from Kentuckians who like their riverboats.

Ohio gets 15.3 percent of its revenue directly from corporations. They raised taxes 797 million dollars including 216 million dollars from corporations.

I read just last week where Governor Taft was calling for more tax increases to plug another 720 million dollar budget gap for next year. In calling for that tax increase, Governor Taft said to a joint session of the Ohio legislature, "The actions I'm asking you to take will be painful, but the consequences of inaction are unacceptable." I make that same statement to the members of the Kentucky General Assembly.

Governor Huckabee of Arkansas said to a joint session of his legislature, "And if you deem that all new revenue sources, your proposals or mine, are dead on arrival, then you'll be saying that teacher pay increases are dead, scholarships are dead, medicine for the elderly is dead, that long (prison) sentences are dead, and that we'll have to have a massive early release of thousands of inmates from the system." He went on to say, "To be blunt, our problems aren't that simple and the answers aren't either."

Again, I echo that message to the Kentucky legislature and the people of the Commonwealth.

We in Kentucky have yet to permanently address our problem. That is the challenge presented to the Kentucky General Assembly. I hear your opposition to new taxes. I don't like to have to even talk about them myself. But do we know something that our neighbors don't know? Does someone in the General Assembly have a silver bullet I haven't found? If you do, share with me; and the people of Kentucky. Our administration solicits your advice.

We've dealt with this budget shortfall for over two years. Since November of 2001 we've managed shortfalls of 872 million dollars! We've made dramatic cuts in the administrative cost of state government. We've reduced payroll. We've reduced vehicles; we've cut travel. We've reduced the use of personal service contracts.

So far, there have been very few programmatic reductions. Our people have yet to feel the pain of their government not living up to its commitments; with the single exception of the consequences of an underfunded Corrections budget.

As I review my administration's handling of this crisis, I think we've done pretty well. I think our job is to keep our people from feeling the pain. But we can no longer shield our citizens from this crisis.

You adopted a very progressive budget for Fiscal Years 2001 and 2002 in the 2000 legislative session. But the budget shortfall for 2001 was 185 million dollars. We tightened our belts and absorbed that shortfall without cutting services. In 2002 the budget shortfall was 687 million dollars, 9.4 percent of the budget. I cut our postsecondary education and our Medicaid program two percent and all the rest of government 5 percent – but I didn't cut our elementary and secondary schools; the education of our children is too important.

In the 2002 session I proposed a continuation budget for this year and the next, based on a budget for last year which had already been cut 5 percent in every area of state services except education and Medicaid. That budget had no expansion of services, no real raises for our teachers or state employees, no operating increases to cover inflation. When rent went up, we told our agencies to reduce space. When utility bills went up, we told our managers to turn down the thermostat. Last December we announced other cost-saving measures which will save over 30 million dollars more without cutting services that affect the average Kentuckian. But we can no longer avoid the inevitable. We must now restore the 500 million dollars a year that we've returned to the people in tax cuts while I've been governor or; drastically cut services.

By the first of July, all our reserves will be gone. We'll be almost 400 million dollars short of what it takes to fund the 2004 budget I proposed last year. We'll need another 103 million dollars to prevent more cuts in Medicaid and to keep all our convicted felons behind bars until they've served their time.

If we're going to really restore the financial health of the Commonwealth, we'll need another 92 million dollars to rebuild our reserves and continue to invest 6 percent of our revenue in our schools and communities.

There's no doubt that you can take 400 million dollars out of the budget I proposed last year. There's no doubt you can force even more cuts in Medicaid. I don't see how you can refuse to fund our prisons. But you can certainly refuse to rebuild our Budget Reserve Trust Fund and stop our infrastructure investment program. There's no doubt that you can push a lot of the problems off on the next governor and the next General Assembly. There is no doubt that you can adjourn without addressing the problem. There is no doubt you can pass a fictitious budget. But you, I, or the people of Kentucky cannot escape the fact that we either restore the revenue lost when we cut taxes in 26 different ways or we reduce the teachers in our classrooms or increase college tuition's or cut more people off Medicaid or let more felons out of prison or reduce our services to neglected children or let the weeds grow in our state parks or let our infrastructure deteriorate; or lose a lot of dedicated state employees; or a combination of all of the above. Those are the choices we face.

I've made my choice. I've already experienced the trauma of releasing felons from prison before they've paid their debt to society. I've seen them go out the very next day and abuse the good people of Kentucky. I've faced the reality of depriving Kentuckians of essential health care.

I've been to the mountain of cutting the very heart and soul out of government; and I've returned sickened, saddened and resolute. I can stomach no more.

If that is to be the future of Kentucky, that future will be your legacy – not mine.

And so I propose to you tonight a budget which doesn't expand our government – but it does live up to our existing commitments.

And I propose to address one of the fundamental problems we face, the structure of our tax laws.

I propose to revise our tax code to make it more fair, to keep us competitive for economic expansion, to make our revenue stream more stable, to make it grow more closely with the growth of our society and to make it adequate to meet our current commitments.

I propose 17 specific changes which will close loopholes and raise some taxes and cut others. The net increase in state revenue will be 573 million dollars.

But the centerpiece of my proposal is to close the biggest loophole of all, the loophole that permits huge multi-national corporations to operate in Kentucky while paying practically no taxes to pay for the government services they use everyday.

I'm not here to criticize the businesses that make our economic prosperity possible. I'm here to criticize a corporate tax code that has become dysfunctional.

All I want to do is change the way we tax these corporate citizens to make it more fair to all our businesses.

In 2000, 37,000 corporations filed corporate tax returns in Kentucky. Two of them paid 10 percent of our Corporate Income Tax. Eleven of them paid 10 percent of our Corporate License Tax. That can't be fair.

These kinds of inequities are possible because we have a corporate tax code that has so many loopholes that it enables a corporate citizen to organize itself in ways so as to legally reduce its tax liability to practically nothing. Again, I want to emphasize that this is not a criticism of corporate Kentucky. Our large corporations have every obligation to their stockholders to pay only their legally binding tax obligations. The criticism is of us, the elected leaders of Kentucky who made this possible. We have created these loopholes. We have every reason to expect our corporate citizens to use them.

In 1990 we increased taxes by today's equivalent of one and a quarter billion dollars a year to pay for an educational program that we didn't know for sure would work. Surely we will increase taxes half that much to pay for it after we know it does work. For my part, I'm there. But the decision is not mine. The decision is yours, the 138 men and women elected by your peers to decide on their behalf, the future of Kentucky.

I realize that corporations, like individuals, pay a lot of different taxes like sales tax and property tax. As far as I know the relative amount of these taxes corporations pay hasn't changed. Tonight I will concentrate on those taxes that are paid only by corporations and those taxes paid only by individuals and point out how the distribution of the tax burden has shifted since 1990.

There aren't many loopholes in the Individual Income Tax laws that the average Kentuckian can take advantage of. Our corporate tax laws are full of loopholes.

Our present corporate tax system allocates a portion of a national corporation's total income to Kentucky based on three factors – payroll, sales and capital employed in Kentucky. My proposal uses these same three factors to determine a corporation's fair share of support for state government. It just applies them in a different way.

The present system is so full of loopholes, a corporation can almost wipe out its tax liability legally.

Closing those loopholes is the objective of replacing the Corporate Income Tax with the Business Activity Tax. This is based on a company's payroll and sales in Kentucky.

This tax will apply equally to every business operating in Kentucky which enjoys the protection of limited liability except professional partnership; doctors, lawyers, engineers, accountants and other professional services. It does not apply to sole proprietorships or general partnerships. This change is not intended to affect the tax burden of Kentuckians who own a business which passes its income through to its owners.

Any Business Activity Tax that's paid by a Subchapter S Corporation or by any company that passes its income directly through to its owners; that tax is taken as a direct credit on the Individual Income Tax of that owner. Now I want you to listen to that statement very clearly. Any Business Activity Tax paid by a pass-through company is deducted dollar for dollar from the Individual Income Tax owed by the owner. Most Kentucky companies owned by Kentuckians are pass-through companies. This change should have no effect on a Kentucky-owned business that's already paying its fair share of the cost of state government.

I also propose to increase the Corporate License Tax from 21 to 41 cents per $100 of capital employed in Kentucky and extend it to apply to these same businesses. What we're trying to do is create a level playing field where all businesses, large or small, are playing by the same rules, paying the same taxes, and helping to keep our education programs improving. We're also maintaining the ability of all Kentucky business owners who are presently avoiding double taxation by the use of pass-through companies to maintain that savings.

In 1990, corporate leaders like John Hall, David Jones, and Oz Nelson led the businesses of Kentucky as they came to you and said "give us better schools – raise our taxes to pay for them." And you responded. Since 1990 the taxes that individuals pay have gone up 123 percent! The taxes corporations pay have gone down 9 percent.

And let me emphasize one more time, I am not criticizing our business community. I'm criticizing our corporate tax code which is fundamentally flawed.

The limited liability company loophole was created in 1994. Few people realized what the changes did. Some corporate executives are just now beginning to understand how to reorganize a company and virtually eliminate state taxes. That's what's causing the stampede to the Secretary of State's Office to file the papers to establish limited liability companies; the vehicles to tax-free heaven. I know this subject is complicated. It'll require a complicated solution. If you want to know more, it's all right here in this "hot off the press" document, *Securing Kentucky's Future*.

We've sent a copy to every legislator. It's available on the web to anyone who's interested. It documents in detail my proposal and my reasoning. I urge every Kentuckian to read it.

It's my responsibility to execute the programs the legislature has mandated so long as we have the money in the bank; and we still have money in the bank. It'll run out about July. I will then have no choice except to make cuts that will upset people more than the early release of felons. Then you and the people of Kentucky will see what an emasculated government really looks like. I already know.

You must now decide. If we raise no taxes, we'll put Kentucky back a generation. If we raise taxes a little, it'll be like a narcotic; mask the pain but not cure the disease.

If we address the fundamental problem and restore the revenue we didn't need during the good economic times, we can move Kentucky forward during the next administration and beyond and surpass those other states whose political leadership is more interested in the next election than they are in the next generation.

I think I've proven that I understand how important businesses are to the people of Kentucky.

I would never do anything to hurt the business climate in the Commonwealth. That's why I won't support cutting education. Providing good schools is the single most important thing we can do to make Kentucky more business friendly.

The other side of this coin is to cut my budget to fit existing revenue. I am not going to participate in cutting government services anymore. We'll leave that up to the people who say we don't need more revenue. They must draft the budget with no new revenue.

The people have the right to see a budget with no new revenue. I know what it looks like and it's ugly. It's cruel. It'll destroy all the progress we've made these last seven years. I will not support it. I will oppose it. I will not put my name on it. It will be your budget.

I'm proposing a sound budget. A budget that funds our current commitments. A budget that restores our fiscal integrity, protects our bond rating and begins to rebuild our budget reserves. My budget will fully fund our commitment to Basic SEEK for next year at the level of 3,234 dollars for every student in average daily attendance in our schools; it will fully fund the current estimated cost of the Medicaid program with no more cuts beyond those we've already begun to initiate. And it'll fully fund our Corrections Department so there will be no more early release of felons.

And my budget will continue our policy of investing 6 percent of our income in our infrastructure; the framework around which our economy grows. I've said it before and I'll say it again. No matter how bad things get, we must continue to invest in the future, just like those who came before us. It's especially important to invest now because interest rates may never be lower. And if we stop growing our infrastructure, we'll stop growing our economy.

I heard the story of the farmer who decided to economize so he slowly reduced the feed to his mule; just a little bit less everyday. After a month his neighbor asked him how his economizing effort was going. "Well, it was going great," the farmer said. "I had him completely weaned from food and then the darn thing died!"

Well, that's what happens when a society stops investing. It's just about the same as eating your seed corn.

We have a simple choice. Pay now or pay later. Statesmen will step up to the plate and pay now. Politicians will make the people pay later.

Our colleges and universities are our future, so my budget will fund the new health services campus at the University of Louisville and the Biological Sciences Pharmaceutical Complex at the University of Kentucky. It'll fund the Business Technology Center at Eastern; the Old Science Building Renovation at Northern; the Student Center Restoration at Morehead; the Science Building Replacement at Murray; the Thompson Science Complex replacement at Western; and the renovation of Hathaway Hall at Kentucky State.

It'll fund new KCTCS buildings at Henderson and Madisonville and Ashland. It'll fulfill the promise of 100 million dollars made two years ago to our schools for new buildings, and promises another 100 million dollars for the next biennium; and it funds Bucks for Brains.

We must continue to grow our economy and have plenty of land set aside for businesses to locate and expand, so my budget will fund the new business park in the Purchase and one in Hopkinsville as well as finish the convention center there. It'll pay off the loan on the Glendale industrial sight in Hardin County and provide the Economic Development Cabinet the ED bonds they must have to keep our economy growing.

And it'll fund our 2020 rural water initiative and keep us on track to reach our goal of providing every Kentuckian with access to high quality water by the year 2020.

And it finishes the six new golf courses you authorized in 2000.

And it funds the new executive office building which will let future administrations get on with the job of restoring and preserving our beautiful State Capitol building.

And I support and urge you to support the judicial branch's efforts to construct the 23 new courthouses in rural Kentucky. We absolutely must continue this program to provide every court in the Commonwealth with state-of-the-art facilities.

And my budget recognizes the importance of our major urban areas to all Kentuckians. My budget begins the multipurpose activities center in Northern Kentucky and finishes Rupp Arena and keeps our Kentucky State Fairgrounds in the first tier of large convention centers in America!!!

My budget is a responsible budget; a humane budget; a budget that keeps our commitments.

Those who can't see my vision for Kentucky can have the ugly budget of no new taxes. If you can't see very far, ugly doesn't look too bad. If you can see to the horizon, you see a sunrise; you see the future.

To the people of Kentucky, I ask you to study my budget and the comprehensive tax reform needed to fund it. Don't greet the mention of increased taxes with a knee-jerk reaction. This Business Activity Tax, in all likelihood, won't affect your pocketbook one dime. It will most assuredly affect the schools in your communities, the social services of your neighbors, the safety of your streets. If you agree with me, call your state senator and state representative. They really want to know your views. All they're hearing from now are the uninformed or the selfish special interests that only care about today – and themselves.

The flat earth, no new taxers will scream cut spending, cut spending and then they'll scream don't let felons out of jail. But keeping criminals off the street is where we've increased spending 65 percent. Room for 5,401 new inmates; and 900 more beds on the way. That's one reason the crime rate in Kentucky has dropped 10 percent.

We've increased spending on Medicaid by 63 percent and now I've had to cut Medicaid 250 million dollars and the cut spenders are calling my office demanding that we not cut the reimbursement rates of their friends in the health care field.

We've increased spending on education 29 percent but our teachers' salaries have already dropped from 27th to 34th in the nation. And the cut spenders scream, don't cut education.

Since I've been governor, inflation has caused costs to go up 19 percent but the increased costs of all the rest of state government has increased by only 13 percent, only two thirds as much as the average increase in costs in our nation as a whole.

My friends, the politicians can demagogue new taxes. But they offer no solution. I have but ten more months to serve. I have but one more challenge to meet; - to turn over to my successor a state government that has a balanced state budget, a sound fiscal position, and the ability to meet its existing commitments. I can't do that by myself. I need your help; you here in the legislature and you out there in Kentucky.

For seven years, I've tried my best to do and advocate what was right for the long-term welfare of all the people, not the short-term gain of the special interests.

I have supported Labor when I thought Labor was right. I have opposed Labor when I thought Labor was wrong. The same goes for business.

I've tried to be the advocate for the people. That's the role I play tonight. I believe history will prove me right.

Goodnight, God bless you, and God bless America.

Section 1. KRS 199.520 is amended to read as follows:

(1) After hearing the case, the court shall enter a judgment of adoption, if it finds that the facts stated in the petition were established; that all legal requirements, including jurisdiction, relating to the adoption have been complied with; that the petitioners are of good moral character, of reputable standing in the community and of ability to properly maintain and educate the child; and that the best interest of the child will be promoted by the adoption and that the child is suitable for adoption. In the judgment, the name of the child shall be changed to conform with the prayer of the petition. (2) Upon entry of the judgment of adoption, from and after the date of the filing of the petition, the child shall be deemed the child of petitioners and shall be considered for purposes of inheritance and succession and for all other legal considerations, the natural child of the parents adopting it the same as if born of their bodies. Upon granting an adoption, all legal relationship between the adopted child and the biological parents shall be terminated except the relationship of a biological parent who is the spouse of an adoptive parent.

(3) The clerk of the court shall notify the cabinet of any action of the court with respect to entering a judgment granting an adoption, the amendment of an adoption, or the denial or dismissal of a petition for adoption.

(1) The percentage of the state's children and adults who are obese exceeds the national average.

(2) Obesity leads to higher rates of diabetes, heart disease, strokes, and kidney failure. These diseases, often arising in older age as a result of unhealthy lifestyles that began during the person's youth, place an undue financial burden on individuals, the health care industry, and state health care programs.

SECTION 2. A NEW SECTION OF KRS CHAPTER 158 IS CREATED TO READ AS FOLLOWS:

No other school shall be permitted to sell soda waters on the school campus at any time during the school day.

(6) A school may offer for a la carte sale on the cafeteria line only those items that meet the United States Department of Agriculture standard for a breakfast or lunch component, using the food-based or enhanced food-based menu planning method, except that frozen desserts that contain at least twenty-five percent (25%) real juice, yogurt, and dairy products may be offered.

(8) Each school shall provide as a dietary option at least six (6) grams of naturally occurring dietary fiber in the school lunch, averaged over a period of one (1) week.

(i)[~~(h)~~] The transportation of children to and from school;

HJR 16, A JOINT RESOLUTION directing the Cabinet for Health Services to conduct a study to identify strategies to maximize the use of the federal prescription drug discount program under Section 340B of Public Law 102-585.

WHEREAS, Section 340B of Public Law 102-585 provides discounts on outpatient drugs to certain covered entities; and

WHEREAS, the 340B program provides access to these discounts to more than 9,000 health care facilities that are certified as covered entities by the United States Department of Health and Human Services; and

WHEREAS, more than 250 entities in Kentucky are already participating in this valuable discount program; and

WHEREAS, on average, the 340B program prices for drugs are estimated to be 51 percent lower than the average wholesale price, 39 percent lower than average manufacturer's price, and 19 percent lower than the Medicaid net price; and

WHEREAS, there is a significant number of safety net providers in the state that may qualify as covered entities that are not participating in the program; and

WHEREAS, expansion of the 340B program to more covered entities will result in less expensive prescription drugs for many people who otherwise have no or limited access to discounted prescription drug prices; and

WHEREAS, it is possible that expansion of the 340B program could result in substantial savings in Medicaid;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Cabinet for Health Services shall lead a work group to explore all avenues to maximize prescription drug discounts that may be achieved by using the 340B program. The work group shall study and report on:

(1) The benefits of the 340B program;

(2) Strategies and options to encourage health care providers participating in Medicaid to access 340B discounts;

(3) Innovative approaches and strategies to increase the number of health care providers participating in the program;

(4) Strategies to improve access to prescription drug discounts for consumers of other publicly supported programs and services, including but not limited to state-operated and state-supported mental health services, and health care services provided to inmates of state and local correctional facilities and county jails;

(5) Strategies to increase access to prescription drug discounts under the 340B program for the uninsured;

(6) The estimated cost savings associated with increased participation in the 340B program; and

(7) Policy considerations for the General Assembly.

Section 2. The secretary of the Cabinet for Health Services shall appoint representatives from the Department for Medicaid Services, the Department for Public Health, the Department for Mental Health and Mental Retardation Services, and the Office on Aging as members of the work group and may invite other safety net health care providers and private health care organizations to join the work group. The secretary of the Justice Cabinet shall appoint representatives from the Department of Corrections as members of the work group. The executive director or a designee of the Kentucky Jailers' Association shall be a member of the work group.

Section 3. The Cabinet for Health Services shall submit a report of its findings and recommendations by October 30, 2003, to the Legislative Research Commission, the Interim Joint Committee on Appropriations and Revenue, and the Interim Joint Committee on Health and Welfare.

(2) If the apportionment provisions of this section do not fairly represent the extent of the business entity's activity in the tax district, the business entity may petition the tax district or the tax district may require, in respect to all or any part of the business entity's business activity, if reasonable:

(a) Separate accounting;

(b) The exclusion of any one (1) or more of the factors;

(c) The inclusion of one (1) or more additional factors which will fairly represent the business entity's business activity in the tax district; or

(d) The employment of any other method to effectuate an equitable allocation and apportionment of net profit or gross receipts.

SECTION 3. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) Every business entity, other than a sole proprietorship, subject to taxation under KRS 92.281 or Section 18, 19, or 20 of this Act, shall make quarterly estimated tax payments on or before the fifteenth day of the fourth, sixth, ninth, and twelfth month of each taxable year if the tax liability for the taxable year exceeds five thousand dollars ($5,000).

(2) The quarterly estimated tax payments required under subsection (1) of this section shall be based on the lesser of:

(a) Twenty-two and one-half percent (22.5%) of the current taxable year tax liability;

(b) Twenty-five percent (25%) of the preceding full year taxable year tax liability; or

(c) Twenty-five percent (25%) of the average tax liability for the three (3) preceding full year taxable years' tax liabilities if the tax liability for any of the three (3) preceding full taxable years exceeded twenty thousand dollars ($20,000).

(3) Any business entity that fails to submit the minimum quarterly payment required under subsection (2) of this section by the due date for the quarterly payment shall pay an amount equal to twelve percent (12%) per annum simple interest on the amount of quarterly payment required under subsection (2) of this section from the earlier of:

(a) The due date for the quarterly payment until the time when the aggregate quarterly payments submitted for the taxable year equal the minimum aggregate payments due under subsection (2) of this section; or

(b) The due date of the annual return.

A fraction of a month is counted as an entire month.

(4) The provisions of this section shall not apply to any business entity's first full or partial taxable year of doing business in the tax district or any first taxable year in which a business entity's tax liability exceeds five thousand dollars ($5,000).

(5) The provisions of this section shall not apply unless adopted by the tax district.

SECTION 4. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(1) In the case where the tax computed under Sections 1 to 17 of this Act is less than the amount which has been declared and paid as estimated tax for the same taxable year, a refund shall be made upon the filing of a return.

(2) (a) Overpayment resulting from the payment of estimated tax in excess of the amount determined to be due upon the filing of a return for the same taxable year may be credited against the amount of estimated tax determined to be due on any declaration filed for the next succeeding taxable year or for any deficiency or nonpayment of tax for any previous taxable year;

(b) No refund shall be made of any estimated tax paid unless a complete return is filed as required by Sections 1 to 17 of this Act.

(2) Every business entity subject to an occupational license tax governed by the provisions of Sections 1 to 17 of this Act shall keep records, render under oath statements, make returns, and comply with rules as the tax district from time to time may prescribe. Whenever the tax district judges it necessary, it may require a business entity, by notice served to the business entity, to make a return, render under oath statements, or keep records, as the tax district deems sufficient to show whether or not the business entity is liable for tax, and the extent of the liability.

(3) The tax district, for the purpose of ascertaining the correctness of any return or for the purposes of making an estimate of the taxable income of any business entity, may require the attendance of a representative of the business entity or of any other person having knowledge in the premises.

SECTION 6. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

If any business entity dissolves or withdraws from a tax district during any taxable year, or if any business entity in any manner surrenders or loses its charter during any taxable year, the dissolution, withdrawal, or loss or surrender of charter shall not defeat the filing of returns and the assessment and collection of net profit or gross receipts taxes or tax withheld for the period of that taxable year during which the business entity had net profit or gross receipts or tax withheld in the tax district.

SECTION 7. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

If a business entity makes, or is required to make, a federal income tax return, the net profit or gross receipts shall be computed for the purposes of Sections 1 to 17 of this Act on the basis of the same calendar or fiscal year required by the federal government, and shall employ the same methods of accounting required for federal income tax purposes.

SECTION 8. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

Blank forms for returns shall be supplied by the tax district.

(2) Every business entity shall submit a copy of its federal income tax return at the time of filing its return with the tax district. Whenever, in the opinion of the tax district, it is necessary to examine the federal income tax return of any business entity in order to audit the return, the tax district may compel the business entity to produce for inspection a copy of all statements and schedules in support thereof. The tax district may also require copies of reports of adjustments made by the federal government.

SECTION 9. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(2) If the time for filing a return is extended, the business entity shall pay, as part of the tax, an amount equal to twelve percent (12%) per annum simple interest on the tax shown due on the return, but not previously paid, from the time the tax was due until the return is actually filed and the tax paid to the tax district. A fraction of a month is counted as an entire month.

SECTION 10. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

  (a) In the case of a failure to file a return or of a fraudulent return the additional tax may be assessed at any time.

  (b) In the case of a return where a business entity understates net profit or gross receipts, or omits an amount properly includable in net profit or gross receipts, or both, which understatement or omission or both is in excess of twenty-five percent (25%) of the amount of net profit or gross receipts stated in the return, the additional tax may be assessed at any time within six (6) years after the return was filed.

  (c) In the case of an assessment of additional tax relating directly to adjustments resulting from a final

determination of a federal audit, the additional tax may be assessed before the expiration of the times provided in this subsection, or six (6) months from the date the tax district receives the final determination of the federal audit from the business entity, whichever is later.

The times provided in this subsection may be extended by agreement between the business entity and the tax district. For the purposes of this subsection, a return filed before the last day prescribed by law for filing the return shall be considered as filed on the last day. Any extension granted for filing the return shall also be considered as extending the last day prescribed by law for filing the return.

(3) Every business entity shall submit a copy of the final determination of the federal audit within thirty (30) days of the conclusion of the federal audit.

(4) A tax district may initiate a civil action for the collection of any additional tax within the times prescribed in subsection (2) of this section.

(2) A tax district may impose minimum and maximum tax liabilities for the tax on net profits or gross receipts.

(1) No suit shall be maintained in any court to restrain or delay the collection or payment of the tax levied by Sections 1 to 17 of this Act.

(2) Any tax collected pursuant to the provisions of Sections 1 to 17 of this Act may be refunded or credited within two (2) years of the date prescribed by law for the filing of a return or the date the money was paid to the tax district, whichever is the later, except that:

(a) In any case where the assessment period contained in Section 10 of this Act has been extended by an agreement between the business entity and the tax district, the limitation contained in this subsection shall be extended accordingly.

(b) If the claim for refund or credit relates directly to adjustments resulting from a federal audit, the business entity shall file a claim for refund or credit within the time provided for in this subsection or six (6) months from the conclusion of the federal audit, whichever is later.

For the purposes of this subsection and subsection (3) of this section, a return filed before the last day prescribed by law for filing the return shall be considered as filed on the last day.

(2) Every employer who fails to withhold or pay to the tax district any sums required by Sections 1 to 17 of this Act to be withheld and paid shall be personally and individually liable to the tax district for any sum or sums withheld or required to be withheld in accordance with the provisions of Section 13 of this Act.

SECTION 17. A NEW SECTION OF KRS CHAPTER 67 IS CREATED TO READ AS FOLLOWS:

(b) Fails to pay the tax computed on the return or report on or before the due date prescribed for filing.

The total penalty levied pursuant to this subsection shall not exceed twenty-five percent (25%) of the total tax due; however, the penalty shall not be less than twenty-five dollars ($25).

(2) Every employer who fails to file a return or pay the tax on or before the time prescribed under Section 14 of this Act shall pay a penalty in amount equal to five percent (5%) of the tax due for each calendar month or fraction thereof. investigation, insofar as the information may have to do with the affairs of the person's business. This prohibition does not extend to information required in prosecutions for making false reports or returns for taxation, or any other infraction of the tax laws, or in any way made a matter of public record, nor does it preclude furnishing any taxpayer or the taxpayer's properly authorized agent with information respecting his or her own return. Further, this prohibition does not preclude any employee of the tax district from testifying in any court, or from introducing as evidence returns or reports filed with the tax district, in an action for violation of a tax district tax laws or in any action challenging a tax district tax laws.

(3) Defense may be made to the petition by any inhabitant of the proposed city, and if defense is made, the court shall hear and determine the same, and render a judgment establishing or refusing to establish a city, as may seem proper.

(4) If the court renders judgment granting the petition, the order shall set out the name of the city, ***the organizational structure of the municipal government,*** a metes and bounds description of its boundaries, the population contained therein and the class to which the city shall be assigned by reason of its population. The order shall appoint the officers appropriate to the class of the new city, who shall hold their respective offices until the next regular election at which city officers are elected, at which time officers shall be elected by the residents of the new city.

(5) Whenever any city shall be established in the manner above provided, the court shall in the judgment direct the clerk of the court wherein such judgment is entered to, not later than ten (10) days thereafter, certify a copy thereof to the ***Department for Local Government and the*** Secretary of State, whose duty it shall be to properly index and file the same as a permanent record in his office.

Section 4. KRS 83A.060 is amended to read as follows:

(1) Each ordinance shall embrace only one (1) subject and shall have a title that shall clearly state the subject.

(2) Each ordinance shall be introduced in writing and shall have an enacting clause styled "Be it ordained by the City of ...."

(3) No ordinance shall be amended by reference to its title only, and ordinances to amend shall set out in full the amended ordinance or section indicating any words being added by a single solid line drawn underneath them, and any words being deleted by a single broken line drawn through them.

(4) Except as provided in subsection (7) of this section, no ordinance shall be enacted until it has been read on two (2) separate days. The reading of an ordinance may be satisfied by stating the title and reading a summary rather than the full text.

(5) A city legislative body may adopt the provisions of any local, statewide, or nationally recognized standard code and codifications of entire bodies of local legislation by an ordinance that identifies the subject matter by title, source, and date and incorporates the adopted provisions by reference without setting them out in full, if a copy accompanies the adopting ordinance and is made a part of the permanent records of the city.

(6) Unless otherwise provided by statute, a majority of a legislative body shall constitute a quorum and a vote of a majority of a quorum shall be sufficient to take action.

(7) In an emergency, upon the affirmative vote of two-thirds (2/3) of the membership, a city legislative body may suspend the requirements of second reading and publication to provide for an ordinance to become effective by naming and describing the emergency in the ordinance. Publication requirements of subsection (9) of this section shall be complied with within ten (10) days of the enactment of the emergency ordinance.

(8) Every action of the city legislative body shall be made a part of the permanent records of the city and on passage of an ordinance the vote of each member of the city legislative body shall be entered on the official record of the meeting. The legislative body shall provide by ordinance for the maintenance and safekeeping of the permanent records of the city. The person assigned this responsibility and the presiding officer shall sign the official record of each meeting. All ordinances adopted in a city shall, at the end of each month, be indexed and maintained in the following manner:

(a) The city budget, appropriations of money, and tax levies shall be maintained and indexed so that each fiscal year is kept separate from other years.

(b) All other city ordinances shall be kept in the minute book or an ordinance book in the order adopted and indexed in a composite index or maintained in a code of ordinances.

(9) Except in cities of the first class, a charter county government, and as provided in subsection (7) of this section, no ordinance shall be effective until published pursuant to KRS Chapter 424. Ordinances may be published in full or in summary as designated by the legislative body. If the legislative body elects to publish an ordinance in summary, the summary shall be prepared ***under the supervision of***[~~and certified by~~] an attorney licensed to practice law in the Commonwealth of Kentucky and shall include the following:

(a) The title of the ordinance;

(b) A brief narrative setting forth the main points of the ordinance in a way reasonably calculated to inform the public in a clear and understandable manner of the meaning of the ordinance; and

(c) The full text of each section that imposes fines, penalties, forfeitures, taxes, or fees.

Ordinances that include descriptions of real property may include a sketch, drawing, or map, including common landmarks, such as streets or roads in lieu of metes and bounds descriptions.

(10) A city may specify by ordinance additional requirements for adoption of ordinances in greater detail than contained herein, but a city shall not lessen or reduce the substantial requirements of this section or any other statute relating to adoption of ordinances.

(11) At least once every five (5) years, each city shall cause all ordinances in the composite index or code of ordinances to be examined for consistency with state law and with one another and to be revised to eliminate redundant, obsolete, inconsistent, and invalid provisions.

(12) The legislative body may adopt municipal orders. Orders shall be in writing and may be adopted only at an official meeting. Orders may be amended by a subsequent municipal order or ordinance. All orders adopted shall be maintained in an official order book.

(13) In lieu of an ordinance, a municipal order may be used for matters relating to the internal operation and functions of the municipality and to appoint or remove or approve appointment or removal of members of boards, commissions, and other agencies over which the city has control.

(14) All ordinances, and orders of the city may be proved by the signature of the city clerk; and when the ordinances are placed in a printed composite index or code of ordinances by authority of the city, the printed copy shall be received in evidence by any state court without further proof of the ordinances.

(15) For anything said in debate, legislative body members shall be entitled to the same immunities and protections allowed to members of the General Assembly.

Section 5. KRS 147A.025 is amended to read as follows:

(1) [~~Except as provided in subsection (7) of this section,~~]The Department for Local Government with the advice and approval of the state local finance officer annually shall conduct a program to instruct county clerks, sheriffs, jailers, and county treasurers respecting their duties and responsibilities in the collection and expenditure of public moneys, subject to their control and jurisdiction.

(4) The commissioner of the department with the advice and approval of the state local finance officer may prescribe completion standards for this program, and may, subject to subsection (6) of this section, establish the number, type and sequence of instructional sessions to be conducted by the department; but the commissioner of the department shall not require the attendance of any county official, nor shall he prescribe any requirement or standard that restricts or impairs a county official or elected candidate in the lawful pursuit or conduct of the office to which he is elected.

(5) The department shall notify in advance each county clerk, sheriff, jailer, and county treasurer respecting instructional session pertinent to his office. Notification shall be by mail, and it shall be posted no later than twenty-one (21) days prior to the instructional session. At a minimum, the notice shall give the date, time, place and title of the instruction session.

(6) The department shall conduct this program by providing a one (1) day session at various locations throughout this state in order to minimize the travel expenses of those officials attending, provided that the aggregate number of all sessions shall not exceed five (5) during any calendar year.[~~ Except as provided in subsection (7) of this section,~~] The department may commence instruction anytime during a calendar year.

(7)[~~ The department shall not conduct a program as provided by this section during any calendar year when a general election is held for every constitutional county office. The department shall also confer with those state universities whose mission statements mandate their participation in the training of public officials, the state associations for those officials listed in subsection (1) of this section, and the Kentucky Association of Counties, respecting the implementation of this section.

(4) (a) Notwithstanding the provisions of subsection (3) of this section, if one hundred (100) residents of a county school

district division petition the Kentucky Board of Education stating that the school district divisions are not divided as nearly equal in population as can reasonably be expected, the chief state school officer shall cause an investigation to determine the validity of the petition, the investigation to be completed within thirty (30) days after receipt of the petition.

(b) If the investigation reveals the school district to be unequally divided according to population, the Kentucky Board of Education, upon the recommendation of the chief state school officer, shall order the local board of education to make changes in school district divisions as are necessary to equalize population within the five (5) school divisions.

(c) If any board fails to comply with the order of the Kentucky Board of Education within thirty (30) days or prior to August 1 in any year in which any members of the board are to be elected, members shall be elected from the district at large until the order of the Kentucky Board of Education has been complied with.

Any increase in the height, length, or width of any motor truck or tractor semitrailer combinations or any other vehicle combinations including any part of the body or load or designation of highways to be used by the vehicles, shall not, in any way, exceed the federal law or regulations thereunder or jeopardize the allotment or qualification for federal aid funds of the Commonwealth of Kentucky or exceed the following dimensions and weights:

(5) Vehicles designed for and engaged exclusively in the collection and hauling of refuse and registered under KRS 186.050(3)(b) shall be excluded from the axle weight provisions, except when in operation on the federal interstate system,

and subject only to total gross weight provisions.

(6) The secretary of the Transportation Cabinet may by order increase the weight and height limits prescribed by this chapter for motor vehicles while being operated exclusively on roads or highways being constructed, reconstructed, or repaired under contract with the Transportation Cabinet by the contractor or subcontractor, agent, or employee thereof.

HB 131, AN ACT relating to special license plates.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 186 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, "MWPHGL" means a masonic order affiliated with the Most Worshipful Prince Hall Grand Lodges.

(2) The owner or lessee of a motor vehicle registered under the provisions of KRS 186.050(1) or (3)(a) may apply for a special MWPHGL license plate in the office of the county clerk in the county where the person lives. At the time the owner or lessee applies for a special MWPHGL license plate, the person shall include with the application the initial state fee of fifty dollars ($50). The county clerk shall inform the owner or lessee that the person's application and state fee shall be sent to Frankfort to the Transportation Cabinet where it may be held for a period not to exceed one (1) year while the cabinet is waiting to receive sufficient applications subject to the provisions of subsection (3) of this section. The person shall designate on the application form the specific MWPHGL where the proceeds from the person's purchase shall be credited for distribution under subsection (10) of this section.

(3) The Transportation Cabinet shall be required to begin designing and printing special MWPHGL license plates after the cabinet has received nine hundred (900) applications accompanied by a fifty dollar ($50) state fee within a one (1) year period. The purpose of the fifty dollar ($50) state fee is to offset computer programming costs incurred by the cabinet. Unless the cabinet is requested in writing to the contrary, if the cabinet has not received nine hundred (900) applications within one (1) year from the date the cabinet receives the first application for a special MWPHGL license plate, the cabinet shall refund the fifty dollar ($50) state fee to the appropriate applicants.

(4) Subject to the provisions of subsection (3) of this section, the total initial application fee for the first nine hundred (900) special MWPHGL license plates printed by the Transportation Cabinet shall be sixty-eight dollars ($68). The sixty-eight dollar ($68) fee shall be divided as follows:

(a) The Transportation Cabinet shall receive a fee of fifty dollars ($50) that includes the state fee to reflectorize the license plate under KRS 186.240;

(b) The county clerk shall receive a fee of three dollars ($3); and

(c) The remaining fifteen dollar ($15) fee collected from the applicant shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.

(5) The initial application fee for each special MWPHGL license plate printed by the Transportation Cabinet in excess of nine hundred (900) shall be thirty dollars ($30). The thirty dollar ($30) fee shall be divided as follows:

(a) The Transportation Cabinet shall receive a fee of twelve dollars ($12) that includes the state fee to reflectorize

the license plate under KRS 186.240;

(b) The county clerk shall receive a fee of three dollars ($3); and

(c) The remaining fifteen dollar ($15) fee collected from the applicant shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.

(6) A special MWPHGL license plate shall annually be issued a renewal registration decal during the owner's or lessee's birth month. The annual renewal fee shall be twenty dollars ($20) and shall be divided as follows:

(a) The Transportation Cabinet shall receive a fee of twelve dollars ($12) that includes the state fee to reflectorize the license plate under KRS 186.240;

(b) The county clerk shall receive a fee of three dollars ($3); and

(c) The remaining five dollar ($5) fee collected from an applicant renewing an annual registration shall be remitted to the Transportation Cabinet to be used as provided in subsection (10) of this section.

(7) Except as provided in this subsection, the special MWPHGL license plate shall be replaced on the same schedule that regular license plates are replaced by the Transportation Cabinet under KRS 186.240. A special MWPHGL license plate shall be replaced free of charge if the metal plate is destroyed in an accident, the plate deteriorates to a point that the lettering, numbering, or images on the face of the plate are not legible, or the plate is stolen, if the owner or lessee has not transferred the vehicle issued the plate during the current licensing period.

(8) A person seeking a special MWPHGL license plate for a vehicle provided as part of the person's occupation shall conform to the requirements of KRS 186.050.

(9) Upon the sale, transfer, or termination of a lease of a vehicle licensed under this section, the owner or lessee shall remove the special MWPHGL license plate and return it and the certificate of registration to the county clerk. The county clerk shall reissue the owner or lessee a regular license plate and certificate of registration upon payment of a twelve dollar ($12) state fee that includes the state fee to reflectorize the license plate under KRS 186.240 and a three dollar ($3) county clerk fee. If the owner or lessee requests, the county clerk shall reissue the special MWPHGL license plate free of charge for use on any other vehicle of the same classification and category owned by the person during the current licensing period. If the owner or lessee has the special MWPHGL license plate reissued to another vehicle, the regular license plate that is being replaced shall be returned to the county clerk who shall forward the plate to Frankfort.

(10) All funds received by the Transportation Cabinet under subsections (4)(c), (5)(c), and (6)(c) of this section shall be deposited into a MWPHGL program fund that is established in the state road fund. Money in the MWPHGL program fund shall be used as provided in this subsection. If at the end of a fiscal year money remains in the MWPHGL program fund, it shall be retained in the fund and used as provided in this subsection and shall not revert to the road fund. All interest and income earned on money in the MWPHGL program fund shall be retained by the Transportation Cabinet to help offset the costs associated with administering this subsection.

(a) At the end of each fiscal year the cabinet shall, after deducting interest and income earned during the year, disburse all funds remaining in the MWPHGL program fund to the Most Worshipful Prince Hall Grand Lodges of Kentucky, Inc. The lodges shall be responsible for distributing funds under this subsection among all MWPHGL chapters throughout the Commonwealth. The funds shall be used to foster literacy programs, offer computer training, and support community issues.

(b) The amount of money each MWPHGL shall receive under this subsection shall be proportionate to the amount of money contributed to the MWPHGL program fund from sales of the special MWPHGL license plates in the county where the MWPHGL is located.

(c) A person wishing to purchase a special MWPHGL license plate who lives in a county that does not have a MWPHGL chapter shall be permitted on the application form to designate the specific MWPHGL chapter where the proceeds from the person's purchase shall be credited for purposes of distribution under this subsection. The plate issued under this paragraph shall designate the county where the person's motor vehicle is registered, not the county where the MWPHGL chapter designated on the application form is located.

(11) Subject to limitations imposed by the cabinet, special MWPHGL license plates shall be the color and design selected by the Most Worshipful Prince Hall Grand Lodges of Kentucky, Inc. The lodges may select up to three (3) designs. The name "Kentucky" shall appear on the MWPHGL license plate and the cabinet may use any combination of letters or numerals as needed in the design.

The Committee Substitute to **HB 131** is as follows:

After the first nine hundred (900) persons apply for the special plate, each application shall be accompanied by the fee established in subsection (4) of this section. The county clerk shall inform the first nine hundred (900) applicants that the application and state fee shall be sent to the Transportation Cabinet in Frankfort where they shall be held for a period not to exceed one (1) year while the cabinet is waiting to receive sufficient applications subject to the provisions of subsection (3) of this section. Until the MWPHGL license plate is actually printed, the cabinet shall issue to each county clerk a monthly status report on the number of persons that have applied for the special plate, to enable the clerk to determine the appropriate application fee.

(3) If the Transportation Cabinet receives a minimum of nine hundred (900) applications accompanied by a fifty dollar ($50) state fee within one (1) year from the date the cabinet receives the first application for the special plate, the cabinet shall begin designing and printing special MWPHGL license plates. The purpose of the fifty dollar ($50) state fee is to offset computer programming costs incurred by the cabinet. If the cabinet does not receive nine hundred (900) applications within one (1) year from the date the cabinet receives the first application for a special MWPHGL license plate, the cabinet shall refund the fifty dollar ($50) state fee to the appropriate applicant and this section shall expire and be automatically repealed.

(4) After the minimum number of requests required under subsection (3) of this section has been achieved and the cabinet has printed the MWPHGL license plate, each initial applicant for the special plate, and each applicant applying to renew the special plate, shall pay a state fee of twelve dollars ($12) that includes the fee to reflectorize the license plate under KRS 186.240, and a county clerk fee of three dollars ($3). An applicant may also make a voluntary contribution of fifteen dollars ($15) that the county clerk shall remit quarterly to the Most Worshipful Prince Hall Grand Lodges of Kentucky, Inc., or its successor agency, to be used as established in subsection (9) of this section.

(5) A special MWPHGL license plate shall be a five (5) year plate and shall annually be issued a renewal registration decal during the owner's or lessee's birthmonth.

(6) A special MWPHGL license plate shall be replaced free of charge if the metal plate is destroyed in an accident, deteriorates to a point that the lettering, numbering, or images on the face of the plate are not legible, or the plate is stolen, if the owner or lessee has not transferred the vehicle to which the plate was issued during the current licensing period.

(7) A person seeking a special MWPHGL license plate for a vehicle provided as part of the person's occupation shall conform to the requirements of KRS 186.050(14).

(8) Upon the sale, transfer, or termination of a lease of a vehicle licensed under this section, the owner or lessee shall remove the special MWPHGL license plate and return it and the certificate of registration to the county clerk. The county clerk shall reissue the owner or lessee a regular license plate and certificate of registration upon payment of a three dollar ($3) county clerk fee. If the owner or lessee requests, the county clerk shall reissue the special MWPHGL license plate free of charge for use on any other vehicle of the same classification and category owned by the person during the current licensing period. If the owner or lessee has the special MWPHGL license plate reissued to another vehicle, the regular license plate that is being replaced shall be returned to the county clerk who shall forward the plate to the Transportation Cabinet.

(9) All funds received by the Most Worshipful Prince Hall Grand Lodges of Kentucky, Inc. under subsection (4) of this section shall be deposited into a separate account that shall be audited yearly at the expense of the lodges. The completed audit shall be forwarded to the Transportation Cabinet in Frankfort. Money in the account shall be used for public programs not limited to MWPHGL members that promote literacy, offer computer training, and support community issues.

(10) The name "Kentucky" shall appear on the MWPHGL license plate and the cabinet may use any combination of letters or numerals as needed in the design. Subject to any other necessary limitations imposed by the Transportation Cabinet, special MWPHGL license plates shall be the color and design developed by the Most Worshipful Prince Hall Grand Lodges of Kentucky, Inc.

A change of location shall require a new application. ***A licensee may conduct a temporary sale or display, not to exceed three (3) days in duration, at a location in the county of the licensee's established place of business if the temporary sale or display is permitted under an enabling ordinance enacted by the city, county, urban-county, or consolidated local government within whose boundaries the temporary sale or display is to be conducted. The House of Representatives of the Commonwealth of Kentucky hereby recognizes Ronald Reagan Day in the State of Kentucky and pays tribute to this distinguished American who worked throughout his life serving freedom and advancing the public good through his efforts as an entertainer, Union leader, corporate spokesman, Governor of California, and President of the United States. Former President Reagan is further lauded for the honor and distinction with which he served for two terms as the 40th President of the United States, during which time he earned the confidence of three-fifths of the electorate and was victorious in 49 of the 50 states in the 1984 general election, a record which remains unsurpassed in the history of American presidential elections. Inaugurated in 1981 and inheriting a disillusioned nation shackled by rampant inflation and high unemployment, former President Reagan worked with great integrity in an attempt to restore accountability and common sense to Government, an effort which facilitated unprecedented economic expansion and opportunity; maintained a commitment to active social policy for the Nation's children, which led to lower crime and drug use in neighborhoods across America; worked tirelessly to prepare America's Armed Forces to win the Gulf War, continually upholding his vision of "peace through strength," which ultimately resulted in the end of the Cold War and the demise of the Soviet Union, guaranteeing basic human rights for millions of people; and, contributed richly to the restoration of pride in America, her values and those cherished by the free world. The members of this honorable body join with Representative Danny R. Ford in recognizing February 6, 2003, and subsequent yearly anniversaries thereafter as Ronald Reagan Day in most ardent appreciation of the leadership and vision with which he continually served his country over the course of his life and for the freedoms that he enabled us to maintain in this Nation. Done in Frankfort, Kentucky, this sixth day of February, in the year two thousand and three.

Representative Meeks moved the adoption of the following **Legislative Citation No. 14**.

The House of Representatives of the Commonwealth of Kentucky hereby recognizes and honors the members of Alpha Kappa Alpha Sorority, Inc. upon participating in "Alpha Kappa Alpha Day," celebrated at State Capitals across this great Nation. Founded in 1908 at Howard University as a vehicle to enrich the social and intellectual aspects of college life, the sorority's function throughout the years has become far more complex. Incorporated in 1913, Alpha Kappa Alpha became the channel through which selected college-trained women worked to improve the socioeconomic status of their cities, states, nations and the world. The members of this outstanding national public service organization now sit in on sessions of state legislatures in order to observe their legislators at work. Inasmuch as this exemplary sorority has long been committed to public service, sisterhood and scholarship, and does not support any political party line but is ever-vigilant regarding awareness of laws, programs and practices that affect the health, education and welfare of all citizens, especially African Americans, the members of this honorable body are delighted to join Representative Paul Bather, Representative Derrick W. Graham, and Representative Reginald K. Meeks in welcoming them to the Chambers of the Kentucky House of Representatives on this day. Further, expressions of gratitude are extended to these citizens for their interest and involvement in the legislative process. Done at Frankfort, Kentucky, this seventh day of February, in the year two thousand and three.

The General Assembly authorizes the Department to develop and implement a facility replacement and renovation program to improve the quality of Workforce Development Cabinet facilities used by the Department and its clients, and to reduce departmental reliance on lease/rental properties. The Department is directed to coordinate this program with the Secretary of the Finance and Administration Cabinet. Proceeds acquired from the sale, transfer, or other disposition of existing facilities may be expended toward the purchase, construction, renovation, and equipping and furnishing of replacement facilities. Expenditures authorized by this provision are limited to the use of funds solely derived from the sale of Cabinet-owned facilities, which equity rights are shared between both the state and the federal government. Any project estimated to cost over $400,000 shall be reported to the Capital Projects and Bond Oversight Committee by the Secretary of the Finance and Administration Cabinet.

R. COAL SEVERANCE TAX PROJECTS

Notwithstanding KRS 42.4588(2) and (4), the following projects are authorized and appropriated from Local Government Economic Development Fund moneys from the respective single county fund pursuant to KRS 42.4592 for public purposes in the following coal-producing counties in the manner and amounts enumerated. These projects are determined by the General Assembly to be important to the furtherance of the public policy objectives and economic development purposes for which the Local Government Economic Development Program was established. The amounts appropriated are estimates. Actual expenditures and encumbrances shall be limited to the actual receipts realized and available in the respective single county fund. These amounts are comprised of estimated receipts for fiscal year 2002-2003 and fiscal year 2003-2004 in combination with prior unobligated balances in the respective single county funds. To the extent that a county that is authorized to proceed with a project enumerated below receives more single county Local Government Economic Development Fund moneys than are appropriated in this Act, the county may direct those funds to offset a cost overrun on any of the projects enumerated below upon approval of the Commissioner of the Coal County Development Office.

CAPITAL PROJECTS BUDGET PROVISIONS
FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2002, unless reauthorized in this Act with the following exceptions: (1) A construction contract for the project shall have been awarded by June 30, 2002; (2) Permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) Grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties; and (4) Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), unless expressly reauthorized or reallotted in this Act. Any capital construction project authorized pursuant to actions approved by the 2000 General Assembly House Bill 507 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects or S. Coal Severance Tax Projects), that is not expressly reauthorized or reallotted in this Act is deemed to be reauthorized. Notwithstanding the criteria set forth in this section, the disposition of 2000-2002 biennium nonstatutory appropriated maintenance pools funded from Capital Construction Investment Income shall remain subject to the provisions of KRS 45.770(4)(c) and (d) with the exception of the Cabinet for Families and Children. To facilitate the transfer of five buildings from the Cabinet for Families and Children to the Finance and Administration Cabinet, it is the intent of the General Assembly that any remaining balance in any currently authorized Cabinet for Families and Children non-bond funded project be credited to the Finance and Administration Cabinet Maintenance Pool. Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2002.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium. The full amount of annualized debt service has been included at the beginning of fiscal year 2003-2004. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2003.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding KRS 45.750 to 45.810, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance, and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund, or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance, and Replacement Fund, the Capital Construction and Equipment Purchase Contingency Fund, or the Deferred Maintenance Fund in this Act.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond-financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding KRS 48.010(13)(b), 48.720, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund

source substitution shall be credited to the Deferred Maintenance Pool Account each year. Unneeded debt service resulting from any other circumstance shall lapse in accordance with KRS 48.010(13)(b), 48.720, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance, and Replacement Fund falls below $5,000,000 in fiscal year 2002-2003, any debt service lapse necessary to bring the fund balance to $5,000,000 in that fiscal year shall be credited to the Emergency Repair, Maintenance, and Replacement Fund. If the Emergency Repair, Maintenance, and Replacement Fund remains at $5,000,000 or above, the first $2,000,000 in fiscal year 2002-2003 in debt service lapse shall be deposited to the General Fund Surplus Account for the purpose of paying unbudgeted Necessary Government Expenses. No transfer to the Emergency Repair, Maintenance, and Replacement Fund, Deferred Maintenance Pool Account, or the General Fund Surplus Account shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled "Agency Bond Pool," (L.1.a.). Agency Bonds, $31,300,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2002-2004 biennium.

Notwithstanding KRS 45.750 to 45.810, 45.812, 45.814, 45.816, and 45.818, capital construction projects at institutions of postsecondary education involving no state or Federal Funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

8. The Research Challenge Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.c.) shall be transferred to the Research Challenge Trust Fund as established in KRS 164.7911 and 164.7917.

9. The Regional University Excellence Trust Fund-Endowment Match capital project appropriation under the Council on Postsecondary Education (L.1.d.) shall be transferred to the Regional University Excellence Trust Fund as established in KRS 164.7911 and 164.7919.

10. Notwithstanding 2000 Ky. Acts ch. 549, Capital Projects Budget Provisions for Part II, Capital Projects, 10., pertaining to the Capital Renewal and Maintenance Pool, the matching requirement is extended until June 30, 2004. Each postsecondary education institution may access any unmatched funds allocated from the Capital Renewal and Maintenance Pool to that institution after entering into an agreement with the Council on Postsecondary Education agreeing to fulfill the matching requirement by June 30, 2004. The Council on Postsecondary Education shall develop guidelines for the agreements.

11. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond Program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

12. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Kentucky Infrastructure Authority Water and Sewer Projects Pool, Repair of State-Owned Dams, Land Acquisition, Property Demolition, Guaranteed Energy Savings projects, Purchase of Agricultural Conservation Easements (PACE), Wetland and Stream Mitigation, Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects which shall include authorization for the High-Tech Construction Pool and the High-Tech Investment Pool, Infrastructure projects, Employment Services facilities projects authorized in this part of this Act, Asbestos Abatement projects, Technology Trust Fund projects, systems, initiatives, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over $400,000 and equipment estimated to cost over $100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

13. Notwithstanding KRS 42.560 or any other statute or provision of law to the contrary, all undisbursed funds in the Energy Assistance Trust Fund, the expenditure authority for which expired February 19, 1998, are hereby transferred and appropriated to the Energy Efficiency in State Government Buildings Revolving Loan Fund, contingent upon passage of enabling legislation. These funds represent receipts and accumulated interest thereon from the Stripper Well Settlement Agreement under the U.S. Department of Energy Stripper Well Exemption Litigation, as provided in KRS 42.560 to 42.566. These funds are appropriated as Restricted Funds in the Finance and Administration Cabinet's Capital Budget.

14. Notwithstanding KRS 154.33-600 to 154.33-609 or any other statute or provision of law to the contrary, all

moneys appropriated by the 1998 General Assembly and added to or reauthorized by the 2000 General Assembly for the Red Fox golf course are hereby reauthorized and reallocated to a new entity entitled "The Perry/Knott County Recreational Authority" (PKCRA) with the following exception: the $700,000 originally appropriated by the 1998 General Assembly from the Letcher County/Single County Coal Severance tax money is hereby directed to be returned to Letcher County. The balance of funds remaining in the heretofore entitled Red Fox/Carr Fork golf course project are authorized to be directed to a public recreational project or projects including but not limited to a public golf course at a site or sites to be determined by the Authority. The recreational project or projects supported by these funds shall be administered through a new bi-county cooperative authority comprised of one member from each of Knott and Perry Counties who shall be appointed by the respective County Judge/Executive and three members who shall be appointed by the Governor. The new five member Board of the Authority shall develop, operate, and manage the project. This authorization shall supersede any previous authorization by the General Assembly and any memorandum of agreement or understanding that has been entered into among the Commonwealth, Perry, Knott, and Letcher counties.

15. The appropriation by the 2000 General Assembly in the amount of $2,000,000 in Bond Funds for fiscal year 2001-2002 (2000 Ky. Acts ch. 549, Part II, R. Community Development Projects, 1. Finance and Administration Cabinet, number 661, Aquaculture Infrastructure Components), in accordance with the provisions of Capital Projects Budget Provisions for Part II, Capital Projects, 4., of this Act, is reauthorized and reallocated in fiscal year 2002-2003 to be appropriated to Kentucky State University as follows: $600,000 to the Purchase Area Aquaculture Cooperative of which $450,000 is to be used for operating costs on the existing facility, education, initiatives to promote marketing and quality control, and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Purchase Area Aquaculture Cooperative and the remaining $150,000 is to be used to complete the Pond Cost Share Program for farmers that were deemed qualified but due to rankings did not get funded; $900,000 to the Kentucky State University Aquaculture Program of which $800,000 is to be used for shrimp research and development, and the remaining $100,000 is to be used for bass research and development; $400,000 to the Montgomery County Aquaculture Cooperative, to be spent on the purchase and installation of aquaculture processing equipment, education, and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Montgomery County Aquaculture Cooperative; and $100,000 to the Thoroughbred Shrimp Company in Franklin County for support and enhancement of its shrimp hatchery operations, including the purchase and installation of equipment and other expenditures deemed appropriate under the Cooperative Agreement between Kentucky State University and the Thoroughbred Shrimp Company in Franklin County.

PART III

GENERAL PROVISIONS

1. Restricted Funds designated in the biennial budget bills are classified in the state financial records and reports as the Agency Revenue Fund, State Enterprise Funds (State Parks, State Fair Board, Insurance Administration, and Kentucky Horse Park), Internal Services Funds (Fleet Management, Computer Services, Correctional Industries, Central Printing, Risk Management, and Property Management), and selected Fiduciary Funds (Unemployment Compensation and Other Expendable Trust Funds). Separate funds records and reports shall be maintained in a manner consistent with the branch budget bills.

The sources of Restricted Funds appropriations in this Act shall include all fees (which includes fees for room and board, athletics, and student activities) and rentals, admittances, sales, bond proceeds, licenses collected by law, gifts, subventions, contributions, income from investments, and other miscellaneous receipts produced or received by a budget unit, except as otherwise specifically provided, for the purposes, use, and benefit of the budget unit as authorized by law. Restricted Funds receipts shall be credited and allotted to the respective fund or account out of which a specified appropriation is made in this Act. All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, and other miscellaneous federal receipts received by a budget unit, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. Federal Funds receipts shall be credited and allotted to the respective fund account out of which a specified appropriation is made in this Act. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2002-2003 or fiscal year 2003-2004, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810 and this Act, and with the authorization of the State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

Prior to authorizing the appropriation of any excess, unbudgeted Restricted Funds pursuant to this section, the State Budget Director and the Secretary of the Finance and Administration Cabinet shall review the adequacy of the General Fund Surplus Account with respect to its availability to support Necessary Government Expenses. In the event that General Fund Surplus Account moneys are determined by this review to be adequate to meet known or anticipated Necessary Government

Expenses during fiscal year 2002-2003 or fiscal year 2003-2004, respectively, then the appropriation increase may be approved. In the event that the review contemplated in this section indicates that there are insufficient funds available or reasonably estimated to become available to the General Fund Surplus Account to meet known or projected Necessary Government Expenses for the fiscal years enumerated above, the State Budget Director, with the concurrence of the Secretary of the Finance and Administration Cabinet, may disapprove the request for additional Restricted Funds expenditure authority and may direct the excess Restricted Funds identified to the General Fund Surplus Account in order to meet Necessary Government Expense obligations. The results of any review shall be reported to the Interim Joint Committee on Appropriations and Revenue in accordance with KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810.

On or before the beginning of each fiscal year, and, if applicable, during each fiscal year, each budget unit shall document and submit to the Finance and Administration Cabinet, the Governor's Office for Policy and Management, and the Legislative Research Commission a record of Restricted Funds and Federal Funds for each budget unit showing the most current estimates of receipts by sources and expenditures by uses, a comparative statement of any revised estimated receipts and proposed expenditures with appropriation sums specified in the enacted Budget of the Commonwealth, and statements which explain the cause, source, and use for any variance which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal Funds records contained in the fiscal biennium 2002-2004 Branch Budget Request Manual and according to the following schedule in each fiscal year: (1) On or before the beginning of each fiscal year; (2) On or before October 1; (3) On or before January 1; and (4) On or before April 1.

3. Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and the provisions of KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810. Compliance with the provisions of this subsection shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

4. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

5. Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account respectively to the extent the Federal Funds otherwise become available.

6. A state agency entitled to Federal Funds which would represent 100 percent of the cost of a program shall conform to KRS 48.730.

7. Pursuant to KRS 48.720, any excess General Fund or Road Fund debt service shall lapse to the respective surplus account unless otherwise directed in this Act.

8. No appropriation from any fund source shall exceed the sum specified in this Act until the agency has documented the necessity, purpose, use, and source, and the documentation has been submitted to the Interim Joint Committee on Appropriations and Revenue for its review and action in accordance with KRS 48.630. Proposed revisions to an appropriation contained in the enacted State/Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 2 of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

9. Allotments within appropriated sums for the activities and purposes contained in the enacted State/Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

10. All statutory continuing appropriations in existence at the time this Act takes effect are discontinued and suspended by this Act except as provided by Chapters 42, 96A, 164, 183, 278, and 441 of the Kentucky Revised Statutes. All statutes and portions of statutes in conflict with any of the provisions of this section, to the extent of the conflict, are suspended unless otherwise provided by this Act.

11. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made heretofore or hereafter for the fiscal year ending June 30, 2002, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

12. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which the appropriation may be expended shall be decided by the Secretary of the Finance and Administration Cabinet pursuant to KRS 48.500, and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

13. The State Budget Director shall cause the Governor's Office for Policy and Management, within 60 days of adjournment of the 2003 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget

of the Commonwealth, based upon the recommended Legislative Budget as enacted by the 2002 Regular Session of the General Assembly and the recommended State/Executive Budget and Judicial Budget as enacted by the 2003 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for the 2002-2004 biennium, and based upon supporting documentation and legislative records as considered by the 2002 Regular Session of the General Assembly, the 2003 Regular Session of the General Assembly, and the statutory budget memorandum. This document shall include, for each agency and budget unit, a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class and for the State/Executive Budget, and any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted State/Executive Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each part of this Act and by KRS 48.400, 48.500, 48.600, 48.605, 48.610, 48.620, 48.630, 48.700, 48.705, 48.710, 48.720, 48.730, 48.800, and 48.810, and upon review and action by the Interim Joint Committee on Appropriations and Revenue.

14. Pursuant to KRS 48.400, the State Budget Director shall monitor and report on the financial condition of the Commonwealth.

15. The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

16. The Secretary of the Transportation Cabinet shall use Road Fund resources to meet the lease rental payments to the Kentucky Turnpike Authority for Resource Recovery Road projects in the amount certified by the Secretary of the Transportation Cabinet. However, if Road Fund resources are not sufficient to meet lease rental payments, the additional amount required for meeting lease rental payments as certified by the Secretary of the Transportation Cabinet under KRS 143.090 shall be transferred from coal severance tax receipts to meet the obligation.

17. Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in an Act of the 2002 Regular Session of the General Assembly or another Act of the 2003 Regular Session of the General Assembly. If any executive reorganization order issued from sine die adjournment of the 2001 Regular Session to sine die adjournment of the 2002 Regular Session was not confirmed by the 2002 Regular Session of the General Assembly, the Secretary of the Finance and Administration Cabinet shall, in consultation with agency heads and with notification to the Legislative Research Commission, transfer the balance of funds for any affected program or function for fiscal year 2001-2002 and any related appropriations and funds for each of the next two fiscal years from the budget unit in which the program or function was placed by the executive reorganization order to the budget unit in which the program or function resided prior to the reorganization action or in which it was placed by action of the 2002 Regular Session of the General Assembly. The Legislative Research Commission shall forward the documentation to the appropriate committees.

18. Notwithstanding KRS 61.565, the employer contribution rate for the Kentucky Employees Retirement System shall be as follows: the General Assembly has determined that the employer contribution rate for the Kentucky Employees Retirement System for fiscal year 2002-2003 shall take appropriate notice of the additional revenues credited to the system as a result of the Anthem Blue Cross Blue Shield demutualization agreement. Therefore, from July 1, 2002, through June 30, 2003, the contribution rates shall be no more than three and seventy-six hundredths percent for nonhazardous duty employees, 17.6 percent for hazardous duty employees, and 17.37 percent for employees of the State Police Retirement System. From July 1, 2003, through June 30, 2004, the employer contribution rate shall be no more than five and eighty-nine hundredths percent for nonhazardous duty employees, 18.84 percent for hazardous duty employees, and 21.58 percent for employees of the State Police Retirement System.

19. By August 15, 2003, the Finance and Administration Cabinet, in conjunction with the Consensus Forecasting Group, shall provide to each branch of government, pursuant to KRS 48.117, a budget planning report.

20. By October 15, 2003, the Office of State Budget Director shall provide to each branch of government detailed estimates for the General Fund and Road Fund for the current and next two fiscal years of the revenue loss effected by tax expenditures. The Revenue Cabinet shall provide assistance and furnish data which is not restricted by KRS 131.190. "Tax expenditure" means an exemption, exclusion, or deduction from the base of a tax, a credit against the tax, a deferral of a tax, or a preferential tax rate. The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

21. Any appropriation item and sum in Part I to Part XI of this Act and in an appropriation provision in another Act of the 2002 Regular Session which constitute a duplicate appropriation shall be governed by KRS 48.312.

22. KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

23. Appropriation items and sums in Part I to Part XI of this Act shall conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or

unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

24. For fiscal year 2002-2003 and fiscal year 2003-2004, the first $6,000,000 of any unclaimed prize money held in the corporate operating account of the Kentucky Lottery Corporation shall be added to the pool from which future prizes are to be awarded or used for special prize promotions, and any amount in excess of $6,000,000 shall be transferred to the Affordable Housing Trust Fund established by KRS 198A.710.

25. The Technology Trust Fund is the Technology Trust Fund established by 1996 Ky. Acts ch. 380, Part X, to empower Kentucky state government through technology and redesigned business systems, and additional amounts made available and appropriated to it by the 1998 Regular Session in House Bill 321 (1998 Ky. Acts ch. 615, Part X).

Appropriations allotted from the Technology Trust Fund for each project, initiative, or system, as well as all other associated resources made available from regular appropriations for the same purpose from a budget unit shall be transferred and credited to, and accounted for and expended from, a discrete account established for the individual project, initiative, or system item. In addition to the General Fund appropriations in this Part for the Technology Trust Fund, Restricted Funds, Federal Funds, the Road Fund, private funds, and any matching fund appropriations required are appropriated in support of the projects and priorities identified by the Empower Kentucky Steering Committee. However, notwithstanding KRS 45.760(14), 45.770, 45.780, and 45.800, no funds from the Emergency Repair, Maintenance, and Replacement Account shall be used for Technology Trust Fund projects, systems, or initiatives.

26. The General Assembly acknowledges that during fiscal year 2000-2001 the General Fund revenues were less than the enacted estimates pursuant to KRS 48.120(3) and that the 2000 General Assembly had enacted the branch budget bills in 2000 Ky. Acts chs. 544, 545, and 549 as contained in KRS Chapter 47 based upon the anticipated revenue estimates.

The 2000 General Assembly enacted the 2000-2002 biennium General Fund Budget Reduction Plan for fiscal year 2000-2001 in 2000 Ky. Section 4. KRS 158.6453 is amended to read as follows:

(1) The Kentucky Board of Education shall be responsible for creating and implementing a statewide assessment program to be known as the Commonwealth Accountability Testing System to ensure school accountability for student achievement of the goals set forth in KRS 158.645 and 158.6451. The board shall seek the advice of the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability in the development of the program. The statewide assessment program shall not include measurement of a student's ability to become a self-sufficient individual or to become a responsible member of a family, work group, or community.

(2) The assessment program shall include the following components:

(a) A customized or commercially available norm-referenced test that measures, to the extent possible, the core content for assessment. The test shall provide valid and reliable results for individual students;

(b) Open-response or multiple-choice items, or both, to assess student skills in reading, mathematics, science, social studies, the arts, the humanities, and practical living and vocational studies; and an on-demand assessment of student writing. These assessments shall measure, to the extent possible, the core content for assessment;

(c) Writing portfolios consisting of samples of student work. After receiving the advice of the Writing Advisory Committee, the Kentucky Board of Education shall, by September 1 following April 14, 1998, file a notice of intent to promulgate an administrative regulation which reduces the teacher and student time involved in preparing a writing portfolio. Time reduction strategies included in the administrative regulation may include, but are not limited to, limiting the time spent on a single portfolio entry, limiting the number of revisions, or collecting entries at different grade levels;

(d) Performance assessment events for schools that have students enrolled in performing arts organizations sponsoring sanctioned events with an established protocol for adjudication; and

(e) A technically sound longitudinal comparison of the assessment results for the same students.

(3) Kentucky teachers shall have a significant role in the design of the assessments. The assessments shall be designed to:

(a) Measure grade appropriate core academic content, basic skills, and higher-order thinking skills and their application. The assessment shall measure the core content for assessment used by the Department of Education during the 1997-98 school year. Any revisions to the core content for assessment shall be developed through a public process involving parents; educators at the elementary, secondary, and postsecondary education levels; professional education advocacy groups and organizations; and business and civic leaders and shall be distributed to all public schools;

(b) Provide valid and reliable scores for schools. If scores are reported for students individually, they shall be valid and reliable; and

(c) Minimize the time spent by teachers and students on assessment.

(4) Results from the state assessment under this section shall be reported to the school districts and schools no later than one hundred fifty (150) days following the first day the assessment can be administered.

(5) The Department of Education shall gather information to establish the validity of the assessment and accountability program. It shall develop a biennial plan for validation studies that shall include but not be limited to the consistency of student results across multiple measures, the congruence of school scores with documented improvements in instructional practice and the school learning environment, and the potential for all scores to yield fair, consistent, and accurate student performance level and school accountability decisions. Validation activities shall take place in a timely manner and shall include a review of the accuracy of scores assigned to students and schools, as well as of the testing materials. The plan shall be submitted to the Commission by July 1 of the first year of each biennium. A summary of the findings shall be submitted to the Legislative Research Commission by September 1 of the second year of the biennium.

(6) In addition to statewide testing for the purpose of determining school success, the board shall have the responsibility of assisting local school districts and schools in developing and using continuous assessment strategies needed to assure student progress. The continuous assessment shall provide diagnostic information to improve instruction to meet the needs of individual students.

(7) The Kentucky Board of Education, after the Department of Education has received advice from the Office of Education Accountability; the School Curriculum, Assessment, and Accountability Council; and the National Technical Advisory Panel on Assessment and Accountability, shall promulgate an administrative regulation under KRS Chapter 13A to establish the components of a school report card that clearly communicates with parents and the public about school performance. The school report card shall be sent to the parents of the students of the districts, and a summary of the results for the district shall be published in the newspaper with the largest circulation in the county. It shall include but not be limited to the following components reported by race, gender, and disability when appropriate:

(a) Student academic achievement, including the results from each of the assessments administered under this section;

(b) Nonacademic achievement, including the school's attendance, retention, dropout rates, and student transition to adult life. ***The school report card for elementary schools shall also include the percentage of students who meet the President's Physical Fitness Award criteria***; and

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container; and

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use, or other consumption in this state of, tangible personal property used for the performance of a lump-sum, fixed-fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use, or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property sold through coin-operated bulk vending machines, if the sale amounts to fifty cents ($0.50) or less, if the retailer is primarily engaged in making the sales and maintains records satisfactory to the cabinet. As used in this subsection, "bulk vending machine" means a vending machine containing unsorted merchandise which, upon insertion of a coin, dispenses the same in approximately equal portions, at random and without selection by the customer;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities, or special districts as defined in KRS 65.005. This exemption shall apply only to purchases of property or services for use solely in the government function. If the service is classified as residential, use other than for "residential" purposes by the customer shall not negate the exemption;

(c) The exemption shall not apply if charges for sewer service, water, and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification; and

(d) The exemption shall apply also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years;

A single manufacturing cycle shall be considered to be the period elapsing from the time the raw materials enter into the manufacturing process until the finished product emerges at the end of the manufacturing process.

(b) It shall be noted that in none of the three (3) categories is any exemption provided for repair, replacement, or spare parts. (a) As used in this subsection, "metal retail fixtures" means check stands and belted and nonbelted checkout counters, whether made in bulk or pursuant to specific customer specifications, that are to be used directly by the purchaser or to be distributed by the purchaser.

As used in this subsection, "buydown" means an agreement whereby an amount, whether paid in money, credit, or otherwise, is received by a retailer from a manufacturer or wholesaler based upon the quantity and unit price of tobacco products sold at retail that requires the retailer to reduce the selling price of the product to the purchaser without the use of a manufacturer's or wholesaler's coupon or redemption certificate.

Section 2. The provisions of this Act shall also apply retroactively to periods beginning prior to the effective date of this Act.

HB 221, AN ACT relating to workplace violence.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 411 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section the term "workplace violence" means the attempted, threatened, or actual conduct of a person who endangers or is likely to endanger the health and safety of a public or private sector employee or the general public, or a threatening statement, harassment, or behavior that gives an employee or member of the general public reasonable cause to believe that his health or safety is at risk. Examples of workplace violence shall include, but not be limited to, the following:

(a) Threatening to harm an employee or member of the general public;

(b) Brandishing or displaying a weapon or an object that looks like a weapon in a manner which would present a safety risk to an employee or a member of the general public, or threatens or intimidates them;

(c) Intimidating, threatening, or directing abusive language toward another person, either verbally, in writing, or by gesture;

(d) Stalking;

(e) Striking, slapping or otherwise physically attacking another person; and

(f) Disobeying or failing to follow the reasonable directive of a supervisor to cease actions which create a risk to the health and safety of a state employee or member of the general public or which threaten or intimidate them.

(2) If an employer or that employer's employee has been subject to an act of workplace violence as defined in subsection (1) of this section by any individual, and the act of workplace violence has been carried out at the work site or can reasonably be construed to have been carried out at the work site, the employer may seek a restraining order pursuant to Rule 65.03 of the Kentucky Rules of Civil Procedure prohibiting further acts of workplace violence at the work site on behalf of himself or his employee. The work site shall include any place that work is being performed on behalf of the employer. The employer may seek a restraining order by petitioning the Circuit Court having jurisdiction in the county in which the work site where the alleged act occurred is located.

(3) A petition filed under subsection (2) of this section shall be verified and shall contain:

(a) The name, age, address, occupation, and residence of the petitioner;

(b) The name, age, address, occupation, and residence of the person or persons alleged to have engaged in acts of workplace violence;

(c) The facts and circumstances which constituted the alleged workplace violence;

(d) The nature and extent of any injuries sustained by the employer, the employer's employee or fellow employees as a result of the act of workplace violence; and

(e) Any evidence indicating why the employer, the employer's employee, or the employer's operations may be immediately and irreparably harmed if a restraining order is not granted.

(4) The petition shall be filed on forms prescribed by the Administrative Office of the Courts and provided to the person seeking relief under this section by the circuit clerk or another individual authorized by the court to provide and verify petitions in emergency situations, such as law enforcement officers and county or Commonwealth's attorneys. All petitions requested, completed and signed by a person seeking protection under this section shall be accepted and filed.

(5) Notwithstanding any provision of the law to the contrary, no filing fee or court costs shall be assessed against the petitioner in connection with filing a petition under the provisions of this section.

(6) Upon the filing of a petition, as provided for in subsections (2) to (5) of this section, the court, after review of the petition and determining that workplace violence has occurred, without a jury, shall provide temporary injunctive relief. If after review of the petition, the court determines that the allegations contained in the petition indicate the presence of an immediate and present danger to the employer, the employer's employee or fellow employees, or the employer's operations, the court shall issue a restraining order.

(7) (a) All courts shall provide twenty-four (24) hour access to petition for restraining orders; and

(b) Each court shall submit written procedures for twenty-four (24) hour accessibility to be reviewed and approved by the Kentucky Supreme Court.

(8) If a restraining order is not issued, the court shall note on the petition, for the record, any action taken or denied and the reason for it.

(9) A restraining order granted under this section shall become effective and binding on the respondent at the time of personal service or when the respondent is given notice of the existence and terms of the order by a peace officer or the court, whichever is earlier. After notice of the existence and terms of the order is given to the respondent, a peace officer or the court may enforce the terms of the order, and act immediately upon any violation of the order. After notice of the order, all reasonable efforts shall be made by the peace officer or the court to arrange for personal service of the order upon the respondent.

(10) All forms, affidavits, restraining orders, or orders amending existing orders or other orders issued under this section, or the laws of another jurisdiction which are entitled to full faith and credit in Kentucky under the provisions of 18 U.S.C. sec. 2265, which require entry into the Law Information Network of Kentucky shall be entered on forms prescribed by the Administrative Office of the Courts after consultation with the Justice Cabinet. If the provisions of the restraining order are contained in an order which is narrative in nature, the prescribed form shall be used in addition to the narrative order.

(11) A restraining order granted under this section shall remain in effect for a period not to exceed thirty (30) days unless modified or terminated by the court.

(12) Within ten (10) days of issuing a restraining order, the court shall hold a hearing. At the hearing, the court shall receive evidence from the adverse party denying or explaining the party's actions, or the party may file a cross-complaint. At the hearing, if the adverse party is a current employee of the employer, the court may receive evidence concerning the employer's decision to retain, terminate or otherwise discipline the adverse party. A restraining order shall be reissued for a period not to exceed thirty (30) days if service has not been made on the adverse party by the date of the hearing.

(13) The adverse party shall be personally served with a copy of the restraining order, a copy of the notice setting the full hearing, and a copy of the petition. Service may be made in the manner and by persons authorized to serve subpoenas under the provisions of Rule 45.03 of the Kentucky Rules of Civil Procedure. No service fee shall be assessed to the petitioner.

(14) Following the issuance of a restraining order under this section, if the judge who issued the order is absent from the district, otherwise unavailable, or unable to conduct proceedings regarding the enforcement, violation, or modification of the order within a reasonable time, the proceedings shall be conducted by any District or Circuit Judge.

(15) Upon granting a restraining order the court may, among other appropriate orders:

  (a) Order the adverse party not to visit, assault, molest or otherwise interfere with the employer, the employee injured by the adverse party, or other employees at the work site or the employer's operations;

  (b) Order the adverse party to reimburse the employee injured by the adverse party for any reasonable medical expenses, including counseling costs;

  (c) Order the adverse party to reimburse the employer for any damages to the employer's worksite;

  (d) Order the adverse party not to possess any weapon or device as defined in KRS 527.010;

  (e) Order the adverse party to limit intentional contact with the employee injured by the adverse party, to the extent practicable, if both parties remain employed at the same work site;

  (f) Order the adverse party to cease stalking or harassing the employer's employee at the work site;

  (g) Order the adverse party not to telephone or transmit e-mail to the employer or the employer's employee at the work site; and

  (h) Any other appropriate relief deemed necessary by the court.

(16) Unless specifically modified or terminated by the court, all orders granted under this section shall have statewide validity and may be enforced by the issuing court for any violation anywhere in the state and by any court of competent jurisdiction within the state for violations which may occur within that court's jurisdiction. All orders issued under this section shall contain language directing appropriate law enforcement agencies to enforce the court's orders.

(17) Provisions of this section shall not be applicable in circumstances where an employee or the employee's representative is engaged in union organizing, union activity, a labor dispute, or any activity or action arguably protected by the National Labor Relations Act.

(18) Unless lack of good faith is shown by clear and convincing evidence, an employer and an employer's agent who act in accord with this section shall be presumed to be acting in good faith.

(19) A person is guilty of a violation if the person intentionally violates any order issued under this section with which he has been served or had been given notice.

(20) Violation of a restraining order under this section is a Class A misdemeanor.

It is the intent of the General Assembly to create a capital renewal account.

SECTION 2. A NEW SECTION OF KRS CHAPTER 45 IS CREATED TO READ AS FOLLOWS:

Within the capital renewal account, a separate allotment or project account shall be established for each facility.

(3) Moneys in the capital renewal account shall only be expended for major maintenance projects costing four hundred thousand dollars ($400,000) or more for facilities for which amounts have been deposited to the capital renewal account.

If funds are provided other than from the general fund to the capital renewal account, such funds shall be transferred from the originating budget unit and deposited to the separate project account established for the individual facility.

The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

(c) The employee shall pay the installments by payroll deduction. Upon notification by the retirement system, the employer shall report the installment payments either monthly or semimonthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, the employee shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the employee does not pay the remaining cost or if the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(18) *(a)* After August 1, 1998, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is age sixty-five (65) or older and has forty-eight (48) months of service credit or, if younger, who has sixty (60) months of service credit in systems administered by Kentucky Retirement Systems may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay a delayed contribution payment. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is age sixty-five (65) or older and has forty-eight (48) months of service credit or, if younger, who has sixty (60) months of service credit in systems administered by Kentucky Retirement Systems may purchase credit in the system in which the employee has the service credit for up to three (3) years as a full-time certified or licensed teacher in a public school in another state. The employee shall pay a delayed contribution payment. Payment may be by lump sum, or the employee may pay by increments. The employee shall provide proof that he is not eligible for a retirement benefit for the period of service from a public defined benefit plan. The service shall not be included for determining benefits under KRS 61.702.

(19) After August 1, 1998, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay a delayed contribution payment. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(20) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems and who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.

Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.

(22) An employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by the Kentucky Retirement Systems, who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be a delayed contribution payment, which shall not be picked up by the

employer as described in KRS 61.560(4).

(23) (a) Any person who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the state-administered retirement systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.

The purchase price for the retirement service credit shall be calculated and paid for as a delayed contribution payment. The payment shall not be picked up, as described in KRS 16.545(4), KRS 61.560(4), KRS 78.610(4), by the employer, and the employee's payment shall be paid into the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member. Payment by the member may be by lump sum or by increments. The service purchased under this subsection shall not be used in determining a retirement allowance until the member has accrued at least two hundred forty (240) months of service, excluding service purchased under this subsection. If the member does not accrue at least two hundred forty (240) months of service, excluding service purchased under this subsection, upon retirement, death, or written request following termination, the payment, plus interest as provided in KRS 61.575, shall be refunded.

(26) An employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems, who has at least forty-eight (48) months of service if age sixty-five (65), or at least sixty (60) months of service if under age sixty-five (65), in the systems administered by Kentucky Retirement Systems, may obtain credit in the County Employees Retirement System for the period of that employee's service with a community action agency created under KRS 273.405 to 273.453 if that service was not covered by a state-administered retirement system. (8) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65) in the retirement systems administered by the Kentucky Retirement Systems, who formerly worked for a state university in a position which would have qualified as a regular full-time position had the university been a participating department, and who did not have the option to be covered at the university by a defined benefit retirement program, or did not participate in a retirement system which can be consolidated with other accounts pursuant to KRS 61.680(2), may obtain credit in the employee's account in the County Employees Retirement System, the Kentucky Employees Retirement System, or the State Police Retirement System for prior and current service by paying either retirement system a delayed contribution payment for the service he would have received had his period of university employment been covered by the County Employees, Kentucky Employees Retirement System, or State Police Retirement System. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer. Payment may be by lump sum, or the

employee may pay by increments.

(9) (a) Effective August 1, 1980, any county participating in the County Employees Retirement System may purchase current service, between July 1, 1958, and participation date of the county, for present employees of the county who have obtained coverage under KRS 78.540(2);

(b) Effective July 1, 1973, any department participating in the Kentucky Employees Retirement System may purchase current service between July 1, 1956, and participation date of the department, for present employees of the department who were employees on the participation date of the department and elected coverage under KRS 61.525(2);

(c) Cost of the service credit purchased under this subsection shall be determined by computing the discounted value of the additional service credit based on an actuarial formula recommended by the board's consulting actuary and approved by the board. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. The maximum period allowed in a payment schedule shall be ten (10) years with interest at the rate actuarially assumed by the board; however, a shorter period is desirable and the board may approve any schedule provided it is not longer than a ten (10) year period;

(d) If a county or department elects the provisions of this subsection, any present employee who would be eligible to receive service credit under the provisions of this subsection and has purchased service credit under subsection (4) or (5) of this section shall have his payment for the service credit refunded with interest at the rate paid under KRS 61.575 or 78.640;

(e) Any payments made by a county or department under this subsection shall be deposited to the retirement allowance account of the proper retirement system and these funds shall not be considered accumulated contributions of the individual members.

(10) Interest paid by a member of the Kentucky Employees Retirement System, County Employees Retirement System, or State Police Retirement System under this section or other similar statutes under KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 prior to June 19, 1976, shall be credited to the individual member's contribution account in the appropriate retirement system and considered as accumulated contributions of the member.

(11) Employees who served as assistants to officers and employees of the General Assembly who have at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems and who were unable to acquire service under KRS 61.510(20) may purchase credit for the service performed after January 1, 1960. Service credit under this section shall be obtained by the payment of a delayed contribution which shall not be picked up by the employer as described in KRS 61.560(4).

(12) (a) Effective August 1, 1988, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may purchase service credit for seasonal, emergency, or temporary employment or part-time employment averaging one hundred (100) or more hours of work per month on a calendar or fiscal year basis. If the average number of hours of work is less than one hundred (100) per month, the member shall be allowed credit only for those months he receives creditable compensation for one hundred hours of work. The cost will be determined as a delayed contribution payment for the period of time involved, which shall not be picked up by the employer as described in KRS 61.560(4).

(b) Any noncertified employee of a school board who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may purchase service credit for part-time employment prior to the 1990-91 school year which averaged eighty (80) or more hours of work per month on a calendar or fiscal year basis by paying to the County Employees Retirement System a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 78.610(4), by the employer. Payment may be by lump sum or the employee may pay by increments. If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined as a delayed contribution payment, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs under the provisions of KRS 61.637(1) to (4) and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the systems administered by Kentucky Retirement Systems who has at least forty-

eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved maternity leave, unpaid leave authorized under the Federal Family and Medical Leave Act, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

(c) The employee shall pay the installments by payroll deduction. Upon notification by the retirement system, the employer shall report the installment payments either monthly or semimonthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, the employee shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the employee does not pay the remaining cost or if the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal

Revenue Code and any regulations or rulings issued thereunder, or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. (23) (a) Any person who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes

the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the state-administered retirement systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The service purchased under this subsection shall not be used in determining a retirement allowance until the member has accrued at least two hundred forty (240) months of service, excluding service purchased under this subsection. If the member does not accrue at least two hundred forty (240) months of service, excluding service purchased under this subsection, upon retirement, death, or written request following termination, the payment, plus interest as provided in KRS 61.575, shall be refunded.

(26) An employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems, who has at least forty-eight (48) months of service if age sixty-five (65), or at least sixty (60) months of service if under age sixty-five (65), in the systems administered by Kentucky Retirement Systems, may obtain credit in the County Employees Retirement System for the period of that employee's service with a community action agency created under KRS 273.405 to 273.453 if that service was not covered by a state-administered retirement system. The member shall pay to the retirement system a delayed contribution payment. Payment may be made by lump sum or in increments. HB 61, AN ACT relating to retirement.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;

2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);

3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;

4. The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691;

5. Any retired member who was reemployed prior to March 26, 1974, shall begin making contributions to the system in accordance with the provisions of this section on the first day of the month following March 26, 1974.

(5) A retired member, or his estate, shall pay to the retirement fund the total amount of payments which are not suspended in accordance with subsection (1) of this section if the member received more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment, except the retired member or his estate may repay the lesser of the total amount of payments which were not suspended or fifty cents ($0.50) of each dollar earned over the maximum permissible earnings during reemployment if under age sixty-five (65), or one dollar ($1) for every three dollars ($3) earned if over age sixty-five (65).

(6) (a) "Reemployment" or "reinstatement" as used in this section shall not include a retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095; and

(b) A retired member who has been ordered reinstated by the Personnel Board under authority of KRS 18A.095 or by court order or by order of the Human Rights Commission and accepts employment by an agency participating in the Kentucky Employees Retirement System or County Employees Retirement System shall void his retirement by reimbursing the system in the full amount of his retirement allowance payments received.

(7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the

retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.

(b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. If the member is eligible for retirement, the member's service and creditable compensation earned as a result of his or her reemployment shall be used in the calculation of benefits, except that the member's final compensation shall not be less than the final compensation last used in determining his or her retirement allowance. The member shall not change beneficiary or payment option designations. This provision shall apply to members reemployed on or after August 1, 1998.

(8) A retired member or his employer shall notify the retirement system if he has accepted employment with an agency that participates in the retirement system from which the member retired.

(9) If the retired member is under a contract, the member shall submit a copy of that contract to the retirement system, and the retirement system shall determine if the member is an independent contractor for purposes of retirement benefits.

(10) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(11) (a) If a member of the Kentucky Employees Retirement System retires from a department which participates in more than one (1) retirement system and is reemployed within one (1) month of his initial retirement date by the same department in a position participating in another retirement system, the retired member's retirement allowance shall be suspended for the first month of his retirement and the member shall repay to the retirement system all benefits received for the month.

(b) A retired member of the County Employees Retirement System who after initial retirement is hired by the county from which the member retired shall be considered to have been hired by the same employer.

(c) If an elected official resigns, begins receiving a retirement allowance, and is employed in a position required to participate in the same retirement system from which he or she retired within twelve (12) months of his resignation, the member's retirement shall be voided and the member shall repay to the retirement system benefits received. The member shall contribute to the member account established for him or her prior to the voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(12) (a) If a hazardous member who retired prior to age fifty-five (55), or a nonhazardous member who retired prior to age sixty-five (65), is reemployed within six (6) months of the member's termination by the same employer, the member shall obtain from his previous and current employers a copy of the job description established by the employers for the position and a statement of the duties performed by the member for the position from which he retired and for the position in which he has been reemployed.

(b) The job descriptions and statements of duties shall be filed with the retirement office.

(13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:

(a) The member's retirement allowance shall be suspended during the period that begins on the month in which the member is reemployed and ends six (6) months after the member's termination.

(b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began.

(c) Upon termination, or subsequent to expiration of the six (6) month period from the date of termination, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691.

(d) Except as provided in subsection (7) of this section, if the position in which a retired member is employed after initial retirement is a regular full-time position, the retired member shall contribute to a second member account established for him in the retirement system. Service credit gained after the member's date of reemployment shall be credited to the second member account.

(e) Upon termination, the retired member shall be entitled to benefits payable from his second retirement account.

(14) (a) If the retirement system determines that the retired member has not been reemployed in a position with the same principal duties as the position from which he retired, the retired member shall continue to receive his retirement allowance.

(b) If the position is a regular full-time position, the member shall contribute to a second member account in the retirement system.

(15) (a) If a retired member is reemployed at least one (1) month after initial retirement in a different position, or at least six (6) months after initial retirement in the same position, and prior to normal retirement age, the retired member shall contribute to a second member account in the retirement system and continue to receive a retirement allowance from the first member account.

(b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.

(16) A retired member who is reemployed and contributing to a second member account shall not be eligible to purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 which he was eligible to purchase prior to his initial retirement.

The Committee Substitute to **HB 61** is as follows:

The General Assembly declares that it is the public policy of the Commonwealth of Kentucky to recognize and preserve the cultural, historical, and genealogical heritage of the state's cemeteries for present and future generations. This section and Section 2 of this Act provide a means by which the preservation of eligible Kentucky cemeteries may be financed in part through a voluntary check-off designation on state income tax return forms.

SECTION 2. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

Each taxpayer required to file a return pursuant to KRS 141.180 who is entitled to an income tax refund and who desires to contribute to the Department for Local Government's county cemetery fund created in KRS 67.682 may designate an amount, not to exceed the amount of the refund, to be paid to the fund. In the case of a joint return, each spouse may designate that a portion of the refund shall be paid to the fund. Such designation shall not increase or decrease the income tax liability of any taxpayer, but it shall reduce the income tax refund of such taxpayer or spouse by the amount or amounts designated.

SECTION 3. A NEW SECTION OF KRS CHAPTER 2 IS CREATED TO READ AS FOLLOWS:

(1) The week prior to Memorial Day of each year shall be Kentucky Cemetery Cleanup Week to encourage the statewide cleanup of cemeteries in the Commonwealth. This week shall provide an opportunity for Kentucky communities, individual citizens, and volunteer groups to participate with local, regional, and state entities, to restore, renew, and protect cemeteries as places of dignity, respect, and pride.

(2) Local governments and private businesses shall be encouraged to participate in Kentucky Cemetery Cleanup Week through developing, organizing, and implementing activities that highlight the historical and cultural heritage of their communities. They are encouraged to work in partnership with civic and volunteer organizations as well as corporate sponsors.

(3) The Governor may annually issue a proclamation recognizing the week prior to Memorial Day of each year as Kentucky Cemetery Cleanup Week and call upon all citizens of the Commonwealth to participate in the occasion to honor our ancestral legacy.

SECTION 4. A NEW SECTION OF KRS CHAPTER 307 IS CREATED TO READ AS FOLLOWS:

(1) Descendants and family members of deceased persons buried in cemeteries or graves located on privately owned lands in the Commonwealth shall have a right of ingress to and egress from the location of the burial. This right is conditioned upon the following:

(a) Reasonable notice shall be given by the descendants and family members to the owner and the occupant, if

different, of their intention to access the land where the deceased person is buried;

(b) In the case of unmarked graves or burial sites, descendants or family members shall provide, if requested by the owner or occupant, reasonable proof of the existence of those graves or burial sites;

(c) Access shall be limited to the purposes of visiting the grave, maintaining the grave, and conducting genealogical research;

(d) The access route shall be designated by the landowner or limited to an obvious access route that is visible from view of the property;

(e) The time and manner of access shall be reasonable and designated in writing signed by the descendants or family members and the landowner; and

(f) Descendants and family members of the deceased person shall conduct themselves in a manner that does not damage the private lands, cemetery, or grave sites, and shall be liable to the owner of the private lands for any damage caused as a result of their access.

(2) The right of ingress to and egress from the location of the burial of descendants' and family members' ancestors and relatives on privately owned lands in the Commonwealth that is recognized by the General Assembly in subsection (1) of this section is not intended to alter the recognized common law right of a person to visit the grave site of a deceased relative, nor shall it alter any easements, licenses, privileges, or other dedications which grant the right to visit the grave sites of deceased relatives and are in existence on the effective date of this Act.

(3) Any person denied reasonable access to an ancestor's or relative's burial site may bring an action in the Circuit Court of the county in which the cemetery or grave site is located to enjoin the owner of the private lands on which the cemetery or grave site is located, or his or her agent, from denying the person reasonable ingress to and egress from the cemetery or grave site for the purposes set forth in subsection (1) of this section. When granting such relief, the court may set the frequency, hours, and duration of the access.

(2) No county clerk or deputy county clerk shall admit to record any deed of conveyance of any interest in real property equal to or greater than a life estate, unless the deed plainly specifies and refers to the next immediate source from which the grantor derived title to the property or the interest conveyed therein.

(3) If the source of title is a deed or other recorded writing, the deed offered for record shall refer to the former deed or writing, and give the office, book and page where recorded, and the date thereof. If the property or interest therein is obtained by inheritance or in any other way than by recorded instrument of writing, the deed offered for record shall state clearly and accurately how and from whom the title thereto was obtained by the grantor.

(4) If the title to the property or interest conveyed is obtained from two (2) or more sources, the deed offered for record shall plainly specify and refer to each of the sources in the manner provided in subsections (2) and (3), and shall show which part of the property, or interest therein, was obtained from each of the sources.

(5) *If the property to be conveyed contains a cemetery or grave site and this fact is known to the grantor, then that fact shall be noted on the deed or other instrument offered for record. If known to the grantor, the location of the cemetery or grave site shall also be noted on the deed or other instrument offered for record.*

(6) No grantor shall lodge for record, and no county clerk or deputy shall receive and permit to be lodged for record, any deed that does not comply with the provisions of this section.

(7)[~~(6)~~] No clerk or deputy clerk shall be liable to the fine imposed by subsection (1) of KRS 382.990 because of any erroneous or false references in any such deed, nor because of the omission of a reference required by law where it does not appear on the face of such deed that the title to the property or interest conveyed was obtained from more than one (1) source.

(8)[~~(7)~~] This section does not apply to deeds made by any court commissioner, sheriff or by any officer of court in pursuance of his duty as such officer, nor to any deed or instrument made and acknowledged before March 20, 1928. No deed shall be invalid because it is lodged contrary to the provisions of this section.

Section 10. KRS 381.715 is repealed and reenacted as a new section of KRS Chapter 307 to read as follows:

(1) As used in this section, "cemetery lot" is a lot containing one (1) or more grave spaces and located within a cemetery registered pursuant to KRS 367.946 in a county containing an urban-county government or in a city.

The defendants in the action shall be the unknown heirs of the original owner of the burial rights in the lots in question.

(3) The petition shall include the following:

 (a) The name of the original owner of the burial rights in the lots in question.

(5) If the court finds the allegations set forth in paragraph (d) of subsection (3) of this section to be true, the court shall enter judgment deeming the burial rights in the lots in question abandoned and authorizing the cemetery to sell the rights.

(6) No judgment shall be entered declaring burial rights abandoned if an owner or heir of a cemetery lot has filed with the cemetery a statement in writing directing that certain grave spaces not be used.

Section 11. KRS 381.720 is repealed and reenacted as a new section of KRS Chapter 307 to read as follows:

Whenever in the opinion of the legislative body of a city of the first, second, third, fourth or fifth class a cemetery located within the boundaries of such city has been abandoned and the land comprising the said cemetery is needed for a public purpose, an ordinance may be enacted declaring such cemetery, as described by metes and bounds, to be abandoned and authorizing the city attorney to institute suit for the city or other governmental agency created by the city in the circuit court of the county in which the city is located against the property comprising the cemetery to declare the said cemetery abandoned and to vest title thereto in the said city, or any governmental agency created by it pursuant to or by authority of the Kentucky Revised Statutes.

Upon the filing of the aforesaid claim the circuit court shall appoint as commissioners three impartial housekeepers who are owners of land. They shall be sworn to faithfully and impartially discharge their duties. The commissioners shall view the land involved and they may hear evidence or make any inquiry they desire touching the value thereof and award to the claimants who are owners thereof the value of the property taken. They shall return a written report to the office of the clerk of the circuit court describing separately the property which is the subject of each claim. Either the claimant or the complainant may file exceptions to this report and demand a jury trial. The commissioners shall be allowed a reasonable fee which shall be taxed as cost.

Section 14. KRS 381.750 is repealed and reenacted as a new section of KRS Chapter 307 to read as follows:

If no claim is made within thirty days after the last advertisement, or if claims have been made and compensation duly paid either to the claimants or into court, the court shall declare the cemetery to be abandoned and enter judgment accordingly, vesting fee simple title in the complainant. Thereafter claimants shall have thirty days in which to remove the mortal remains and monuments from lots to which they have been adjudged to have claim, the reasonable cost thereof to be paid by the claimant. If, within thirty days after entry of judgment said remains have not been removed by the claimants thereto, it shall be the duty of such complainant, through its proper officers, to pay for the removal of the monument and the disinterment, removal, and the reinterment of such body, or bodies, in such other cemetery in the county in which said city is located as the protesting lot owner may designate, or if no designation be made, to another suitable cemetery in the county.

(2) The order or resolution for the removal and relocation of the grave or cemetery pursuant to subsection (1) shall specify and declare that at any time after the expiration of sixty days after the first publication of notice of such intended action pursuant to KRS Ch. 424, the court shall direct the removal and relocation of the grave or cemetery.

(3) Expenses for removal and relocation of any grave or cemetery under the provisions of this section shall be paid by the individual requesting such removal or if the removal is made in the best interest of the county the expenses shall be paid from county funds.

(4) Any grave or cemetery removed under the provisions of this section shall be relocated in a suitable place at the expense of the person or county requesting such removal and relocation.

(5) For the purposes of this section a grave or cemetery shall be considered abandoned when left untended for a period of ten years preceding the date of the resolution for removal and relocation of the grave or cemetery.

Section 16. KRS 381.760 is repealed and reenacted as a new section of KRS Chapter 307 to read as follows:

The cost of the proceeding shall be borne by the complainant, and the burden of proof shall be upon the claimant to establish his interest and to establish that it has not been abandoned.

Section 17. KRS 381.765 is repealed and reenacted as a new section of KRS Chapter 307 to read as follows:

If disinterment, removal, and reinterment of graves is effected by the Commonwealth of Kentucky or any of its agencies, public institutions, or political subdivisions, the United States of America or any agency thereof, or any electric power or lighting company, such disinterment, removal, and reinterment shall be performed by a funeral director duly licensed under the provisions of KRS Chapter 316; provided, however, a person holding a valid funeral director's license of another state may perform disinterment, removal and reinterment if the state in which such person is licensed has a reciprocal agreement whereby a license granted under the provisions of KRS Chapter 316 is recognized and accepted in that state.

SECTION 18. A NEW SECTION OF KRS CHAPTER 307 IS CREATED TO READ AS FOLLOWS:

(1) The secretary of the Finance and Administration Cabinet shall perform an inventory listing the number, location, and tribal affiliation, if known, of all Native American remains that are currently held by state-funded agencies, institutions, or universities. This list shall be reported to the General Assembly on or before January 15, 2004.

(2) The secretary of the Finance and Administration Cabinet shall perform an inventory listing of state-owned real estate, including but not limited to cemeteries that would be suitable for reinterment of Native American remains. This inventory shall be reported to the General Assembly on or before January 15, 2004.

Section 19. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such, shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

  (a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

  (b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

  (c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

  (d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(e) Effective January 1, 2004, in the case of a death in which the body or cremated remains are to be placed in a grave, vault, tomb, crypt, or niche, the specific location of the grave, vault, tomb, crypt, or niche within a cemetery shall be listed in the appropriate location on the death certificate by the individual responsible for filing the certificate of death.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.

(c) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:

1. "Did the deceased have diabetes?"; and
2. "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated, or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

SECTION 20. A NEW SECTION OF KRS CHAPTER 307 IS CREATED TO READ AS FOLLOWS:

(1) Every cemetery shall keep sufficient records of the specific location of every burial or interment in the cemetery occurring after the effective date of this Act. These records shall be kept at the cemetery's principal place of business and made available to the family of the deceased and other persons as each cemetery may determine.

(2) The records maintained shall be specific enough for an individual, after reviewing these records, to locate the specific grave, vault, tomb, crypt, or niche of an individual interred in that cemetery.

(3) Any cemetery or cemetery owner who violates subsection (1) of this section shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for each offense.

The Committee Substitute to **HB 81** is as follows:

HB 81, AN ACT relating to cemeteries.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

The General Assembly declares that it is the public policy of the Commonwealth of Kentucky to recognize and preserve the cultural, historical, and genealogical heritage of the state's cemeteries for present and future generations. SECTION 2. A NEW SECTION OF KRS CHAPTER 141 IS CREATED TO READ AS FOLLOWS:

Each taxpayer required to file a return pursuant to KRS 141.180 who is entitled to an income tax refund and who desires to contribute to the Department for Local Government's county cemetery fund created in KRS 67.682 may designate an amount, not to exceed the amount of the refund, to be paid to the fund. In the case of a joint return, each spouse may designate that a portion of the refund shall be paid to the fund. Such designation shall not increase or decrease the income tax liability of any taxpayer, but it shall reduce the income tax refund of such taxpayer or spouse by the amount or amounts designated.

SECTION 3. A NEW SECTION OF KRS CHAPTER 2 IS CREATED TO READ AS FOLLOWS:

(1) The week prior to Memorial Day of each year shall be Kentucky Cemetery Cleanup Week to encourage the statewide cleanup of cemeteries in the Commonwealth. This week shall provide an opportunity for Kentucky communities, individual citizens, and volunteer groups to participate with local, regional, and state entities, to restore, renew, and protect cemeteries as places of dignity, respect, and pride.

(2) Local governments and private businesses shall be encouraged to participate in Kentucky Cemetery Cleanup Week through developing, organizing, and implementing activities that highlight the historical and cultural heritage of their communities. They are encouraged to work in partnership with civic and volunteer organizations as well as corporate sponsors.

(1) Descendants and family members of deceased persons buried in cemeteries or graves located on privately owned lands in the Commonwealth shall have a right of ingress to and egress from the location of the burial. This right is conditioned upon the following:

(a) Reasonable notice shall be given by the descendants and family members to the owner and the occupant, if different, of their intention to access the land where the deceased person is buried;

(b) In the case of unmarked graves or burial sites, descendants or family members shall provide, if requested by the owner or occupant, reasonable proof of the existence of those graves or burial sites;

(c) Access shall be limited to the purposes of visiting the grave, maintaining the grave, and conducting genealogical research;

(d) The access route shall be designated by the landowner or limited to an obvious access route that is visible from view of the property;

(e) The time and manner of access shall be reasonable and designated in writing signed by the descendants or family members and the landowner;

(f) No state administrative regulation or county ordinance shall require paving, graveling, or fencing off of an access route to a cemetery or grave. (g) Descendants and family members of the deceased person shall conduct themselves in a manner that does not damage the private lands, cemetery, or grave sites, and shall be liable to the owner of the private lands for any damage caused as a result of their access.

(2) The right of ingress to and egress from the location of the burial of descendants' and family members' ancestors and relatives on privately owned lands in the Commonwealth that is recognized by the General Assembly in subsection (1) of this section is not intended to alter the recognized common law right of a person to visit the grave site of a deceased relative, nor shall it alter any easements, licenses, privileges, or other dedications which grant the right to visit the grave sites of deceased relatives and are in existence on the effective date of this Act.

(3) Any person denied reasonable access to an ancestor's or relative's burial site may bring an action in the Circuit Court of the county in which the cemetery or grave site is located to enjoin the owner of the private lands on which the cemetery or grave site is located, or his or her agent, from denying the person reasonable ingress to and egress from the cemetery or grave site for the purposes set forth in subsection (1) of this section. When granting such relief, the court may set the frequency, hours, and duration of the access.

(1) All deeds, mortgages and other instruments required by law to be recorded to be effectual against purchasers without notice, or creditors, shall be recorded in the county clerk's office of the county in which the property conveyed, or the greater part thereof, is located.

(2) No county clerk or deputy county clerk shall admit to record any deed of conveyance of any interest in real property equal to or greater than a life estate, unless the deed plainly specifies and refers to the next immediate source from which the grantor derived title to the property or the interest conveyed therein.

(3) If the source of title is a deed or other recorded writing, the deed offered for record shall refer to the former deed or writing, and give the office, book and page where recorded, and the date thereof. If the property or interest therein is obtained by inheritance or in any other way than by recorded instrument of writing, the deed offered for record shall state clearly and accurately how and from whom the title thereto was obtained by the grantor.

(4) If the title to the property or interest conveyed is obtained from two (2) or more sources, the deed offered for record shall plainly specify and refer to each of the sources in the manner provided in subsections (2) and (3), and shall show which part of the property, or interest therein, was obtained from each of the sources.

(5) *If the property to be conveyed contains a cemetery or grave site and this fact is known to the grantor, then that fact shall be noted on the deed or other instrument offered for record. If known to the grantor, the location of the cemetery or grave site shall also be noted on the deed or other instrument offered for record.*

(6) No grantor shall lodge for record, and no county clerk or deputy shall receive and permit to be lodged for record, any deed that does not comply with the provisions of this section.

(7)[~~(6)~~] No clerk or deputy clerk shall be liable to the fine imposed by subsection (1) of KRS 382.990 because of any erroneous or false references in any such deed, nor because of the omission of a reference required by law where it does not appear on the face of such deed that the title to the property or interest conveyed was obtained from more than one (1) source.

(8)[~~(7)~~] This section does not apply to deeds made by any court commissioner, sheriff or by any officer of court in

pursuance of his duty as such officer, nor to any deed or instrument made and acknowledged before March 20, 1928. No deed shall be invalid because it is lodged contrary to the provisions of this section.

(3) Expenses for removal and relocation of any grave or cemetery under the provisions of this section shall be paid by the individual requesting such removal or if the removal is made in the best interest of the county the expenses shall be paid from county funds.

(4) Any grave or cemetery removed under the provisions of this section shall be relocated in a suitable place at the expense of the person or county requesting such removal and relocation.

(5) For the purposes of this section a grave or cemetery shall be considered abandoned when left untended for a period of ten years preceding the date of the resolution for removal and relocation of the grave or cemetery.

Section 16. KRS 381.760 is repealed and reenacted as a new section of KRS Chapter 307 to read as follows:

SECTION 18. A NEW SECTION OF KRS CHAPTER 307 IS CREATED TO READ AS FOLLOWS:

(1) The secretary of the Finance and Administration Cabinet shall perform an inventory listing the number, location, and tribal affiliation, if known, of all Native American remains that are currently held by state-funded agencies, institutions, or universities. This list shall be reported to the General Assembly on or before January 15, 2004.

(2) The secretary of the Finance and Administration Cabinet shall perform an inventory listing of state-owned real estate, including but not limited to cemeteries that would be suitable for reinterment of Native American remains. This inventory shall be reported to the General Assembly on or before January 15, 2004.

Section 19. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such, shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(e) Effective January 1, 2004, in the case of a death in which the body or cremated remains are to be placed in a grave, vault, tomb, crypt, or niche, the specific location of the grave, vault, tomb, crypt, or niche within a cemetery shall be listed in the appropriate location on the death certificate by the individual responsible for filing the certificate of death.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.

(c) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:

1. "Did the deceased have diabetes?"; and
2. "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated, or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health Services and the local health department. The Cabinet for Health Services shall

identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

SECTION 20. A NEW SECTION OF KRS CHAPTER 307 IS CREATED TO READ AS FOLLOWS:

(1) Every cemetery shall keep sufficient records of the specific location of every burial or interment in the cemetery occurring after the effective date of this Act. These records shall be kept at the cemetery's principal place of business and made available to the family of the deceased and other persons as each cemetery may determine.

(2) The records maintained shall be specific enough for an individual, after reviewing these records, to locate the specific grave, vault, tomb, crypt, or niche of an individual interred in that cemetery.

(3) Any cemetery or cemetery owner who violates subsection (1) of this section shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for each offense.

HB 95, AN ACT relating to health insurance for public employees.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 18A.225 is amended to read as follows:

(1) (a) The term "health maintenance organization" for the purposes of this section means a health maintenance organization as defined in KRS 304.38-030 or as a nonprofit hospital, medical-surgical, dental, and health service corporation, which has been licensed by the Kentucky Health Facilities and Health Services Certificate of Need and Licensure Board or its successor agency and issued a certificate of authority by the Department of Insurance as a health maintenance organization or as a nonprofit hospital, medical-surgical, dental, and health service corporation and which is qualified under the requirements of the United States Department of Health, Education and Welfare except as provided in subsection (2) of this section; and

(b) The term "employee" for purposes of this section means:

1. Any person, including an elected public official, who is regularly employed by any department, board, agency, or branch of state government; or by a public postsecondary educational institution; or by any city,

urban-county, charter county, county, or consolidated local government, whose legislative body has opted to participate in the state-sponsored health insurance program pursuant to KRS 79.080; and who is either a contributing member to any one (1) of the retirement systems administered by the state, including but not limited to the Kentucky Retirement Systems, Kentucky Teachers' Retirement System, the Legislators' Retirement Plan, or the Judicial Retirement Plan; or is receiving a contractual contribution from the state toward a retirement plan; or, in the case of a public postsecondary education institution, is an individual participating in an optional retirement plan authorized by KRS 161.567;

2. Any certified or classified employee of a local board of education;

3. Any person who is a present or future recipient of a retirement allowance from the Kentucky Retirement Systems, Kentucky Teachers' Retirement System, the Legislators' Retirement Plan, or the Judicial Retirement Plan, except that a person who is receiving a retirement allowance and who is age sixty-five (65) or older shall not be included, with the exception of persons covered under KRS 61.702(4)(c), unless he or she is actively employed pursuant to subparagraph 1. of this paragraph; and

4. Any eligible dependents and beneficiaries of participating employees and retirees who are entitled to participate in the state-sponsored health insurance program.

(2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage, that may include but not be limited to health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of employees. With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (14) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to employees shall agree to provide coverage to all members of the state group, including active employees and retirees and their eligible covered dependents and beneficiaries, within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to employees shall also agree to rate all employees as a single entity, except for those retirees whose former employers insure their active employees outside the state-sponsored health insurance program.

(d) Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance with data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of the program, which shall include but not be limited to loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account.

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of employees. All employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, two (2) members from a list of five (5) names submitted by the Kentucky Association of Counties, two (2) members from a list of five (5) names submitted by the Kentucky League of Cities, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this

section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

she is actively employed pursuant to subparagraph 1. of this paragraph; and

4. Any eligible dependents and beneficiaries of participating employees and retirees who are entitled to participate in the state-sponsored health insurance program.

(2) (a) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, shall procure, in compliance with the provisions of KRS 45A.080, 45A.085, and 45A.090, from one (1) or more health insurance companies or from one (1) or more health maintenance organizations authorized to do business in this state, a policy or policies of group health care coverage, that may include but not be limited to health maintenance organization (HMO), preferred provider organization (PPO), point of service (POS), and exclusive provider organization (EPO) benefit plans encompassing all or any class or classes of employees. With the exception of employers governed by the provisions of KRS Chapters 16, 18A, and 151B, all employers of any class of employees or former employees shall enter into a contract with the Personnel Cabinet prior to including that group in the state health insurance group. The contracts shall include but not be limited to designating the entity responsible for filing any federal forms, adoption of policies required for proper plan administration, acceptance of the contractual provisions with health insurance carriers or third-party administrators, and adoption of the payment and reimbursement methods necessary for efficient administration of the health insurance program. Health insurance coverage provided to state employees under this section shall, at a minimum, contain the same benefits as provided under Kentucky Kare Standard as of January 1, 1994, and shall include a mail-order drug option as provided in subsection (14) of this section. All employees and other persons for whom the health care coverage is provided or made available shall annually be given an option to elect health care coverage through a self-funded plan offered by the Commonwealth or, if a self-funded plan is not available, from a list of coverage options determined by the competitive bid process under the provisions of KRS 45A.080, 45A.085, and 45A.090 and made available during annual open enrollment.

(b) The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws.

(c) Any carrier bidding to offer health care coverage to employees shall agree to provide coverage to all members of the state group, including active employees and retirees and their eligible covered dependents and beneficiaries, within the county or counties specified in its bid. Furthermore, any carrier bidding to offer health care coverage to employees shall also agree to rate all employees as a single entity, except for those retirees whose former employers insure their active employees outside the state-sponsored health insurance program.

(d) Any carrier bidding to offer health care coverage to employees shall agree to provide enrollment, claims, and utilization data to the Commonwealth in a format specified by the Personnel Cabinet with the understanding that the data shall be owned by the Commonwealth; to provide data in an electronic form and within a time frame specified by the Personnel Cabinet; and to be subject to penalties for noncompliance with data reporting requirements as specified by the Personnel Cabinet. The Personnel Cabinet shall take strict precautions to protect the confidentiality of each individual employee; however, confidentiality assertions shall not relieve a carrier from the requirement of providing stipulated data to the Commonwealth.

(e) The Personnel Cabinet shall develop the necessary techniques and capabilities for timely analysis of data received from carriers and, to the extent possible, provide in the request-for-proposal specifics relating to data requirements, electronic reporting, and penalties for noncompliance. The Commonwealth shall own the enrollment, claims, and utilization data provided by each carrier and shall develop methods to protect the confidentiality of the individual. The Personnel Cabinet shall include in the October annual report submitted pursuant to the provisions of KRS 18A.226 to the Governor, the General Assembly, and the Chief Justice of the Supreme Court, an analysis of the financial stability of the program, which shall include but not be limited to loss ratios, methods of risk adjustment, measurements of carrier quality of service, prescription coverage and cost management, and statutorially required mandates. If state self-insurance was available as a carrier option, the report also shall provide a detailed financial analysis of the self-insurance fund including, but not limited to, loss ratios, reserves, and reinsurance agreements.

(f) If any agency participating in the state-sponsored employee health insurance program for its active employees terminates participation and there is a state appropriation for the employer's contribution for active employees' health insurance coverage, then neither the agency nor the employees shall receive the state-funded contribution after termination from the state-sponsored employee health insurance program.

(g) Any funds in flexible spending accounts that remain after all reimbursements have been processed shall be transferred to the credit of the state-sponsored health insurance plan's appropriation account.

(h) Each entity participating in the state-sponsored health insurance program shall provide an amount at least equal to the state contribution rate for the employer portion of the health insurance premium. For any participating entity that used the state payroll system, the employer contribution amount shall be equal to but not greater than the state contribution rate.

(3) The secretary of the Finance and Administration Cabinet, upon the recommendation of the secretary of the Personnel Cabinet, may procure from one (1) or more dental insurance companies, one (1) or more nonprofit hospital, medical-surgical, dental, and health service corporations organized under Subtitle 32 of KRS Chapter 304, or one (1) or more

prepaid dental plan organizations organized under Subtitle 43 of KRS Chapter 304, a policy or policies of group dental insurance or prepaid dental plan coverage encompassing all or any class or classes of employees. All employees for whom the dental insurance or prepaid dental plan coverage is provided shall annually be given an option to elect either standard dental insurance coverage or coverage by a prepaid dental plan. The policy or policies shall be approved by the commissioner of insurance and may contain the provisions he approves, whether or not otherwise permitted by the insurance laws. It is intended that either dental insurance or prepaid dental plan coverage may be made available for employees, except that the procuring of each is permissive.

(4) The premiums may be paid by the policyholder:

(a) Wholly from funds contributed by the employee, by payroll deduction or otherwise;

(b) Wholly from funds contributed by any department, board, agency, public postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government; or

(c) Partly from each, except that any premium due for health care coverage or dental coverage, if any, in excess of the premium amount contributed by any department, board, agency, postsecondary education institution, or branch of state, city, urban-county, charter county, county, or consolidated local government for any other health care coverage shall be paid by the employee.

(5) If an employee moves his place of residence or employment out of the service area of a managed health care plan or of a prepaid dental plan, under which he has elected coverage, into either the service area of another managed health care plan or prepaid dental plan or into an area of the Commonwealth not within a managed health care plan service area or prepaid dental plan service area, the employee shall be given an option, at the time of the move or transfer, to change his or her coverage to another health care plan or dental plan.

(6) No payment of premium by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall constitute compensation to an insured employee for the purposes of any statute fixing or limiting the compensation of such an employee. Any premium or other expense incurred by any department, board, agency, public postsecondary educational institution, or branch of state, city, urban-county, charter county, county, or consolidated local government shall be considered a proper cost of administration.

(7) The policy or policies may contain the provisions with respect to the class or classes of employees covered, amounts of insurance or coverage for designated classes or groups of employees, policy options, terms of eligibility, and continuation of insurance or coverage after retirement.

(8) Group rates under this section shall be made available to the disabled child of an employee regardless of the child's age if the entire premium for the disabled child's coverage is paid by the state employee. A child shall be considered disabled if he has been determined to be eligible for federal Social Security disability benefits.

(9) The health care contract or contracts for employees shall be entered into for a period of not less than one (1) year.

(10) The secretary shall appoint thirty-two (32) persons to an Advisory Committee of State Health Insurance Subscribers to advise the secretary or his designee regarding the state-sponsored health insurance program for employees. The secretary shall appoint, from a list of names submitted by appointing authorities, members representing school districts from each of the seven (7) Supreme Court districts, members representing state government from each of the seven (7) Supreme Court districts, two (2) members representing retirees under age sixty-five (65), one (1) member representing local health departments, two (2) members representing the Kentucky Teachers' Retirement System, and three (3) members at large. The secretary shall also appoint two (2) members from a list of five (5) names submitted by the Kentucky Education Association, two (2) members from a list of five (5) names submitted by the largest state employee organization of nonschool state employees, two (2) members from a list of five (5) names submitted by the Kentucky Association of Counties, two (2) members from a list of five (5) names submitted by the Kentucky League of Cities, and two (2) members from a list of names consisting of five (5) names submitted by each state employee organization that has two thousand (2,000) or more members on state payroll deduction. The advisory committee shall be appointed in January of each year and shall meet quarterly.

(11) Notwithstanding any other provision of law to the contrary, the policy or policies provided to employees pursuant to this section shall not provide coverage for obtaining or performing an abortion, nor shall any state funds be used for the purpose of obtaining or performing an abortion on behalf of employees or their dependents.

(12) Interruption of an established treatment regime with maintenance drugs shall be grounds for an insured to appeal a formulary change through the established appeal procedures approved by the Department of Insurance, if the physician supervising the treatment certifies that the change is not in the best interests of the patient.

(13) Any employee who is eligible for and elects to participate in the state health insurance program as a retiree, or the spouse or beneficiary of a retiree, under any one (1) of the state-sponsored retirement systems shall not be eligible to receive the state health insurance contribution toward health care coverage as a result of any other employment for which there is a public employer contribution. This does not preclude a retiree and an active employee spouse from using both contributions to the extent needed for purchase of one (1) state sponsored health insurance policy for that plan year.

(14) (a) The policies of health insurance coverage procured under subsection (2) of this section shall include a mail-order

drug option for maintenance drugs for state employees. Maintenance drugs may be dispensed by mail order in accordance with Kentucky law.

(b) A health insurer shall not discriminate against any retail pharmacy located within the geographic coverage area of the health benefit plan and that meets the terms and conditions for participation established by the insurer, including price, dispensing fee, and copay requirements of a mail-order option. The retail pharmacy shall not be required to dispense by mail.

(c) The mail-order option shall not permit the dispensing of a controlled substance classified in Schedule II.

(15) The policy or policies provided to state employees or their dependents pursuant to this section shall provide coverage for obtaining a hearing aid and acquiring hearing aid-related services for insured individuals under eighteen (18) years of age, subject to a cap of one thousand four hundred dollars ($1,400) every thirty-six (36) months.

(16) If a state employee's residence and place of employment are in the same county, and if the hospital located within that county does not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services and magnetic resonance imaging services, the employee may select a plan available in a contiguous county that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.

(17) ***If a state employee's residence and place of employment are each located in counties in which the hospitals do not offer surgical services, intensive care services, obstetrical services, level II neonatal services, diagnostic cardiac catheterization services and magnetic resonance imaging services, the employee may select a plan available in a county contiguous to the county of residence that does provide those services, and the state contribution for the plan shall be the amount available in the county where the plan selected is located.***

(18) The Personnel Cabinet is encouraged to study whether it is fair and reasonable and in the best interests of the state group to allow any carrier bidding to offer health care coverage under this section to submit bids that may vary county by county or by larger geographic areas.
